

SELF-CERTIFIED COSTINGS FOR TOP-UP MORTGAGES

- *Note: This document is only for Home Improvement Top-up Mortgage applications for works that do not require planning permission and where the loan amount is €75,000 or less.*
- To help us make a faster decision about your Top-up Mortgage application please provide details of the work you plan to carry out, the total expected cost and the mortgage loan amount sought.
- Please ensure you have considered all the works you intend to carry out on your home. Should you require additional funding after the loan is approved and the Letter of Offer issued, then a new application is required which will be subject to our standard assessment policy.
- If you have any questions on this form your mortgage advisor will be happy to help.
