Who can open a Sterling Current Account?

A Sterling Current Account may be opened by both business (resident, trading and incorporated in Ireland) and personal customers (resident in Ireland) subject to our terms and conditions.

A Sterling Current Account should be opened when an individual or business has income and expenditure in Sterling and they require access to the payment and clearing systems in the United Kingdom.

What are the benefits of opening a Sterling Current Account?

- Income earned in Sterling can be utilised for expenditure in the same currency.
- Sterling Current Accounts can help to protect you against adverse exchange rate movements.
- Support Sterling overdraft facilities – Business Customers only (subject to credit approval).

How do I open a Sterling Current Account?

What are the Fees and Charges applicable to my Sterling Current Account?

The transaction charges for a Sterling Current Account NSC 23-85-90 are outlined in the schedule of transaction fees and charges detailed on pages 3 & 4 of this booklet for business customers and on pages 4 & 5 for personal customers. Charges denominated in euro will be levied in the sterling equivalent to the Sterling Current Account.

How can I reduce overdraft borrowing (business customers only) and transaction fee charges on a Sterling Current Account?

You can avoid incurring surcharge interest and unpaid item charges by ensuring that your Account operates in credit, or within your sanctioned overdraft limit, if any.

If you need an overdraft or an increase on your agreed existing overdraft limit, you should contact your AIB branch or Relationship Manager in advance to discuss and agree (in writing) the appropriate arrangements on your Account to reflect your requirements. The granting of such facilities may incur a facility fee. Overdraft facilities are available to business customers only.

For regular payments you may have to make, you may consider automated transactions such as standing orders or direct debits as opposed to writing cheques.

Cheque books provided should only be used for the settlement of transactions in the United Kingdom. Cheques presented in other countries may incur additional collection costs.

Who do I contact should I have a query on my Sterling Current Account?

- 3.9 You must take all reasonable care that cheque books issued in connection with your Account are not misused, lost or stolen.
- 3.10 Any cheque books issued in connection with your Account will at all times remain our property and must be returned on demand. Cheques drawn on your Account will at all times remain our property.
- 3.11 If any cheque book issued in connection with your Account is lost or stolen, you must immediately tell us as soon as you become aware of the loss.
- 3.12 You may authorise any third party to operate your Account in accordance with our procedures.
- 3.13 If an incorrect amount is debited or credited to your Account we may make any necessary correcting entry on your Account without the need for your approval.
- 3.14 If at any time you suspect that your Account has been subject to any fraudulent, unauthorised or other improper use you should without undue delay inform our Customer Service Unit who may request written confirmation.
- 3.15 If we believe that the security of your Account has been compromised or fraudulent activity may be occurring on your Account we will contact you as soon as possible in writing or over the phone. Please note that we will never request your personal banking details (for example account numbers, PIN and/or other login details) via letter or email. If we contact you by phone we may need to identify you. We'll do this by asking for certain information known only to you. However, we will never ask you to make payments from your Account to any other account or ask you to provide your Security Details.

4. Lodgements

- 4.1 We will generally accept for the credit of your Account all Collectible Items, Electronic Payments and other items payable to you. However we reserve the right to refuse to accept a lodgement to your Account. We may decide at our discretion to send items for collection on your behalf. Instead of accepting a Collectible Item for immediate lodgement to your Account we may agree to collect payment of it by hand or by post in which case the amount of such item will not be lodged to your Account unless and until we have received payment for it.
- 4.2 Collectible Items marked 'account payee' may only be accepted for credit of the account of the payee.
- 4.3 We may accept Collectible Items payable to third parties as lodgements to your Account at our absolute discretion.
- 4.4 We do not allow direct cash lodgements (in any currency) for credit of your Account.
- 4.5 We may reverse any credit made to your Account if the item so credited is not paid or is recalled by the paying bank (including when we are the paying bank) or is returned by us due to mistake, fraud or the operation of any applicable clearing rules.
- 4.6 If we receive a request to refund a payment which we are told has been credited to your Account by mistake, we will contact you before authorising the refund. We are required to co-operate with the Payer's Payment service provider in these circumstances, which could include providing them with relevant information about you as the Payee, where they make a written request to us for information to enable the Payer to pursue you, as Payee, for recovery of the payment.
- 4.7 When we check your lodgements we will verify the amount actually contained therein. If this amount differs from the amount indicated by you, we will inform you of any discrepancy. The amount we find actually contained in the lodgement will be conclusive.
- 4.8 A lodgement will be processed to your Account with effect from the date of receipt of the lodgement at Currency Account Services. Until we process the items comprised in your lodgement they are held by us at your risk.
- 4.9 We will ensure that all funds received for value and accepted for your Account prior to the applicable Cut-off time on a Business Day are credited to your Account and will begin to accrue interest and will be made available to you from the date of receipt of funds by us. Funds received after the applicable Cut-off will be deemed to have been received by us on the next Business Day. The applicable Cut-off times are specified in the Payment Services section of our brochure 'A Guide to Sterling Current Accounts' available through our Customer Service Unit or on our Website.
- 4.10 In respect of a company customer, notwithstanding the convening of a meeting to consider a resolution for the winding up of the company, the Bank may continue to accept lodgements to an account in reduction of any debit balance or the debt of the company until such time as a liquidator is appointed.

6. The application of foreign exchange rates to transactions

- 6.1 Any Account Transfer FX or Third party Transfer FX from your Account to a Payee's account in a currency other than Sterling, will require a currency conversion using a foreign exchange rate.
- 6.2 If you wish to effect an Account Transfer FX or Third party Transfer FX transaction that requires a currency conversion into euro, the exchange rate used for such transactions against the euro will be:
- 6.2.1 for amounts up to and including our Standard exchange rate threshold value, our applicable Standard exchange rate against the euro on the Business Day on which the instruction is deemed to have been received by us; and
- 6.2.2 for amounts over our Standard exchange rate threshold value, an exchange rate negotiated with you on the Business Day on which the instruction is deemed to have been received by us. In the case of amounts up to and including our Standard exchange rate threshold value we reserve the right to process payments, deemed (in accordance with Condition 7.1.1 of these Conditions) to have been received on the Business Day following actual receipt, on the actual Business Day of receipt and to apply the Standard exchange rate applying on the actual Business Day of receipt to the payment. Standard exchange rates used for converting payment transactions in foreign currency against the euro are available to view on our Website any Business Day or upon request from the Customer Service Unit. In addition, Standard exchange rates against the euro applicable to currency payments submitted online are available through the relevant online Channel. These variable exchange rates are subject to change at any time.
- 6.3 Any transaction in respect of conversions of an Account Transfer FX and Third party Transfer FX between a foreign currency (excluding euro) and Sterling can be calculated as follows:
Determine AIB's standard outgoing payment exchange rate against the euro for the currency you are paying away.
Determine AIB's standard incoming payment exchange rate for Sterling against the euro. Divide the numerically larger exchange rate by the numerically smaller exchange rate to calculate the actual currency exchange rate.
- 6.4 Negotiated exchange rates are normally agreed on the Business Day on which a payment is deemed to have been received by us. In cases where a negotiated rate has been agreed in advance of the delivery of a payment instruction to us, you must provide the details of the rate and reference. In the case of an Account Transfer FX or Third Party Transfer FX this should be quoted on the paper application form. For Account Transfer FX or Third Party Transfer FX payments submitted to the bank electronically please refer to our relevant Channel terms and conditions.

Warning: Any pre-agreed exchange rate is a legally binding agreement with you to complete the respective foreign exchange payment transaction. If you need to cancel an agreed rate you should advise us immediately. You may be Liable for any losses incurred by us due to your failure to utilise the agreed exchange rate and we reserve the right to charge your Account with the costs in those circumstances.

- 6.5 Our Standard exchange rate threshold is subject to change from time to time. The current threshold value is available from our Customer Service Unit and on our Website.

7. Time periods for payments and lodgements

- 7.1 Our ability to execute a payment instruction within the applicable maximum execution time is dependent on our receiving the relevant instruction before the applicable Cut-off time. Applicable Cut-Off times are as follows:
- 7.1.1 The Cut-off times for receipt of instructions are specified on our paper payment application forms, this brochure under Payments Services section and for payments initiated electronically are available from the relevant Channels. Payment instructions received after these Cut-off times will be deemed to have been received on the next Business Day although we reserve the right to process instructions for payments received after the applicable Cut-off time on the actual day of receipt.
 - 7.1.2 Applicable Cut-off times for incoming payments are available from our Customer Service Unit or from our Website.
 - 7.1.3 In the case of a new Standing Order instruction we must receive and accept your written instructions at least four Business Days prior to the due date of the first payment.
- 7.2 We will ensure that each payment (other than Collectible Items) in Sterling to an account within the UK ('UK Payment') that you instruct us (in a manner which is in compliance with the applicable procedures) to make and which we accept for execution is credited to the account of the Payee's bank within the following timeframes:
- 7.2.1 for all UK Interbank payments, Account Transfers FX, Third Party Transfers FX and Standing Orders a minimum of same Business Day and a maximum of next Business Day. These timeframes may be extended by one Business Day where the payment is not initiated electronically.

8. Our liability to you

Liability generally

- 8.1 To the extent permitted by law and except as otherwise set out in these Conditions we shall only be Liable to you for delay, mistake or omission on that part or that of our agent(s) in carrying out your payment instructions for an amount up to and including face value of your instruction together with any related interest and charges. We shall not be Liable to you for any other claims, demands, losses, cost, liability or expenses (including legal costs). For the avoidance of doubt we shall not be Liable to you for any indirect, consequential, special or economic loss or damage as a result of any delay, mistake or omission on our part or that of our agent(s) in carrying out your payment instruction. This clause does not affect your rights under the Payment Services Regulations 2017, or any other law, relating to unauthorised transactions or incorrectly executed transactions (for example, instructions not followed correctly or transactions not carried out properly).
- 8.2 We may use any intermediary or agent bank and clearing and settlement system of our choice to execute any payment. The routing and channel(s) used by us is entirely at our discretion. If we provide you with services which are not covered by the Payment Services Regulations 2017 (including, but not limited to, cheques and other paper transactions) we will not be responsible for any delay or failure caused by any intermediary or agent bank or any clearing or settlement system.
- 8.3 We are not Liable for any loss or damage arising from any refusal to carry out any instruction for a payment from your Account where we are entitled to do so in accordance with these Conditions or by law, or for any loss or damage you may suffer as a result of the way in which any such refusal is communicated to you or to others.
- 8.4 We will not be Liable if, despite all our efforts, we are prevented (directly or indirectly) from meeting any of our responsibilities under these terms and conditions because of:
- 1. A fault which has happened in any system used to carry out a transaction;
 - 2. An industrial dispute (for example, a strike);
 - 3. Anything outside our or our agents' or subcontractors' control.

Unauthorised payments

- 8.5 If a payment has been made from your Account incorrectly or without your authority, you must tell us as soon as possible. If we fail to make a payment correctly or a payment is made without your authority and you are eligible for a refund we will, as soon as possible, put your Account back to the position it would have been in had we made the payment correctly. We will also refund any charges you have had to pay and any interest we have charged as part of the incorrect payment. Unless stated otherwise, the provisions of this Condition do not apply to payments made by cheque. However, this Condition 8.5 only applies where:
- 8.5.1 you are a Consumer or a Micro-Enterprise and where the payer's bank and the Payee's bank are both located in the EEA and the payment in question was in Sterling, euro or the currency of a member state of the EEA outside the euro area.
 - 8.5.2 If the unauthorised payment resulted from the loss or theft of any security device or procedures or your failure to keep personalised security features safe you will be Liable for the first £35 of loss suffered by you. Details of the relevant security features and their terms of use are detailed in the relevant terms and conditions applicable to each of our Channels.

- 8.6 We will have no liability for any loss suffered by you where you:
- have acted fraudulently;
 - have intentionally, or because of your Gross negligence, not used or failed to keep safe any security device or procedure in accordance with the terms and conditions applicable to it; and/or
 - have intentionally, or because of your Gross negligence, failed to notify us of the loss, theft or misappropriation of any security device or procedure without undue delay.
- 8.7 You will only be entitled to a refund for an incorrectly executed or unauthorised payment if you tell us about the transaction as soon as possible and, in any case, no later than 13 months after the date the payment was taken from your Account. Different timeframes for notification apply to Direct Debits covered by the Direct Debit Guarantee Scheme which are protected indefinitely.
- 8.8 If you dispute a transaction made on your Account and we refund this transaction, you must pay us back any refund you have claimed and we have the right to take this money from your Account if following our investigations, we find that you:
- Agreed the transaction;
 - Have acted fraudulently or with Gross Negligence;
 - Do not tell us about the claim in line with your terms and conditions; or
 - Do not give us any information we ask for about your claim.

Refund of Unauthorised Direct Debits

- 8.9 If a payment has been made from your Account incorrectly, you must tell us as soon as possible. If we fail to make a payment correctly and you are eligible for a refund we will, as soon as possible, put your Account back to the position it would have been in had we made the payment correctly. We will also refund any charges you have had to pay and any interest we have charged as part of the incorrect payment. Unless stated otherwise, the provisions of this Condition do not apply to payments made by cheque. However, this Condition 8.9 only applies:
- 8.9.1 where you are a Consumer or a Micro-Enterprise and where the Payer's bank and the Payee's bank are both located in the EEA and the payment in question was or was to have been in Sterling, euro or the currency of a member state of the EEA outside the euro area.
 - 8.9.2 where you provided us with the correct Unique Identifiers for the payment in question.
 - 8.9.3 have intentionally, or because of your Gross negligence, failed to notify us of the loss, theft or misappropriation of any security device or procedure without undue delay.
- 8.10 You will only be entitled to a refund for an incorrectly executed payment if you tell us about the transaction as soon as possible and, in any case, no later than 13 months after the date the payment was taken from your Account. Different timeframes for notification apply to Direct Debits covered by the Direct Debit Guarantee Scheme which are protected indefinitely.
- 8.11 where none of the events detailed in Condition 8.4 prevented us from making the payment.
- 8.12 We shall have no liability to you under this Condition where we can prove to you and, where relevant, the Payee's bank, that the payment was received by the Payee's bank within the applicable timeframe.
- 8.13 When we are Liable under this Condition we will refund to you, without undue delay, the amount of the non-executed or incorrectly executed payments that we have debited to your Account. Furthermore, where applicable we shall restore your Account to the position it would have been in had the non-executed or incorrectly executed payment not taken place.
- 8.14 Regardless of the issue of liability, where you notify us of an incorrectly executed payment we will make immediate efforts to trace the whereabouts of the defective payment and inform you of the results of such efforts. We reserve the right to debit your Account with our charges, or any fees levied or sought from us by any other banks involved in investigating the payment. If you provide information as well as the payment details we ask for, we will only be responsible for making the payment in line with the payment details we asked for.
- If as a result of our investigation we establish that the payment was correctly executed, we reserve the right to debit your Account with our charges or any fees levied or sought from us by any other banks involved in investigating the payment.
- 8.15 If we are unable to recover the payment you may write to us to request from us any relevant information we may have available in relation to the Payee in order for you to pursue recovery of the funds directly from the Payee.
- 8.16 You are not entitled to a refund from us if you have selected a Payee in error from your trusted beneficiaries list through the internet banking services we make available to you and the Payee's Payment service provider receives the funds. If that happens, you must ask the Payee directly to return the payment to you. We will, however, make immediate efforts to trace the payment and give you notice of whether this has been successful.
- 8.17 For the avoidance of doubt, we will be Liable to you as Payee or Payer for any charges for which we are responsible and any interest levied by us to which you are subject as a result of our non-execution or defective execution of a payment.

Unauthorised Direct Debit Refunds

- 8.18 The Direct Debit Guarantee Scheme will protect payments you make by Direct Debit. This scheme protects you if a Direct Debit payment you have not authorised is taken from your Account. If any money is wrongly, or incorrectly, taken from your Account by a Direct Debit we will, when we are informed about it, refund your Account and restore your Account to how it would have been had the payment not been taken.

 - 9.7.1 treat the surviving or continuing partners or partner for the time being of the partnership as having full power to carry on the business of the partnership and to deal with its assets as freely as if there had been no change in the partnership; and

- 11.2 If our interest rates are linked to a Reference interest rate, we can make changes to our interest rates immediately and without notice.

Debit Interest

- 11.3 Your Account is not permitted to be overdrawn, without an approved overdraft limit being arranged, in which case this limit must not be exceeded.
- 11.4 You must pay interest ('debit interest') on any overdrawn balance on your account. The interest rate applied will be at the Bank of England's base rate, plus 5% margin as varied from time to time or such other rate as may have been agreed with you. Details of the current interest rates and surcharges are available from our Customer Service Unit.
- 11.5 We calculate debit interest each day on the daily overdrawn balance on your Account after allowing for items paid out and paid in. Debit interest is totalled and debited to your Account on a quarterly basis in January, April, July and October or such other dates as we may from time to time designate.

- 11.6 We will generally advise you at least ten Business Days before it is charged and provide you with a breakdown of the amount being charged. If your Account is closed, interest will be calculated and charged up to the date of closure.

Interest on Uncleared Balances

- 11.7 When you lodge Collectible Items to your Account, the amount of the lodgement is shown on your Account on the day of the lodgement, however, at that time we may not have received value for these. We call such items 'uncleared effects' until we have received value.
- 11.8 If you draw against Uncleared Effects you may be Liable to an uncleared interest charge. We calculate any uncleared interest each day at the applicable debit interest rate and charge it to your Account quarterly in accordance with Condition 12.4 and 12.5 below. Details are available in writing from us by contacting our Customer Service Unit.

Surcharge Interest

- 11.9 In addition to any debit interest that you pay, you will also be Liable to pay surcharge interest if:
- 11.9.1 the overdrawn balance on your Account is in excess of your authorised overdraft facility, or
 - 11.9.2 your Account is overdrawn without prior written agreement, or
 - 11.9.3 there is an overdrawn balance after your overdraft facility has expired, or
 - 11.9.4 after the due date by which repayment has been demanded.
- 11.10 We calculate surcharge interest each day on the amount of the unauthorised overdraft for as long as it continues after allowing for items paid out and paid in. Surcharge interest is totalled on a quarterly basis in January, April, July and October or such other dates as we may from time to time designate, and is charged to your Account following at least ten Business Days prior notification to you. If your Account is closed, interest will be calculated and charged up to the date of closure.
- 11.11 Surcharge interest is variable (minimum Sterling £2.00 per month). Queries in relation to surcharge interest should be referred to our Customer Service Unit.

Credit Interest

- 11.12 We do not pay interest on credit balances on your Account.

Set Off Interest

- 11.13 We do not offer set off interest facilities on your Account.

12. Interest – Personal Customers

- 12.1 Details of our interest rates are available from our Customer Service Unit. Unless we agree otherwise with you we may vary our interest rates at any time at our discretion.
- 12.2 If our interest rates are linked to a Reference interest rate, we can make changes to our interest rates immediately and without notice.

Debit Interest

- 12.3 Your Account is not permitted to be overdrawn, without an approved overdraft limit being arranged, in which case this limit must not be exceeded.
- 12.4 You must pay interest ('debit interest') for arranged overdrafts on any debit balance between £200.00 and your arranged overdraft limit. The Reference interest rate applied will be at the Bank of England's base rate, plus 9% margin as varied from time to time. Details of the current interest rates and surcharges are available from our Customer Service Unit.
- 12.5 We calculate debit interest each day after allowing for items paid out and paid in. Debit interest is totalled and debited to your Account monthly or such other dates as we may from time to time designate.
- 12.6 We will advise you at least ten Business Days before it is charged and provide you with a breakdown of the amount being charged. If your Account is closed, interest will be calculated and charged up to the date of closure.

Credit Interest

- 12.7 We do not pay interest on credit balances on your Account.

Set Off Interest

- 12.8 We do not offer set off interest facilities on your Account.

13. Closure of Account

- 13.1 We can close or suspend your Account immediately in any of the following circumstances:
- 13.1.1 if you are adjudicated bankrupt under Irish law, UK law or where we have received notice of a foreign bankruptcy court order having been made against you in another jurisdiction or if you enter into a voluntary agreement with your creditors;

- 13.1.2 in respect of a company customer, if a petition is presented for winding up or for the appointment of an examiner, if a meeting is convened for the purpose of considering a resolution or a resolution is passed for the winding up of the company, or the appointment of a receiver;
- 13.1.3 if you cease trading;
- 13.1.4 if you are no longer, in our opinion, able to manage your financial affairs;
- 13.1.5 if you die;
- 13.1.6 if any representation, warranty or statement made by you to us is or becomes untrue in any material respect;
- 13.1.7 if you commit any serious, or repeated breach, of these Conditions;

- 13.1.11 if you act, or are suspected of acting, fraudulently against us or any other party.

If we take such action we will immediately give you notice in writing that we have done so. We may also close your Account at any time by giving you two month's prior written notice. In certain circumstances, where we have a valid reason, including those referred to in Condition 13.1 above, we may close the Account without notice. If you or we close the Account Condition 13.5 below applies.

- 13.2 Where we consider that your Account has become inactive we may close it by giving you at least two months notice. For example, we will normally consider that an account has become inactive if the balance is less than £100 and the Account remains unused by you for a period of more than 12 months.
- 13.3 We may give notice of our intention to close your Account in writing sent by post to the address you have last provided to us or delivered by any other means permitted under these terms and conditions or by law.
- 13.4 There is no minimum period for how long your Account needs to be open. It will continue to be open until either you or we close it in line with these Conditions. You may close your Account at any time by written instruction to Currency Account Services.
- 13.5 If your Account is closed, you must immediately pay all sums owing on your Account (including making allowance for items not yet presented) and return all cheque books issued in respect of it. Interest, fees and charges will be charged up to the date of closure.
- 13.6 Notwithstanding any closure of your Account, you will remain Liable for any amounts paid from your Account in accordance with these Conditions.

14. Death or other incapacity

- 14.1 All payments made by us on your Account after your incapacity or death or bankruptcy or liquidation but before we have written notice thereof will be valid and binding upon you and your successors and estate.
- 14.2 If we receive notice of your incapacity or death or bankruptcy or liquidation, we will return cheques presented for payment on your Account unpaid.
- 14.3 If the Account is a Joint Account, we will not pay a cheque signed only by the deceased Joint Account Holder, unless each surviving Joint Account Holder gives his or her consent.

15. No Waiver

If we do not enforce any Condition of the Agreement, or we delay in enforcing it, we do not thereby waive that Condition and we may still enforce it at a later date.

16. Variation of the Conditions

- 16.1 These Conditions shall continue to apply to your Account unless and until altered by us in accordance with this Condition.
- 16.2 We may alter these Conditions from time to time. We will make changes to these Conditions to take into account changes in the cost of providing the service, changes in, or our requirement to conform with, general banking practice, expected or actual changes in legal or other requirements affecting us, promotional reasons, any system or product development or to enable us to conduct our business in a prudent or competitive manner. We may also change these Conditions to make them clearer or more favourable to you or to rectify any errors identified after we have given these Conditions to you.
- 16.3 Unless we are permitted by law to give you shorter notice, we will notify you in writing at least two months' in advance of any alteration to these Conditions except for changes to Reference interest and exchange rates, as explained in Conditions 11.2 and 12.2. If you are not happy, you have the right to close your Account with us. At any time up to two months from the date of the notice, you can, without notice, close your Account without having to pay any extra charges or interest for doing this. When you receive this notice, you can close your Account in line with Condition 13.4, as long as you have paid all the amounts you owe. However, if you continue to hold your Account after this time, we will consider you to have accepted the relevant changes.

- 19.2 You agree that we may hold and process information about you for the purposes of operating your Account and can disclose such information to other AIB group companies and any other third parties or agents involved directly or indirectly in the provision of such services.

This action may include, but is not limited to, investigating and intercepting payments into and out of your Account and making enquiries to establish whether a person is subject to sanctions. This may result in a delay or failure to execute instructions received from you or in the receipt of cleared funds. You acknowledge and agree that, to the extent permitted by law, we shall not be Liable for any loss, damage or other liability suffered by you or any third party which arises as a result of taking such action.

When we talk about “AIB”, or “us” or “we” in this Notice, we are referring to Allied Irish Banks, p.l.c. and its subsidiaries, affiliates and their respective parent and subsidiary companies (“AIB Group”). We will share information about you within AIB Group.

How We Collect Information about You and Your Consent

We collect personal information, for example when you open an account; make a deposit; apply for a loan; use your credit or debit card; or look for advice about your investments. We will also collect information from others, such as credit bureaus (like the Irish Credit Bureau), or through our website, apps, social media sites, community based discussion forums and CCTV footage. We will sometimes record phone conversations to improve security, resolve complaints, improve service and train our people. We will always let you know when we are recording our calls with you.

Our websites use ‘cookie’ technology. A cookie is a little piece of text that our server places on your device when you visit any of our websites. They help us make the site work better for you. You can find out more about cookies, including how to disable them on www.aib.ie. We also use cloud technology to store data including your information, to support our infrastructure and to deliver you real time personalised offers.

By using our products and services, or asking about them directly or online, you are consenting to us collecting and using your information in the ways we explain in this notice and any future versions of it.

How We Keep Your Information Safe

We know that you care about how information about you is used, stored and shared. We appreciate your trust in us to do that. To protect your information we use security measures that comply with Irish law and meet international standards. This includes computer safeguards and secure files and buildings.

What We Use Your Information For

Offering and Managing Your AIB Products and Services

We gather information about you and the products and services you use, or ask us about. We use this information to:

- make recommendations about the products or services you hold with us,
- decide how the products and services you don't yet hold might be suitable for you, and
- decide to offer these to you, the terms and conditions under which we offer them and how we will offer them to you, for example directly or through digital media.

Developing Our Relationship – Marketing and Customer Experience

We may use your information for direct marketing purposes, where you have given us permission to do so. We may make you aware of products and services which may be of interest to you. We may do this by phone, mail, email, text or through other digital media. You can decide how much direct marketing you want to accept, so we make it as easy as possible for you to change your direct marketing preferences, simply contact us directly online or by calling 1890 724 724.

We will also use the information we have gathered on you to personalise your experience on digital media such as websites, apps, ATMs, social media sites, mobiles and tablet devices. This may include giving you product and service content we believe might be of interest to you.

Data Analytics – Using Information in Our Business

We analyse the information that we collect and hold on you through channels such as social media networks (Facebook, Twitter, YouTube etc.). This helps us understand your behaviour, our relationship with you and also our position in a market place. Our analysis helps us to offer you products and services content we believe will be of interest to you.

Our Legal Obligations

We have legal obligations to prevent fraud, tax avoidance, money laundering and terrorist financing. These obligations mean we have to continually update our customer information. Often we have to share customer information with third party law enforcement agencies. Where false or misleading information is given to us, or we suspect criminal activity we will record this and tell the appropriate law enforcement agencies, which may be within and outside Ireland.

Your Information and Third Parties

We sometimes use other companies and individuals to work on our behalf or to give us information to help us make decisions. For example to:

- analyse data;
- collect debts;
- trace information;
- process information; and
- conduct market research.

We contract with all third parties to whom we give your information for these purposes to keep your information confidential and to respect the law on data protection.

If at any time you would like to be removed from our market research database please let us know by writing to AIB, Office of the Director of Retail & Business Banking, Bankcentre, Ballsbridge, Dublin 4.

We use credit reference agencies to check your credit history, your debts, how you operate your accounts and to verify your identity. The credit reference agencies record these searches, whether we offer you credit or not. We give them information about the products and services you hold with us and we keep them updated about how well you repay credit. We do this so that we can make decisions about offering credit and carry out credit reviews. We may use credit scoring techniques and automated decision making systems to either fully or partially assess your application.

Accessing and Managing Your Information

We try to make sure that the information we have about you is accurate and up-to-date. Sometimes we may ask you to verify that the information we have remains accurate. If your information changes or you believe we have information which is inaccurate or not up-to-date please let us know and we will change it.

Additional information

(1) Scheme responsible for the protection of your deposit

Your deposit is covered by a statutory deposit guarantee scheme. If insolvency should occur, your eligible deposits would be repaid up to €100,000.

(2) General limit of protection

If a covered deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the DGS. This repayment covers at maximum €100,000 per person per credit institution. This means that all eligible deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with €90,000 and a current account with €20,000, he or she will only be repaid €100,000.

(3) Limit of protection for joint accounts

In case of joint accounts, the limit of €100,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of €100,000.

(4) Reimbursement

The responsible deposit guarantee scheme is:
Deposit Guarantee Scheme, Central Bank of Ireland,
PO Box 11517, Spencer Dock, North Wall Quay,
Dublin 1.

Tel: 1890-777777. Email: info@depositguarantee.ie.
Website: www.depositguarantee.ie.

It will repay your eligible deposits (up to €100,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until

31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 days from 1 January 2024 onwards, save where specific exceptions apply.

Where the repayable amount cannot be made available within seven working days depositors will be given access to an appropriate amount of their covered deposits to cover the cost of living within five working days of a request. Access to the appropriate amount will only be made on the basis of data provided by the credit institution. If you have not been repaid within these deadlines, you should contact the deposit guarantee scheme.

(5) Temporary high balances

In some cases eligible deposits which are categorised as "temporary high balances" are protected above €100,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits relating to certain events which include:

- certain transactions relating to the purchase, sale or equity release by the depositor in relation to a private residential property;
- sums paid to the depositor in respect of insurance benefits, personal injuries, disability and incapacity benefits, wrongful conviction, unfair dismissal, redundancy, and retirement benefits;
- the depositor's marriage, judicial separation, dissolution of civil partnership, and divorce;
- sums paid to the depositor in respect of benefits payable on death; claims for compensation in respect of a person's death or a legacy or distribution from the estate of a deceased person.

More information can be obtained at
www.depositguarantee.ie

(6) Exclusions

A deposit is excluded from protection if:

- The depositor and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements.
- The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering.
- It is a deposit made by a depositor which is one of the following:
 - credit institution
 - financial institution
 - investment firm
 - insurance undertaking
 - reinsurance undertaking
 - collective investment undertaking
 - pension or retirement fund (Deposits by Small Self Administered Pension Schemes are not excluded)
 - public authority

Further information about exclusions can be obtained at www.depositguarantee.ie

Other important information

In general, all retail depositors and businesses are covered by the Deposit Guarantee Scheme. Exceptions for certain deposits are stated on the website of the Deposit Guarantee Scheme. Your credit institution will also inform you on request whether certain products are covered or not. If deposits are eligible, the credit institution shall also confirm this on the statement of account.
