Your Card

1. Subject to these Conditions, our personal credit card service allows you to pay for goods and services purchased from Merchants, to make or receive a Funds Transfer, or to withdraw cash including cash from Cash Machines or by any other means where the appropriate Card Scheme logo is displayed. A Credit Limit is applied and interest is payable after any relevant interest free period.
2. We have duties under laws concerning money laundering, financing of terrorism and taxation to ask you, or someone opening an Account and/or applying for a Card on your behalf, for certain information about you and/or the person opening the Account for you. Unless we already have it, you and/or the person opening the Account for you will need to provide us with information to identify each or any of you and proof of your permanent address. We may also need documentation to prove your relationship with the person opening the Account on your behalf. Your Account may not become active until we have received and approved these documents.
3. There is a variety of means by which you can authorise Transactions, these include:
 - authorisation by means of your Card used in conjunction with your PIN for point-of-sale Transactions or Transactions using a Cash Machine;
 - authorisation by means of your Card for Transactions by mail, phone, Device, or online or by use of a Safeguard System (including the use of your Digital Card through a Digital Wallet);
 - authorisation by means of your Card and/or Device to make a Contactless Transaction, where your Card and/or Device is enabled to effect Contactless Transactions; and
 - authorisation by means of your Card and signature.

Looking after your Card, PIN and other Security Details

4. The Card PIN and Security Details must be used in accordance with these Conditions and any other terms and conditions used in connection with your Card. Each Card is and remains our property and may be cancelled, suspended, blocked, recalled or retained by us in accordance with the provisions of the Agreement.
5. You must:
 - sign your Card as soon as you receive it using a ball point pen;
 - exercise all reasonable care to keep your PIN and Security Details secret and your Card and any Devices secure at all times;
 - only use your Card (a) within the Credit Limit, (b) within the period for which it is stated to be valid and (c) strictly in accordance with the Agreement;
 - ensure we have your up-to-date contact details. For example we will need details such as your mobile phone number, home phone number (if applicable), address and e-mail address in order to confirm your identity to us for certain online Transactions, if needs be. We may also use these details as set out in the 'Contacting you' and in the 'Variation of the Agreement' sections of these Conditions. Please tell us immediately if there is a change to any such details or a change of name, bankers, business, or your address to which Statements are sent so that we can issue your Statements in accordance with the 'Monthly Statements and Payment Arrangements' section of these Conditions; and
 - before you replace or dispose of a Device, you must ensure you delete any Digital Wallet or AIB Banking App from that Device. You should also immediately delete any information such as an email or Text Message sent or received by you in connection with your Card or Account. You must not have any reference(s) to or details of your PIN or any Security Details on your Device.
6. You must not:
 - let anybody else obtain, know or use your Card, PIN or Security Details;
 - disclose your Card number to anyone, except: (i) when carrying out a Transaction; or (ii) to verify your identity; or (iii) to register or activate a Card for use in connection with a Digital Wallet; or (iv) to be stored securely online for future use; or (v) to report it as lost, misused, stolen or likely to be misused;

- write or record in any other manner your PIN or Security Details; or
- give your Device to other people or allow others to use it as they may be able to access or use your Digital Card or AIB Banking App.

Credit Limit

7. We will set a Credit Limit on the Account. We may, subject to applicable law or regulation, vary the Credit Limit from time to time. We will notify you of any such variation. If your Card is used for a Transaction which would bring the Outstanding Balance in excess of the Credit Limit, we reserve the right to authorise or decline such Transactions. If we authorise a Transaction in excess of the Credit Limit currently applying to the Account, this will not affect the Credit Limit and subsequent Transactions bringing the Outstanding Balance in excess of the Credit Limit or where the Credit Limit has been exceeded, may be declined.
8. When you make a Transaction using your Card, the balance on the Account will usually be increased immediately by the amount of the Transaction. Sometimes, a Merchant (for example, a self-service petrol station or hotel) may obtain a specific pre-authorisation for an amount agreed with you. This pre-authorised amount may not immediately increase the balance but may reduce your Available Credit. The pre-authorised amount may only be charged to your Account by the Merchant in certain circumstances (for example, where you have obtained goods or services to the value of the pre-authorised amount) if agreed by you with that Merchant. Once the Merchant instructs us to, we will remove the pre-authorised amount from your Card as soon as possible. We recommend that you review your Account details online on a regular basis. Please contact us if you have any queries as set out in the 'Contacting us' section.

Restrictions

9. A Card must not be used:
 - if the Agreement is ended;
 - after a Card has expired or been reported lost, misused or stolen or has been cancelled, blocked or suspended or if your Card, your Security Details or PIN have been compromised in any way;
 - in respect of a Digital Card, after that Digital Card and/or your Account relating to that Digital Card has expired or has been cancelled or suspended or any applicable Device has been compromised, lost, misused or stolen;
 - at any Cash Machine abroad in violation of local regulations in that jurisdiction; or
 - for any illegal purchase or purpose whatsoever.
10. A request for a Balance Transfer will only be considered where the other financial institution is within a country where the euro is the national currency and clearance of the amount owed can be effected by us by electronic means. Balance Transfers will only be made in euro. Transfers of amounts owed on existing Cards will be regarded as normal outstanding balances and not Balance Transfers.

Cash Withdrawals (also see Transactions)

11. Your Card may be used for cash withdrawals, advances made by Card and cash related Transactions, such as the purchase of cash. A cash advance fee may also apply and where the Transaction is not done at a Cash Machine you may also be asked for proof of identity.
12. Cash withdrawals are subject to both Transaction and daily limits. The Transaction limit can vary between financial institutions and from time to time. The daily cash limit will be determined by us and may vary from time to time. Details of the daily cash limit are available by contacting us as set out in the 'Contacting us' section of these Conditions.
13. A Card may be used outside Ireland subject to any limits or regulations that may be imposed by the appropriate regulatory authorities in the relevant jurisdiction(s). These limits and regulations may change from time to time.
14. Our standard fees apply if you use your Card abroad to transact in euro. However, we have no control over third parties that might apply a charge to you for processing the Transaction or who convert the local currency into euro and charge for doing this. We also have no control over the rates they may apply. This may result in an amount debited from the Account that is different

from the amount you withdrew. We do charge for non-euro Transactions as detailed in the fees and charges booklets available on our website or in branches or by contacting us as set out in the 'Contacting us' section of these Conditions.

Authorised Users

15. At the request of the Cardholder we may permit the issue of an additional Card on the Account, together with a separate PIN, for use by a person nominated by you (an "Authorised User"). However, there is no obligation on us to do so. You may enquire by contacting us as set out in the 'Contacting us' section of these Conditions, as to whether this facility is available. If we consent to the issue of an additional Card on the Account, it will be issued subject to these Conditions. The Authorised User will be bound to observe these Conditions to the extent that they apply or are relevant (for example Condition 31). It is the responsibility of the Cardholder to furnish the Authorised User with a copy of these Conditions and any amendments, extensions or supplemental conditions that we may notify the Cardholder of from time to time. The Cardholder must ensure that the Authorised User complies with these Conditions. The Cardholder is primarily responsible for all Transactions for which the additional Card on the Account is used, including those charged to the Account after the additional Card has been returned to us.
16. We may block, suspend and/or cancel an Authorised User's Card at any time in accordance with these Conditions (including the 'Ending the Agreement' section of these Conditions). We can also cancel any additional Card at any time if the Cardholder contacts us to request this by contacting us as set out in the 'Contacting us' section of these Conditions, in which case the additional (physical) Card, must be cut in two (through the signature box, magnetic strip and Chip) for security reasons, and be returned to us at the address in the 'Contacting us' section of these Conditions. How we can contact each other is also set out in the 'Contacting us' section. All applicable Digital Cards related to the Card must be deleted or deregistered from any applicable Device.
17. By entering into this Agreement, the Cardholder gives us the authority to pass on information about the Account or Transactions to any Authorised User by electronic or other means. By accepting an additional Card an Authorised User authorises us to pass on information about Transactions effected by use of the additional Card (including any Digital Cards related to the Card) to the Cardholder by electronic or other means. However, no amendments to the Account details or variation of the Credit Limit will be accepted from an Authorised User.
18. The Cardholder is liable for the payment of all Transactions carried out by an Authorised User regardless of the ability of that Authorised User or whether they are a minor or not, as if the Transactions had been personally carried out by the Cardholder.

Loss or misuse

19. You must exercise all reasonable care and take all necessary steps to ensure the safety of the Card, PIN, Security Details, and any Devices. If you think someone else knows your PIN or Security Details or if your Card or any Device is lost, misused, stolen, used, or likely to be used, for a fraudulent or improper purpose, or you think the safety or use of your Card and/or Device is or may be in any way compromised, you must contact us immediately. Our contact details are set out in the 'Contacting us' section of these Conditions. We may request that you confirm the same in writing to us, but without affecting the validity of any action taken by us in response to your request.
20. Notification of loss or theft of a Card or the compromise of its details or your PIN or Security Details will be accepted by us from card protection service organisations and/or the Card Schemes.
21. By reporting a Card and/or a Device as lost, misused or stolen or as being used, or likely to be used, for a fraudulent or improper purpose, or where the safety of the Card and/or Device has or may have been compromised, you will be deemed to have thereby authorised us to cancel that Card (including any Digital Cards registered or accessed on a reported Device). The Card and/or Digital Card must not be used again. If found, your physical Card must be cut in two (through the signature box, magnetic strip and Chip) for security reasons and returned to us immediately at the address in the 'Contacting us' section of these Conditions.
22. Except as set out in Condition 23 below, if you notify us without undue delay that a Transaction was not authorised by you arising from the use of a lost, misused or stolen Card, or from a failure to keep your Security Details safe, usually we will refund the amount of the unauthorised Transaction to you and restore your Account

to the state it would have been in had the unauthorised Transaction not taken place. We will not have any further liability to you in this respect.

23. You will be liable for the full amount of all unauthorised Transactions where:
 - a) we reasonably think you have acted fraudulently, and we notify the relevant national authority of this; or
 - b) you acted fraudulently, or either intentionally or with gross negligence failed to adhere to the following:
 - the safekeeping and/or disclosure requirements of your Card, PIN or any Security Details;
 - the security requirements applicable to a Digital Card and/or Device as set out in the relevant Digital Wallet Agreement, and/or this Agreement;
 - any reasonable security requirements applicable to a Digital Card and/or Device as set out in the relevant Third Party Agreement and/or any other agreement relevant to your Card;
 - any Transactions were effected as a result of the breach of Condition 6;
 - any Card (including any Digital Card) is used by any other person outside the terms of this Agreement and who has possession of it with your consent; or
 - to tell us immediately after you become aware of the loss, theft, misuse or unauthorised use of your Card, Device, PIN or any Security Details.
24. In the event of notification by you in accordance with Condition 19 above, you will co-operate with us and the police or other relevant authority in any investigation and give us and the police or other relevant authority all information relating to such loss, theft or disclosure and all reasonable assistance. You authorise us to inform any appropriate third party of the loss, theft or possible misuse of the Card and to give them such other information as may be required.
25. If as a result of investigation, we establish that the Transaction claimed as unauthorised is in fact an authorised Transaction, we may charge your Account with any amount refunded and re-charge any fees and/or charges (including interest) that you owe us.

Declining to authorise a Transaction

26. We may take whatever action we consider appropriate, including declining to authorise Transactions on the Account and/or investigating, intercepting, refusing or where applicable, delaying payments to or from your Account for any valid reason. Examples of valid reasons are:
 - where we suspect fraud, money laundering, terrorism;
 - we believe we have been provided with incorrect information;
 - we have concerns about the security of your Account or Card;
 - we suspect that a Card is being used in breach of the Agreement;
 - we suspect the Transaction is not permitted or is subject to restrictions under any law or regulation or economic or financial sanctions; or
 - we are acting in accordance with any instructions you have given us in respect of Transactions that should be restricted on your Account (for example, where you have requested a limit on gambling Transactions on your Account).

We may contact you to satisfy ourselves in relation to the nature of the Transaction or payment on the Account. We will try to contact you by Text Message or as otherwise set out in the 'Contacting us' section of these Conditions before we take a decision to decline authorisation of a Transaction or take any of the actions set out in this section. If we contact you by Text Message you may be asked to confirm a Transaction or a payment by sending us a Text Message in reply. It may not always be possible for us to contact you before we cancel, block or suspend your Card or decline a Transaction or take any other necessary steps but we will do our best to do so. This is done for your protection and we are not responsible for any loss or damage that might be caused as a result. You hereby agree and authorise us to take such actions as we deem necessary, including suspending the Card. You agree that any contact by us is for the purposes of combating wrongdoing or preventing financial harm.

The Account

27. The amount of all Transactions will be debited to the Account reducing the Available Credit. The timing of the debit may vary and may depend on when we receive the Transaction details, for example when we receive such details from the Merchant or the Merchant's bank or, in the case of a cash withdrawal, when we receive details of the withdrawal.

Transactions (also see Cash Withdrawals)

28. Use of your Card is subject to Transaction and daily limits as set by us, which may vary from time to time. The Cardholder will be liable to pay all sums that are charged to the Account in respect of or resulting from all Transactions including where such Transactions are effected by phone, Device, mail order, online, PIN, Security Details, signature, by use of a Safeguard System, by way of a Contactless Transaction or by using a Digital Wallet, even where such Transactions are effected in breach of these Conditions. When a Transaction is authorised by your use of your PIN, any Security Details, Safeguard System or other authentication process, this will be regarded as evidence that the Transaction was authorised by you. You should therefore check the amount of every Transaction and that all other details and information relating to the Transaction are correct before you authorise it. You can contact us to agree spending limits for using your Card online, subject to our Transaction and daily limits. We may be able to offer you a way to request us to block or limit certain Transactions. Our contact details are set out in the 'Contacting us' section of these Conditions. When requested, if you are unable to provide your PIN, Security Details or complete any authentication process, we may decline to authorise the Transaction.
29. Once authorised, a Transaction cannot be subsequently revoked (whether or not a voucher is signed or PIN verified) as we guarantee payment. Where you have authorised a Merchant to set up a continuous payment instruction for a recurring Transaction (for example a magazine or TV service subscription) on your Account and you wish to cancel it, you can do so by contacting us up to the last Business Day before the payment is due to leave your Account. You should also give written cancellation notice to the Merchant and keep a copy of the letter. Your Card is automatically enrolled in a card updater service with the relevant Card Scheme (for example, Visa). This service allows a participating Merchant to access Card details through the Card Scheme so they can continue to process a Transaction, recurring or otherwise. As not all Merchants participate in this service, you should still notify each Merchant when your Card details or the status of your Account changes. If you don't, your Account may or may not still be charged. You are responsible for making sure the Merchant has your new Card details to process a Transaction. If you would like to opt out of the card updater service, please contact us using the details set out in the 'Contacting us' section of these Conditions.
30. You can use a Card and/or a Device to make a Contactless Transaction without using the Chip and PIN and/or Security Details. Information about Contactless Transactions (for example monetary limits) are available on our website at www.aib.ie or by contacting us as set out in the 'Contacting us' section of these Conditions. Subject to the 'Loss or misuse' section of these Conditions, when you use your Card and/or a Device for a Contactless Transaction, where possible, we will take it that the Transaction was authorised by you.
31. We may need to confirm it's you before an online Transaction can be authorised or your Card details can be stored securely online for future use. We'll do this by using a Safeguard System and may also use an authentication service. Your Card is automatically enrolled for a Safeguard System, however the Cardholder or Authorised User may need to register for an authentication service. This authentication service will require you to enter your Security Details to identify you, for example, using an AIB Banking App, or any other way made available by us. If we ask you to identify yourself and you can't or you don't follow the instructions for the Safeguard System or the authentication service, we will take it that your Transaction is not authorised and it will not go ahead.

For this reason, it is important to ensure that the personal information we hold about the Cardholder and the Authorised User is up-to-date (for example your mobile phone number and email address).

To find out more about this please go to www.aib.ie/webshopping

32. Subject to the 'Loss or misuse' section of these Conditions, when a Funds Transfer is authorised by use of a passcode or any other authorisation procedure required as part of that service, the successful use of the passcode or procedure will be taken that the Transaction was authorised by you.

33. Non-euro Transactions will be converted to euro using the Card Scheme exchange rate. We have no control over when the Transaction is processed by the Card Scheme and when the exchange rate is applied. For most non-euro Transactions, the Card Scheme generally applies their exchange rate within a few days.

More information on how and when these exchange rates apply is available on our website www.aib.ie

For Transactions within the EEA, we provide a comparison by way of percentage mark-up between (i) our rate which is made up of the Card Scheme exchange rate for that day in addition to our currency conversion fee, and (ii) the European Central Bank foreign exchange rate. This is available on our website www.aib.ie

We may also be required by law to send you information electronically once you have completed a non-euro Transaction in the EEA in accordance with the 'Contacting you' section.

In addition to the fees, charges (and interest, if applicable) referred to in Condition 53 you may also be charged a transaction fee by the local bank which processes the Transaction. For further information you can contact us using the details set out in the 'Contacting us' section of these Conditions or visit our website www.aib.ie

Monthly Statements and Payment Arrangements

34. We will normally issue a Statement monthly to the Cardholder, on a date which we may decide, containing (a) details of all Transactions debited and credited to the Account since the previous Statement (or, in the case of the first Statement, since the opening of the Account), and (b) the Outstanding Balance (if any) at the date of the Statement, and (c) the date the minimum payment is due. If the Card application form allows you to select a date or date range for the Statement to be issued, and you specify a date or date range, then we will issue the Statement in accordance with your instruction.
35. If a Statement is not received for any month (for example, you move house and don't notify us of your new address), or if it cannot be produced or issued for any reason, your responsibilities under this Agreement still continue. You will be required to make the appropriate minimum payment for that month. If you have not received a Statement for any month, you can find out the minimum payment due, by using our online or telephone banking facilities or by contacting us as set out in the 'Contacting us' section of these Conditions.
36. The initial monthly payment will fall due within the period chosen on the Card application form following the first use of the Card. When setting up a direct debit to repay the Outstanding Balance, the Cardholder may select the minimum payment as any of the following percentages of the Outstanding Balance: 3%, 5%, 10%, 20%, 25%, 50% (subject to a minimum payment of EUR6.35 if greater) or 100%. The minimum payment for Cardholders who do not pay by direct debit or have not selected a minimum payment percentage will be calculated at 3% of the Outstanding Balance shown on your Statement or EUR6.35, whichever is the greater. If an Outstanding Balance is payable to us, the Cardholder must make at least the minimum payment each month by the payment due date displayed on the monthly Statement. The minimum payment is calculated from the Outstanding Balance on the Statement for that month. Other than when paying by direct debit, the Cardholder must ensure that the payment is made or sent to reach us to be credited to the Account not later than the payment due date (this is specified in your Statement). Any payment made will take effect when correctly received by us and credited to the Account. Personal Premier Visa Card holders must pay the Outstanding Balance shown on your Statement, in full and on the indicated payment due date. This payment will be made by us initiating a direct debit from the Cardholder's bank account on or immediately after the payment due date on the Statement.
37. The method of payment and cut off times by which you make payments to your Account are detailed below. The processing time differs depending on the payment method chosen. Payment value will be given on the Business Day the payment is received by us, or in the case of Instant Credit Transfers, on the Calendar Day on which the payment is received by us. The time taken for a payment to be processed may be extended by a further Business Day for paper-initiated payments. Cheque payments are excluded from the payment timeline outlined below. A maximum amount applies to Instant Credit Transfers. Please contact us for more information. Temporary restrictions and interruptions in service are possible, during which your Account may not be available to receive an Instant Credit Transfer, for example due to planned maintenance or downtime. We will notify you of these periods.

Method of Payment	Timeframe	Business Day Cut-off Times
Cash payment, AIB account transfer, AIB Debit Card payment in AIB Branch (excluding Instant Credit Transfers)	Same Business Day	Branch Closing Time
Payments made via AIB Phone and Internet Banking or AIB in-branch Kiosk (excluding Instant Credit Transfers)	Same Business Day	6pm
Payments made in non-AIB institutions (excluding Instant Credit Transfers)	Same Business Day when received by us	Defined by each institution
Incoming Instant Credit Transfers from non AIB institutions	Available to use on the Calendar Day that the Instant Credit Transfer is received by us (subject to any refusal right of the Bank as set out in these Conditions)	Incoming Instant Credit Transfers can be received by us at any time on a Calendar Day*

* Instant Credit Transfers received after 6pm or on a Calendar Day that is not a Business Day may not be displayed on your Account until at least the next Business Day. However, the funds will be available for you to use on the Calendar Day received by us.

38. If the minimum payment is not paid by the cut off time on the payment due date, we may decline to authorise Transactions. The cut off time is 6pm. For the avoidance of doubt, Instant Credit Transfers received after 6pm will be regarded as having missed the cut off time on the payment due date.
39. We may grant, at our discretion, a payment holiday (a period when we may allow you to defer a payment or payments). Interest will continue to be charged under Conditions 56 to 59 and the period referred to in Condition 56 will not be extended.
40. The Cardholder must pay on demand, and in any case, on receiving the Statement:
 - any outstanding excess over the Credit Limit;
 - any arrears; and
 - the amount of any Transaction made in breach of these Conditions.
41. (a) Should a payment be received by us from you more than 4 Business Days prior to the payment due date, or in circumstances where the Cardholder has either set up a new direct debit or amended their direct debit bank account details and a payment is received more than 7 Business Days prior to the payment due date, the amount calculated for payment by direct debit will be reduced by this amount.
 - (b) Payments received within 4 Business Days of the payment due date, or in circumstances where the Cardholder has either set up a new direct debit or amended their direct debit bank account details and those payments are received within 7 Business Days of the payment due date, will not reduce the amount collected by direct debit.
 - (c) The Cardholder must ensure that funds are available to meet all payments due on the Account.
42. Funds Transfers are generally treated as payments made to the Account and therefore, will be reflected in the current amount due for payment as required under Condition 36, unless the Merchant has initiated this as a refund.
43. We reserve the right to debit the Account by the amount of any unpaid item or any other amount which we are obliged to refund to a third party for any justifiable reason.

Where an incorrect amount is paid to or from your Card, we may make any adjustment necessary on your Account. We do not have to contact you to tell you beforehand. If there are insufficient funds in your Account, then you will still be responsible for the payment of this amount, to include any costs or expenses we incur.

Where a payment to your Account is recalled by the paying financial services provider or is returned by us (for example, due to

mistake, fraud or the operation of any clearing rules), we may reverse that payment without having to contact you about it.

Where any adjustment has been made to your Account through no fault of ours, you may have to pay us any fees, charges or interest associated with doing this and we may take any amount you owe us from your Account.

44. Without affecting any other right of set off which we may have, if you have a credit balance on any other account with us (whether due or not and in any currency), we may use this credit balance to satisfy any sum due on the Account. We may or may not give prior notification to you where this is done.
45. The principal purpose of the Account is to provide you with access to credit. Although it is possible to operate the Account with a credit balance, at all times, we reserve the right to reject or return any Transactions which create or increase credit balances. For as long as there is a credit balance on your Account, this balance is repayable to you at your request to the extent permissible by law.

Electronic Statements (eStatements)

46. This section only applies to those customers who receive eStatements. You can find more information about your eStatements in the terms and conditions for AIB Phone and Internet Banking available on our website www.aib.ie
47. The format of an eStatement varies from a paper-based Statement and, in particular, you will not receive a 'bank giro' form.
48. We may at our discretion, at any time and for any reason (including arrears on the Account), suspend your access to eStatements during which time you will receive paper Statements via post. Such suspension may be caused by circumstances beyond our control.

Queries and Disputes

49. You should carefully examine all Statements and any other Account information received or accessed by you and immediately report any disputed Transactions, errors or omissions to us. We recommend that you review your Account details online on a regular basis. In the event you have a query concerning a Transaction on your Account please contact us immediately.
50. Where you have authorised a Transaction and something has gone wrong, through no fault of ours, for example, goods are not received, we may be able to seek a refund for this Transaction on your behalf. We will have limited time to dispute this with the Merchant, so we ask you to let us know within 60 days of the Transaction. We may also need you to supply supporting information and/or documents that will support your dispute. There is no guarantee that we can get your money back. While we may be able to seek a refund, we are not responsible for any goods and/or services that you purchase with your Card from any Merchant and we have no responsibility to deal with any Merchant on your behalf in connection with any disputed Transaction. Our contact details are set out in the 'Contacting us' section of these Conditions.
51. (a) You must notify us without undue delay on becoming aware of any unauthorised Transaction on your Account. Where you are not liable under Condition 23 and you notify us without undue delay, we will usually refund you the amount of any unauthorised Transaction and restore your Account to the state it would have been in had the unauthorised Transaction not taken place. Please see the 'Loss or misuse' section of these Conditions for further details on when we will not refund you for an unauthorised Transaction.

We will normally say that there has been undue delay to notify us if you fail to do so within 60 days of the date of the unauthorised Transaction being debited to your Account. In any event, a failure to notify us within 13 months of the date of the unauthorised Transaction will always be undue delay.

- (b) Where the Payer's bank and the Payee's bank are both located in the EEA and you contact us within 8 weeks from when the funds are debited, we will refund you within 10 Business Days of your request, where you can show us that:
 - (i) your authorisation did not specify the exact amount of the Transaction when the authorisation was made; and
 - (ii) the amount of the Transaction exceeded the amount that you could reasonably have expected taking into account your previous spending pattern.

If you make a claim for such a refund you must provide to us all relevant information requested by us. For the purpose of computing the 10 Business Day period referred to within

this Condition your request will only be deemed to have been made when you provide all such information. If we dispute your right to a refund, we will advise you of our reasons. If you are not satisfied with our reasons, you may make a complaint in accordance with the complaints procedures detailed in the 'Complaints' section. For the avoidance of doubt, you have no right of refund under this Condition where you have given us direct permission to carry out the Transaction, and where applicable, where the information on the future Transaction was provided or made available to you at least 4 weeks before the Transaction.

- (c) Where the Payer's bank and the Payee's bank are both located in the EEA and where a Transaction was not executed by us or was incorrectly executed by us, or late executed by us, we will refund you and where applicable restore your Account to the position it would have been in had the non-executed or incorrectly executed or late executed Transaction not taken place provided:
- (i) you tell us without undue delay (see Condition 51 (a) above for more information on what we mean by undue delay) on your part of an incorrectly executed or non-executed or late executed Transaction; and
 - (ii) none of the events detailed in Condition 88 prevented us from making the Transaction.

Regardless of the issue of liability, where you notify us of an incorrectly executed Transaction we will make immediate efforts to trace the defective Transaction. If as a result of our investigation we establish that the Transaction was correctly executed, we reserve the right to charge your Account with our relevant charges, fees and interest.

52. Where the Payee's bank is located outside the EEA and you wish to dispute a Transaction you must notify us immediately or at least within 60 days of the Transaction being debited to your Account.

You have no right of refund if:

- (a) you have given your consent to execute the Transaction directly to the payment service provider; and
- (b) where applicable, information on the future Transaction was provided or made available to you at least 4 weeks before the due date by the payment service provider or by the Payee.

Fees, Charges and Interest

53. All fees, charges and interest payable in connection with the Account will be the Cardholder's liability and will be debited to the Account in accordance with the following arrangements:
- all fees payable on the Account are outlined in our schedule of fees and charges relevant to your Account type for the time being in force, as detailed in the fees and charges booklets available on our website www.aib.ie or in branches or by contacting us as set out in the 'Contacting us' section of these Conditions; and
 - all stamp duties and government levies payable in respect of the Account are your liability and will be collected by us by debit of the Account. Should you close your Account before the date of collection all these amounts owing by you will be debited at closure and be payable by you. In addition, you may also be subject to fees and charges related to the use of a Digital Wallet or other services connected to the use of your Card under the Third Party Agreements. You are solely responsible for the payment of these fees and charges.
54. Where a Card is used to obtain a cash advance, a cash advance fee will apply as notified to you from time to time in the schedule of fees and charges relevant to your Account type for the time being in force. In all cases, the cash advance fee will be debited to the Account on the date of the cash advance and will appear in your next Statement.
55. Separate charges may be incurred and debited to the Account and will be advised to you from time to time. These can be in respect of late payments, returned payments, copy Statements, copy vouchers or operating in excess of your Credit Limit. These charges will be advised to you in writing on the opening of the Account and will be published in our schedule of fees and charges relevant to your Account type for the time being in force. We will ensure that the charges conform to any scale or amounts that may be set under any law, regulation or other order. We may, from time to time, make changes to and/or introduce new fees, charges and interest rates. How and when we will make any such changes is set out in the 'Variation of the Agreement' section.

Interest

56. Interest will not be charged if you pay the full Outstanding Balance shown on your current Statement by the payment due date shown on the Statement and additionally you have paid the full Outstanding Balance shown on your previous Statement by the payment due date shown on that Statement. The interest rate for purchases and cash advances being applied to an Account will be notified to you on the Statement. We calculate interest using the interest rate as at the date of your Statement, and interest is calculated using the average daily balance since the date of your previous Statement.
57. If the full Outstanding Balance shown on your Statement is not repaid by the payment due date shown on your Statement, interest is charged on the full balance from the date the Transaction was debited to the Account, as shown on your Statement, until full repayment is credited to the Account. Interest on Balance Transfer transactions will be charged from the date the transaction was debited to the Account until full repayment is made.
58. Subject to Condition 56 above, interest will be payable on all amounts owing to us on the Account. Interest will accrue on a daily basis at the current rate advised to you (which is a variable rate). Where a demand has been made or judgment sought for amounts you owe to us, interest will continue to accrue. Interest will be charged to the Account monthly. In respect of Transactions, interest will accrue and be charged from the date it is debited to your Account (this appears on your Statement as the posting date) to the date full payment is received and credited to the Account. Where a part payment is made, interest will continue to accrue and be charged on the remaining balance up to and including the date of the next Statement, when the interest for the period will be debited to the Account. If you pay the full balance on your current Statement but have not paid the full balance on your previous Statement you will be charged interest. Interest will be calculated on the amount unpaid on your previous Statement.
59. Payments received will be deducted from the opening balances on the Account in the following order based on the portion of the balance representing:
- interest;
 - fees from previous Statement;
 - cash advances (including cash from a Cash Machine) from previous Statement; and
 - purchases from previous Statements.

The remainder (if any) will be applied to Transactions on the current Statement in the following order:

- fees;
- cash advances;
- purchases and Balance Transfers; and
- any other promotional offers.

Annual Percentage Rate of Charge

60. The annual percentage rate of charge (APR) applied to the Account is designed to measure the total cost of credit to the Cardholder and will be advised to the Cardholder on the opening of the Account.

Any variation in the purchase interest rate will result in a change in the APR. We will only vary the purchase interest rate (and consequently the APR) in accordance with the Variation of the Agreement section.

61. **This Condition is applicable to the AIB 'be' credit card only.**

Additional Administrative Fees means the fees which may be incurred by the Cardholder as set out in Condition 62.

Assessment Period means a period of up to twelve consecutive months during which the performance of the Account is reviewed in accordance with this condition.

We offer new Cardholders an introductory interest rate for the first 12 months after opening the Account.

We also offer regular users who meet certain conditions a lower purchase interest rate. Cardholders whose spending volumes are sufficiently high and who do not incur two or more Additional Administrative Fees during an Assessment Period will be charged the lower purchase interest rate. Other Cardholders will be charged the higher purchase interest rate.

Details of the introductory interest rate, lower purchase interest rate and higher purchase interest rate for the Card are available in the Standard European Consumer Credit Information Form provided prior to Account opening and available on our website www.aib.ie or in branches or by contacting us as set out in the 'Contacting us' section of these Conditions.

The purchase interest rate applying to purchases on an Account will be determined in accordance with the following rules:

New Cardholders

Rule 1: The introductory purchase interest rate will apply for the first 12 months to Accounts of new Cardholders only. At the end of that 12 months the purchase interest rate that will apply will be determined as follows:

(a) If after the first 12 months:

- the total amount of purchases made equals or exceeds EUR5,000 (or such other amount as we may notify Cardholders from time to time), and
- less than two Additional Administrative Fees were incurred during the first 12 months,

the purchase interest rate will change to the lower purchase interest rate.

(b) If the requirements above are not satisfied for the first 12 month period, the purchase interest rate will change to the higher purchase interest rate.

After the first 12 months, a new Assessment Period will commence and the Additional Administrative Fee counter will revert to zero. The Account will then be reviewed on a monthly basis and the rules for determining the purchase interest rate for Existing Cardholders (set out below) will apply.

Existing Cardholders

Rule 2: For the Accounts of existing AIB Cardholders (i.e., all Cardholders other than those entitled to the introductory purchase interest rate) the higher purchase interest rate will apply (unless you satisfy the conditions for the lower purchase interest rate to apply). The Account and the applicable purchase interest rate will be assessed on a monthly basis as follows:

(a) If during an Assessment Period a customer incurs two Additional Administrative Fees before the end of the Assessment Period, the Additional Administrative Fee counter will revert to zero and a new Assessment Period will commence.

The higher purchase interest rate will apply to the Account until the Account qualifies for the lower purchase interest rate in accordance with Rule 2(b).

(b) If for an Assessment Period:

- less than two Additional Administrative Fees were incurred during the Assessment Period; **and**
- the total amount of purchases made in that Assessment Period equals or exceeds EUR5,000 (or such other amount as we may notify Cardholders from time to time),

the Additional Administrative Fee counter will revert to zero, and a new Assessment Period will commence.

The Account will also qualify for the lower purchase interest rate until the end of the next Assessment Period (when it will be assessed again in accordance with this rule 2(b)), or until two Additional Administrative Fees are incurred (when rule 2 (a) will apply), whichever is sooner.

If the requirements for the lower purchase interest rate to apply are not satisfied at any time, then the higher purchase interest rate will apply until the end of the next Assessment Period.

Rule 3: Balance Transfers will be subject to interest charges in the same way as other outstanding balances. The total sum of Balance Transfers must not exceed EUR5,000.

Rule 4: All Balance Transfers, up to a maximum of EUR5,000, will be included in the total amount of purchases during the Assessment Period of the Balance Transfer.

Rule 5: The interest rate for cash advances will be different and will be notified on the Statement.

Amendments made, as a result of the application of the above Rules, to the interest rate for purchases will be notified to the Cardholder on the monthly Statement issued immediately following the effective date of the change.

This Condition is applicable to the AIB 'be' credit card only.

62. Additional Administrative Fees are incurred in the event of:

- a late payment;
- a returned payment; or
- the first time your Outstanding Balance exceeds your Credit Limit in each statement period.

Further details of these additional administrative fees are set out in the Standard European Consumer Credit Information Form provided prior to Account opening and available on our website www.aib.ie or in branches or by contacting us as set out in the 'Contacting us' section of these Conditions.

Issuing Cards (new and replacement)

63. New Cards may be issued by us to you from time to time without the need for further application. Before you use your new Card, we may require you to activate it. If required, we will send you details on how to do this with the Card.

If a Card is reported lost, stolen, misused, or its safety has or may have been compromised we can refuse to issue a new Card if:

- the Cardholder has requested in writing, not less than 30 days before the renewal date on the current Card, that we do not issue any new Card(s); or
- we have decided (in accordance with Condition 66) not to issue a renewal or replacement Card.

Ending the Agreement

64. The Agreement shall continue until ended by either the Cardholder or us. The Cardholder may at any time end the Agreement by giving notice by contacting us, as set out in the 'Contacting us' section of these Conditions, and, paying any Outstanding Balance as well as all outstanding Transactions, fees, charges, all stamp duties and government levies and any accrued but unpaid interest, if not included in the Outstanding Balance at the time the Agreement is ended.

65. We can cancel any Card or end this Agreement on providing you with two months' notice (or shorter notice period if permitted by law).

66. Without any liability to you, we are also entitled to immediately temporarily or permanently block, suspend and/or cancel any Card and/or refuse to issue, renew or replace any Card and/or end this Agreement, if:

- a) you are in breach of this Agreement or any other agreement with us;
- b) you are adjudicated bankrupt under Irish law or we have received notice of a foreign bankruptcy court order having been made against you in another jurisdiction or if you enter into a voluntary arrangement with your creditors or you are subject to a debt resolution mechanism (or similar) under the Personal Insolvency Act 2012 (as amended, repealed or supplemented from time to time) or similar legislation or you are the subject of any other insolvency event/arrangement;
- c) any form of attachment order is made against you;
- d) judgment is obtained against you and remains unpaid for a period of fourteen days from the date of such judgment;
- e) you are no longer, in our opinion, able to manage your financial affairs or are unlikely to be able to pay your debts as they fall due;
- f) you die;
- g) it becomes unlawful for you to continue to have a Card;
- h) we must do so in order to comply with any law, regulation or direction from a relevant authority or court;
- i) you use (or allow someone else to use) your Card and/or Account for any unlawful purpose or if we suspect this to be the case;

- j) you commit or attempt to commit fraud against us or some other person or entity or there is a reasonable suspicion of unauthorised or fraudulent activity on a Card or the Account;
- k) you have failed security checks in a manner that we deem unacceptable;
- l) a Card has become inactive noting we would normally consider a Card inactive if it has not been used for 12 months;
- m) if you fail to make any payment when it falls due;
- n) for any reason this Agreement becomes unenforceable or void;
- o) on a material change relevant to you occurring which is in the opinion of the Bank prejudicial to the Bank's interest; or
- p) any representation, warranty or statement made by you in connection with the Agreement is breached or is or becomes, in our opinion, untrue in any material respect or you provide us with false or misleading information at any time.

Where your Agreement is ended or a Card is cancelled, blocked or suspended in any of the above circumstances, we will endeavour to give you advance notice of such action unless we are prevented from doing so by law or it would not be practicable to do so. If such is the case, we will inform you as soon as possible after.

67. Once the Agreement is ended or a Card is cancelled:
 - a) you must cut all physical Cards in two (through the signature box, magnetic strip and chip) delete or deregister all related Digital Cards; and
 - b) you must cancel any Transaction (whether or not it is a recurring Transaction) due to be made to or from the Account (for example, to utility or insurance companies). If you do not do so, you will be responsible for any amount owing.
68. If this Agreement is ended you will remain liable for all Transactions and must pay in full the Outstanding Balance on the date the Agreement is ended as well as: all outstanding Transactions, fees and charges, all stamp duties and government levies and any accrued but unpaid interest.
69. If there are recurring Transactions on the Account and you do not cancel them with the relevant Merchants, then they may continue to be charged to the Account after the Agreement has ended. You will be responsible for any amount owing as a result of this. You need to contact the Merchant to stop these transactions.
70. We may be required to publish the suspension or cancellation of any Card.
71. If you make, or a notification is made under Condition 19 or 20 or if the Agreement is ended, we may request a Merchant or other person to retain any Card or cancel any Card by cutting it in two (through the signature box, magnetic strip and Chip) and returning it to us. You must still delete or deregister all related Digital Cards.
72. On the death or legal disability of the Cardholder, the Outstanding Balance on the Account and all outstanding Transactions, fees and charges, all stamp duties and government levies and any accrued but unpaid interest will become a liability of the estate of the Cardholder and all physical Cards must be cut in two (through the signature box, magnetic strip and Chip). Any related Digital Cards must be deleted or deregistered. Until all money owed to us is paid, any further interest that accrues and/or fees or charges which are applied will also become a liability of the estate of the Cardholder. If there are recurring Transactions on this Account, they may continue to be applied to the Account and will also become a liability of the estate of the Cardholder. Recurring Transactions need to be cancelled by the estate. This can be done by contacting the Merchant.
73. We may discontinue offering or supporting any Digital Card or stop offering or participating in any Digital Wallet services or facilities. We will do this in accordance with the 'Variation of the Agreement' section of this Agreement, which explains what reasons may cause us to make a change. We will inform you of the change with reasonable notice (though this may not be possible in limited circumstances where the reason for the change is outside of our control).

Assignment

74. We may assign, novate or otherwise transfer all or any of our rights, benefits and/or obligations under the Agreement to any natural or legal person at any time and without notice to you. You shall enter into all documentation specified by us to be necessary or desirable to give effect to such assignment, novation or transfer at our expense.

Refunds

75. If a Merchant initiates a refund, we will only credit the Account with the amount due upon receipt of the refund amount from the Merchant and, unless so credited (but subject to any rights conferred on you by law), the Account will be payable in full. Refunds are not treated as payments made to the Account and therefore will not be reflected in the current amount due for settlement as required under Condition 36. The amount due must be settled in the normal manner and any refund received will be recognised and taken into account in the following Statement.

Third Party Agreements

76. Third parties providing applications or services in connection with the use of your Card(s), Digital Cards and/or Digital Wallet (for example, a mobile phone provider or app provider) may have their own agreements, including in relation to fees which you are subject to in relation to your use of your Card(s), Digital Card and/or Digital Wallet (the "Third Party Agreements"). It is your responsibility to read and understand such Third Party Agreements before you sign up to the relevant application or service and you agree to comply with all such terms and conditions. We shall have no responsibility or liability in respect of any Third Party Agreements nor any other applications or services which are provided by third parties in connection with the use of your Card(s), Digital Cards and/or the Digital Wallet, including any fees or charges which may be levied to you by third parties in connection with your use of their applications or services.

General

77. The documents and records kept by us or on our behalf, whether on paper, microfilm, by electronic recording (even if such electronic records were originally held by us in paper form) or otherwise, may, in the absence of provable or obvious error, be retained, produced and relied on by us as evidence of any facts or events relied upon by us in connection with any matter or dealing in relation to the Account.
78. We may provide you with, and we may keep a record of, documents which form part of this Agreement in either electronic or paper form. When you apply for your Card through our online banking services, you agree that electronic signatures may be used by us and you to confirm acceptance of documents which form part of this Agreement.
79. We are not obliged to grant or continue any additional facility or benefit made available to you which is not specified in the Agreement.
80. We may record or monitor phone calls between you and us so that we can check instructions and make sure that we are meeting our service standards and to ensure the security of our business, and that of our customers and staff.
81. We will access, process and retain personal information about you, your Card and any payment instruction we receive in respect of your Card, in order to provide our services.

Variation of the Agreement

82. Your Agreement with us is for an indefinite period and may last a long time. We may need to change the terms of the Agreement from time to time. In this Condition we set out various reasons why we may make changes. However, we can make changes for other reasons which are not set out in this Condition if these are reasonable.

We can make changes to the Agreement if we have a valid reason. Such changes include:

- a) Changes to interest rates, by increasing or decreasing our rates, or introducing new interest rates;
- b) Changes to fees and charges. These include removing fees and charges, or adding new fees and charges;
- c) Changes to other terms of this Agreement. This includes changes to any additional benefits.

The table below explains what valid reasons may cause us to make a change, and what we can change in the Agreement as a result.

Reason for the change	We can change		
	Interest rate	Fees and charges	Other terms
Changes to our cost of funds, and changes in our operational costs including staff, administration and infrastructure costs	✓	✓	✓
Changes in the costs charged to us by other providers for providing services relating to the Account including a change we reasonably expect will happen	✓	✓	✓
Changes in the amount or type of "capital" we have to hold, including a change we reasonably expect will happen. "Capital" refers to the amount we have to hold in reserve, to comply with legal and regulatory requirements	✓	✓	✓
Changes in how we assess our risk in lending to you	✓	✓	✓
Changes in our technology, systems and/or processes, or the costs we incur in maintaining or updating these including a change we reasonably expect will happen	✓	✓	✓
We reasonably believe we should change the way we charge for our products and services, for example to make them more straightforward, or to reflect how our customers use products and services	✓	✓	✓
A change in an existing service	✓	✓	✓
Introducing a new service, or a new way for you to bank with us (including where we will charge for this)	✓	✓	✓
Withdrawing a service, or changing its features (for example, if we withdraw or change the card we give you, or we stop your card from being stored in an electronic wallet)	✓	✓	✓
Moving you to a different account because you are no longer eligible for your existing Account, or we are withdrawing the Account	✓	✓	✓
Changes in laws, regulations, any codes or other duties that are binding on us including a change we reasonably expect will happen	✓	✓	✓

Instructions from a court, ombudsman, regulator, government agency or law enforcement agency	✓	✓	✓
Changes in our organisation, our business model, or how we do business	✓	✓	✓

Reason for the change	We can change		
	Interest rate	Fees and charges	Other terms
Changes in the market (e.g., as a result of new entrants, actions by our competitors or changing customer preferences) and the general economic climate, which mean we need to make changes to make sure our business is run effectively, efficiently and prudently	✓	✓	✓
A change which we reasonably believe is for your benefit	✓	✓	✓
To make the Agreement fairer, or correct any errors or clarify anything we have said	✓	✓	✓

Please remember that we can make changes for any other valid reasons which are not set out in this section, provided we give you reasonable notice and you are free to cancel your Card(s) and end this Agreement.

When we make changes to this Agreement

- 83.** Unless there are circumstances where we may give you shorter notice (please see under the 'Are there any exceptions?' heading below for examples), or law or regulations requires us to give you more notice, we will usually tell you about a change to this Agreement at least two months in advance of the change.
- 84.** If you don't want to accept the change, you can cancel your Card and end this Agreement before the change happens. You can do this by contacting us as set out in the 'Contacting us' section of these Conditions. If you do so, you will not be charged any extra fees, charges or interest for cancelling your Card. However, you will need to pay all sums outstanding in connection with your Card and/or the Account. This includes the amount of any fees, charges or government duty that you already owe and any accrued interest, which has not yet been added to the Account. Please see the 'Ending the Agreement' section of these Conditions for more information on how to cancel the Card(s) and end this Agreement. If you do not cancel your Card and complete all other necessary steps to end this Agreement before the date on which the change comes into effect, the change will apply to you.
- 85.** Unless we are required by law or regulation to tell you about any change to this Agreement in a particular way, we will notify you by any means available to us at the time (for example, by post, email, text message, through our online banking services, on our website, or by notice published in a national daily newspaper or displayed in one of our branches).

Are there any exceptions?

- 86.** There are certain circumstances where we may give you shorter notice than outlined above, or where we will not tell you about changes, or we will tell you about the changes after we make them. We will only do this if we have a valid reason. Examples of valid reasons are:
- the change is in your favour (for example, if we reduce fees and charges on your Card);
 - the change is required under law or regulation by a particular date, and there isn't time to give you notice;
 - the change is to introduce a new product or service that you can use in relation to your Card;
 - the change has no impact on the operation of your Card or your Account (for example, we make a change to a term we use to describe something in this Agreement); or
 - the change relates to certain benefits that may apply to your Card. In this case, these benefits will generally have their own terms and conditions and be subject to certain eligibility criteria. Subject to the remainder of this Condition, we will normally only change or withdraw a benefit that may apply to your Card or your Account with shorter notice, or without notice, if you have not availed of the benefit and accepted any applicable terms and conditions.

If you have availed of a benefit on your Card or the Account and we are changing or withdrawing it, we will try to give you prior notice of this in accordance with the 'When we make changes to this Agreement' section.

However, if the benefit that is changing or being withdrawn is supported by a third party that ceases to support us in providing these benefits sooner than two months, we will inform you as soon as we became aware that we can no longer provide the benefits to you.

Details of these benefits are not included in this Agreement and more information about them is available on our website www.aib.ie

On receiving such notification and if you're not happy to accept the change, the Cardholder may end the Agreement and cancel the Card(s) in accordance with Condition 84.

Waiver

87. If we do not enforce any Condition of this Agreement, or we delay in enforcing it, this will not prevent us from enforcing the Condition retrospectively at a later date and will not constitute a waiver of that Condition.

Liability

88. We take our responsibilities very seriously and are committed to satisfying our obligations to you. We will usually be responsible to you if you suffer loss because we have not done what we said we would do under this Agreement. However, our responsibilities are not absolute, and we will not be in breach of this Agreement if we do not provide the services considered by this Agreement, or if there is an interruption to the provision of the services, as a result of:
- a) you do not comply with this Agreement, any other agreement with us or any Third Party Agreement which relates to your Account;
 - b) any act or omission of any third party including where any third party (other than a third party appointed by us) refuses to accept, or delays the acceptance of a Card, PIN or Security Details
 - c) we do not act on instructions from you or a person authorised to act on your behalf where we reasonably suspect any fraudulent or improper activity on your part or on the part of any third party;
 - d) where you have acted fraudulently or with gross negligence;
 - e) if any of the details you gave us were wrong or insufficient;
 - f) unforeseeable or unavoidable circumstances beyond our reasonable control, which meant despite our reasonable efforts we couldn't follow this Agreement. Examples of such circumstances include: acts of God, fire, acts of government, war, civil commotion, insurrection, embargo, epidemic or pandemic, break-downs in infrastructure or equipment (such as technology, software, telecommunication or energy systems and equipment), failure of any payment, settlement, clearance system or Safeguard System, or other third party systems that we rely on to provide our banking services, labour disputes, or the acts or omissions of any other third party;
 - g) us complying with any law, regulation, code or other duty which is binding on us, or us complying with the instructions of a court, ombudsman, regulator or law enforcement agency;
 - h) if we must close, block or suspend your Card and/or Account for any of the reasons set out in this Agreement (including those set out in the 'Ending the Agreement' section of these Conditions); and/or
 - i) us offering and you availing of any service to block or limit certain Transactions (for example, a block or limit on gambling transactions), and it was not possible for us to recognise that a particular Transaction was the type you requested to be blocked or limited.
89. We shall not be in breach of this Agreement due to the failure of third party providers of additional facilities and benefits to perform their duties and obligations (other than third parties appointed by us).

90. Nothing in this section will stop us being responsible for your loss, if:

- a) we act fraudulently, with negligence or such loss is a result of our wilful misconduct; or
- b) law or regulation does not allow us to exclude or limit liability.

Your responsibility to us

91. It is important that you are aware that you also have responsibilities. By using your Card, you agree that:

- a) you will comply with your obligations under this Agreement;
- b) you, as the Cardholder, are liable to pay all amounts owing on the Card or your Account, even if you do not comply with the terms of this Agreement or your Card or Account is closed or suspended.

No breach for refusal or for goods or services

92. We will not be in breach of this Agreement if we do not provide the services considered by this Agreement, or if there is an interruption to the provision of the services due to any person, supplier, Merchant or third party (other than a third party appointed by us) refusing to accept or honour, or delaying the acceptance or honouring of any Card, PIN or Security Details, or any other code allotted to you by us and/or subsequently chosen by you, or due to the way in which any such refusal or delay is communicated to you or is otherwise published.
93. We accept no responsibility in connection with any goods and/or services paid for by a Card.

Severance

94. Consumer Rights

95. Nothing in this Agreement shall affect your statutory rights under applicable consumer rights law, consumer credit law or any regulations made in connection with these laws. In particular, nothing in this Agreement is intended to exclude or restrict any legal obligations we have to you under Part 4 of the Consumer Rights Act 2022. In the event of any conflict between this Agreement and such rights, your statutory rights shall prevail.

Governing Law and Jurisdiction

96. Subject to the rest of this 'Governing law and jurisdiction' section, this Agreement and any obligations arising out of or in connection with it are governed by the laws of Ireland. Any dispute about or in connection with this Agreement will be dealt with by the courts of Ireland. As you are a consumer, the jurisdiction of the Irish courts will be non-exclusive in relation to any dispute or claim arising out of or in connection with this Agreement, and nothing in this 'Governing law and Jurisdiction' section will affect your right to defend proceedings or take proceedings to enforce your consumer protection rights in Ireland or in the country in which you live.

This Condition still allows us to take proceedings before any other court in a different jurisdiction where we are permitted to do so under applicable law.

1. Introducing a new way to send payments

We're introducing outgoing instant payments, this means a euro payment from your payment account to another payment account can transfer within 10 seconds. From 25 August 2025, we'll start to roll out the ability to send instant payments from your account. We will let you know when these become available through our online services and on our website. There are a few exceptions to this such as times when the system is undergoing maintenance.

Changes common to all accounts and services listed above in 'Account and Services' table:

We've updated the definition for "Instant Credit Transfer" to allow for outgoing instant payments. In the definition for "Business Day", we've clarified that public holidays include bank holidays.

These definitions also apply to changes made to our "Schedule of International Transaction Charges".

Changes that only apply to Current, Demand Deposit and Masterplan Accounts:

In the 'Making and receiving payments' section, we've:

- clarified that an Instant Credit Transfer from your payment account can be processed on any Calendar Day and that you can set a personal payment limit.
- updated Table 1 'Incoming payments (excluding incoming Instant Credit Transfers)' to clarify when funds are available to use and when value is determined for interest purposes.
- updated Table 2 'Incoming Instant Transfers' to clarify where you can see further details of the value determined for interest purposes, the availability of service and the maximum balance.
- created a new table 'Outgoing Instant Credit Transfers' (table 3) which highlights changes to "Outgoing Instant Credit Transfers". We've summarised this table below:

Table 3: Outgoing Instant Credit Transfers

Type of Payment: What type of payments are covered?	<p>Transfers from your account in euro, which we can pay immediately on any day.</p> <p>The account you are paying must be within the Single Euro Payments Area (SEPA). The list of countries in SEPA is available on our website www.aib.ie</p>
Value determined for interest purposes: When do we value your payment for interest purposes?	<p>The day you send money. If that day is not a business day, we may use the next business day or the previous one. For more information, please see your account statement or your payment log on our mobile and online banking services.</p>
Limits: What are the payment limits?	<p>There are limits to the amounts you can send. See our website www.aib.ie/ways-to-bank/transaction-limit-information for more information on limits.</p> <p>You can set a SEPA instant payment limit that you can pay on your account. We also have limits in place on our payment services. Your personal limit may not exceed other limits set by us.</p> <p>For Standing Orders and future dated payments, that are outgoing instant payments, your limit applies on the day we receive the payment instruction not on the day we make your payment.</p> <p>For bulk payment files that are outgoing instant payments, your limit is checked on the day we receive the payment instruction and applied for the day we make your payments.</p> <p>We will check that you have enough money in your account on the day we make your payment(s).</p>
Receipt of payment instruction also known as payment order: Setting up an Instant Credit Transfer.	<p>You can send an outgoing payment using our online banking services, including through certain third parties.</p> <p>You can also set one up by filling in a payment form in any of our branches where we provide that service.</p>
Cut-off times:	<p>There are no cut off times for payments in online banking. That means you can set up a payment on any day and it will go through that day.</p> <p>There are cut off times for payments in branches and lobbies.</p> <p>You can find our branch opening hours on our website www.aib.ie or by asking us over the phone or in any branch.</p>
Information requirements: The information you need to give us for a payment.	<p>You need to include an IBAN, amount, and the recipient's name, we will tell you if any further details are needed when you give us the instruction.</p>

Refusal of orders: We can refuse to make your payment.	We may not be able to make a payment instruction if the bank of the recipient does not use the SEPA Instant Credit Transfer scheme and for any other refusal right of ours as set out in the terms and conditions.
Cancellation of payment instruction:	You can't cancel or change an outgoing instant payment once we've started to process it.
Notifications:	Where applicable we will tell you as to the success or failure of an outgoing instant payment. Please visit our web page www.aib.ie/terms-and-conditions-updates/q-and-a for more information. We will also tell you the reason for rejecting any payment instruction (for example, the payment service provider of the recipient cannot accept the payment). If a payment instruction is rejected, consider completing a new payment instruction.
Availability:	Temporary restrictions and interruptions in service are possible, during which it may not be possible to make an instant payment from your account. If these periods are due to our planned maintenance, we will tell you.

We've made changes under the heading 'Payments initiated through third parties' to advise you that where you make payments through a third party provider the terms and conditions of the relevant online banking service will apply.

We've made more changes under the heading of 'Standing Orders' and 'Future Dated Payments' to clarify payment limits, updates to the scheduling of standing orders and that standing orders and/or payments may be delayed or cancelled due to fraud. For standing orders that are outgoing instant payments, if there is not enough money in your account, we will not attempt to make the payment until the next due date.

We've made additional changes to the table under the heading 'When will the payment reach the recipient's financial service provider', to clarify where we accept a payment instruction, we will ensure that the bank of the recipient you are paying is paid within the timeframes. We've also updated the table to say:

- that outgoing euro payments to any EEA country can be made on any day and the payment will be received by the payee as soon as the payment is processed.
- to clarify when outgoing payments are excluded and how long the payment will take to reach the bank of the recipient you are paying when transferred in euro to any EEA country.

Where you want to make a payment by a particular time, and cut-off times apply, you should allow for additional time to make sure the recipient's financial services provider processes the payment on time.

We've also made updates to 'Bulk Payment Files' regarding Payment File Services including multiple payments, payment orders, timelines and limits. Please see our website www.aib.ie/terms-and-conditions-updates for more information.

Under the heading 'Payments made in error', we've added that we'll not be in breach of our obligations and will not restore your Account if we make a payment authorised by you that contained incorrect account details given to us by you.

Under the heading 'Incorrectly executed, late and non-executed payments', we've added that if you send an instant payment, and we don't receive confirmation that the payment has been received, we'll usually restore your Account as soon as possible. However, if the instant payment subsequently reaches the recipient's financial services provider, we'll make any adjustment necessary on your Account.

Changes that apply to AIB Kiosk Banking and AIB Phone and Internet Banking:

Defined terms used in your Kiosk Banking terms and conditions and Phone and Internet Banking terms and conditions have the same meaning as defined in your Account Conditions, unless a different meaning is needed because of how the word is used.

We've updated Kiosk Banking terms and conditions 'Use of AIB Kiosk Banking' and the Phone and Internet Banking terms and conditions 'Interpretation' to let you know that if there is a conflict or inconsistency between those Conditions and the Account Conditions, we will apply the Account Conditions.

We've also updated 'Payments from your Account' section to say that for further information on Instant Credit Transfers and Verification of Payee, please see your Account Conditions.

Changes that apply to Internet Business Banking (iBB):

We've added a clarification to the definitions section that defined terms used in your Internet Business Banking terms and conditions have the same meaning as defined in your Account Conditions, unless a different meaning is needed because of how the word is used.

We've updated the heading 'This agreement' to let you know that if there is a conflict or inconsistency between these Conditions and the Account Conditions for Instant Credit Transfers and Verification of Payee, we will apply the Account Conditions.

We've also made updates to 'Payments from your account' to clarify limits and included any information required for Verification of Payee.

Under the heading 'Our liability to you' we clarified the meaning of third party and included an update to outline the circumstances of any delay by us in advising you, and/or crediting your Account if an instruction is not successfully processed by a third party.

Schedule of International Transaction Charges brochure:

There are no new fees or charges for SEPA Instant Credit Transfers.

2. Make paying someone from your Account more secure (called Verification of Payee)

As part of the SEPA Instant Credit Transfer Regulation, we're introducing a new check called "Verification of Payee" from 5 October 2025 for existing SEPA payments and new instant payments. This is to help you protect your money and avoid being scammed or paying the wrong account. Verification of Payee will check the name of the account you're paying with the receiving bank to see if it matches the name you gave us. You can then decide if you still want to go ahead with the payment. We'll also perform the Verification of Payee check when you add or amend a payee's details.

Changes that apply to the accounts and services in the 'Accounts and Services' table:

We've added a new definition for "Verification of Payee". We've updated our terms and conditions and included a new heading 'Verification of Payee' to include information about outgoing euro payments.

Here is a summary:

- We will check the name of who you are paying and share the results with you before you make the payment.
- This check will confirm if the name of who you are paying matches the name associated with the IBAN held by their bank.
- You must review the results of the check and only go ahead with the payment when you're sure you're paying the correct person or business.
- If you decide to go ahead with a payment when the check shows the recipient's name is incorrect or cannot be checked, we may not be responsible for any loss.
- If the results of the check are subsequently found to be incorrect, please contact us. In those circumstances, we will usually restore your account as soon as possible.
- For paper-based payment requests, we will perform the check at the time of receipt of the request provided you are present. We won't perform the check for paper-based requests if you're not present, or if you have asked a third party to make the payment request on your behalf. For further information please see our website www.aib.ie/terms-and-conditions-updates

- Business customers making bulk payments will have the choice to check who they are paying. The check will always be performed for single payments made by business customers.
- For incoming payments to your account, we must also help the payer verify your name and may share information about the name on your account with them and their bank.
- This check may not be used for any purposes other than confirming information in relation to these payments.

We've also made updates to 'Keeping your Account safe and secure' and 'Making and receiving payments' in our Current, Demand Deposit and Masterplan Accounts terms and conditions for more information about payments made in error and incorrectly executed, late and non-executed payments.

For further information on Verification of Payee please see our website www.aib.ie/terms-and-conditions-updates
