How to make a claim

You need to:

1. Check that the cause of the loss or damage is covered. The schedule contains details of what you are covered for and the policy booklet shows what is covered under each section. Please see page 8 for how we settle claims.
2. Follow the conditions on pages 12-14 of this policy booklet.
3. Advise the company by calling 1850 63 53 43 immediately.
4. Obtain estimates as soon as possible for repairing the damage. Any temporary repairs necessary to make your private residence weatherproof (if for example the roof has been damaged) can be started immediately, but please keep the receipts/invoices as the cost may well form part of your claim. However we should be given an opportunity to inspect the damage before permanent repairs are started.
5. If someone is holding you responsible for damage to their property or for bodily injury to them, it is critical that you:
 - a) Call us immediately on 1850 63 53 43 and provide full details in writing as soon as possible.
 - b) Send us any writ or summons or other legal documents served on you or any member of your family as soon as they arrive.

We will, where necessary, arrange for someone to call as soon as possible. This person will be one of our own claims staff or an independent chartered loss adjuster who we appoint to discuss your claim. With any other claims, we'll let you know what you need to tell us, but inform us immediately.

No-claims discount

For no-claims discount purposes a period of insurance is one continuous year between the beginning of the policy and the following renewal date or between consecutive renewal dates.

If you have consecutive periods of insurance with us without an incident giving rise to a claim your premium at the following renewal will be reduced in line with our discount scale that applies at the renewal date. We will give you details if you need them.

If during a period of insurance incidents happen giving rise to claims under the policy the no-claims discount will be reduced to 0%.

In circumstances where we may agree to the transfer of interest on a policy it is important to note that any no claims discount earned will not be transferred.

We may change these scales at any renewal date

How we settle claims

We will at our option pay either:

- a) The cost of rebuilding or replacement or
- b) The cost of repair or restoration.

In each case to a condition equivalent or substantially the same but not better or more extensive than its condition when new.

If the sum insured on buildings at the time of the insured loss or damage is less than the cost of rebuilding as new then you shall be considered as being your own insurer for the difference and we will pay only that proportion of the loss or damage which the sum insured bears to such cost.

If it is necessary to make a deduction for wear and tear then the cost of rebuilding as new less the allowance for wear and tear will be compared with your actual sum insured. You will only be paid that proportion of the loss or damage which your sum insured bears to the cost of rebuilding.

Other insurance policies

If any loss or damage is covered by any other insurance we will not pay more than our rateable proportion.
