PART A – CONTRACTUAL TERMS

MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”) or in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Base Prospectus dated 21 September 2020 which constitutes a base prospectus for the purposes of Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”). This document constitutes the Final Terms of the Notes described herein for the purposes of the Prospectus Regulation and must be read in conjunction with such Base Prospectus. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus. The Final Terms and the Base Prospectus are available for inspection at the London office of the Agent and the office of the Issuer and in electronic form on the website of the Issuer www.aibgroup.com (access through the “Investor Relations” link), the website of the Central Bank, www.centralbank.ie (for so long as the Central Bank decides to provide a service of publishing such documents on its website) and on the website of Euronext Dublin at www.ise.ie.

2. Ratings

- Ratings: The Notes are expected to be rated:
- Baa3 by Moody's Investors Service Limited (“**Moody's**”)
An obligation rated ‘Baa’ is judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The modifier ‘3’ indicates a ranking in the lower end of that generic rating category.
(Source: <https://www.moody.com/ratings-process/Ratings-Definitions/002002>)
 - BB by S&P Global Ratings Europe Limited (“**S&P**”)
An obligation rated ‘BB’ is less vulnerable to non-payment than other speculative issues. However, it faces major ongoing uncertainties or exposure to adverse business, financial, or economic conditions that could lead to the obligor's inadequate capacity to meet its financial commitments on the obligation.
(Source: https://www.standardandpoors.com/en_US/web/guest/article/-/view/sourceId/504352)
 - BB+ by Fitch Ratings Limited (“**Fitch**”)
An obligation rated ‘BB’ indicates an elevated vulnerability to default risk, particularly in the event of adverse changes in business or economic conditions over time; however, business or financial flexibility exists that supports the servicing of financial commitments. The modifier ‘+’ appended to the rating denotes relative status within major rating categories.
(Source: <https://www.fitchratings.com/products/rating-definitions#about-rating-definitions>)
- No assurance can be given that such rating will be obtained and/or retained.

Each of Moody's and Fitch is established in the UK and S&P is established in the EU. Moody's, Fitch and S&P are registered under Regulation (EC) No 1060/2009.
