<b>Total</b>	<b>17,801</b>	<b>100%</b>	<b>124,066</b>	<b>100%</b>

(1) The Indexed Property Valuation is the historical property valuation, indexed using the latest House Price Index (Aug 2012 for Sept 2012) with a 15% discount applied to the uplift in valuation. 100% of any valuation decrease is applied.

(2a) Up to and including November 2011, properties were indexed using the ESRI/PTSB house price index. This index has been discontinued with the last published index being for Quarter 4 2010. A new index, compiled by the CSO, has since been adopted through Regulatory Notice in December 2011. The 11 month gap between the ESRI/PTSB index being discontinued and the CSO index being adopted through Regulatory Notice is responsible for the large increase in reported indexed LTV's in December 2011.

(2b) In September 2012, the CSO index showed a national peak to trough fall in house prices of 50% and a fall of 57% & 46% in Dublin and outside Dublin respectively.

(3) Seasoning is measured by reference to the opening date of loan accounts, which are set up on the advance of new mortgage loans, on further advances and on changes to the terms of existing mortgages resulting in the amalgamation of existing loan accounts into new loan accounts

(4) The above 124,066 loan accounts were secured on 108,428 properties; there may be more than one loan account against a property
