

## **AIB Bank Cuts Mortgage Rate**

**8th November 2001**

Following today's ECB rate cut, AIB Bank has announced that it is reducing its variable home mortgage rate by 0.50% to 4.25% (APR 4.3%).

This latest cut maintains AIB's current position as best in market in line with their policy of offering the same deal to both new & existing customers.

The new rate will come into effect from close of business on Monday 19th November 2001.
