Introduction and interpretation

Introduction

1.1 This booklet sets out the general terms and conditions governing lending and other facilities (“**the facilities**”) provided to Customers (“**the Borrowers**” which expression shall, where the context so permits, include their successors and permitted assigns) by Allied Irish Banks, p.l.c. (“**the Bank**” which expression shall, where the context so permits, include its successors, assigns, chargees, transferees or sub-participants) where the facilities invoke all or any of the terms and conditions set out herein.

1.1.1 Facilities provided by the Bank include, for example, the following:

- (i) **overdraft**: usually short term facilities for working capital where the account balance shows fluctuations between debit and credit;
- (ii) **credit lines**: classified as overdraft facilities which may be used for working capital only for business or farming purposes;
- (iii) **loan account**: usually medium to long term facilities with customised repayment options;
- (iv) **term loan**: usually facilities intended for a specific purpose repayable by regular repayments within a stated period;
- (v) forward foreign exchange facilities, bank guarantees and documentary credits, bonds and indemnities provided by the Bank to third parties on behalf of Customers.

The above examples are not intended to be exhaustive and the terms and conditions set out in this booklet may be invoked to apply to other facilities.

1.1.2 Other specific terms and conditions may apply to facilities in accordance with the relevant letter of sanction or other agreement in writing between the Bank and the Borrower and to the extent (if any) that the specific terms and conditions conflict with the general terms and conditions set out in this booklet, then the specific terms and conditions will apply.

Certain terms of the Borrower’s letter of sanction may be varied at the Borrower’s request subject to and in accordance with clause 3.3.3.

For the purpose of clarity, it should be noted that unless a new facility is sanctioned to renew, replace or restructure existing facilities, the existing facilities will continue to be subject to the terms and conditions on which they were sanctioned.

1.1.3 The Bank may from time to time change the terms and conditions set out in this booklet and all facilities will be governed by the then changed terms and conditions.

Interpretation

1.1.4 In this booklet unless the context otherwise requires:

- (i) references to sections and clauses refer to the relevant sections and clauses of this booklet; and
- (ii) where the context so permits the singular includes the plural and vice versa; and
- (iii) the headings or marginal titles used in this booklet are for ease of reference only and will not affect the construction or interpretation thereof; and
- (iv) references to “**Customer**” are deemed to include “**Borrower**”; and
- (v) references to any statutory provision, or to any order or regulation includes a reference to that provision, order or regulation as extended, modified, replaced or re-enacted from time to time; and
- (vi) “**Group**” means the Borrower, every Holding Company and Subsidiary of the Borrower for the time being (if any) and every Subsidiary of every such Holding Company for the time being (if any) and includes companies falling within the definition of “**group of companies**” as defined in Section 8 of the Companies Act 2014; and
- (vii) “**Holding Company**” means a holding company within the meaning of Section 8 of the Companies Act 2014; and
- (viii) “**Regulatory Authority**” includes the Central Bank of Ireland, the European Central Bank, the Minister for Finance of

Ireland and any other regulatory, fiscal, monetary or other authority in or of Ireland or elsewhere having jurisdiction over the Bank or any subsidiary of the Bank whether or not having the force of law; and

- (ix) “**Subsidiary**” means a subsidiary as defined in Section 7 of the Companies Act 2014 and includes companies falling within the definition of “**wholly owned subsidiary**” as defined in section 8 of the Companies Act 2014; and
- (x) references to the “**terms**” and/or “**conditions**” of any facility include, as applicable, any term, condition, covenant, representation, warranty or other obligation in such facility.

Section 2

Overdraft and Credit Lines

Application

2.0 The terms and conditions set out in this section apply to overdraft and credit line facilities.

Repayable on Demand

- 2.1.1 Overdraft and credit line facilities are repayable on demand. However, in normal circumstances, the Bank expects that the overdraft or credit line facilities will be available until the review date stated in the letter of sanction (if any), without obligation on the part of the Bank to continue to provide the facility after such date.
- 2.1.2 Without prejudice to the Bank’s right to demand repayment at any time, the happening of any of the events set out in clause 4.2 may lead to the Bank terminating the facility and making demand for payment, with or without notice to the Borrower.

Limit

- 2.2.1 A limit representing the amount of the facility will be stated in the letter of sanction and will apply to the facility.
- 2.2.2 The Borrower must ensure that the debit balance on the current or credit line account does not exceed the limit.
- 2.2.3 With the exception of Overdrafts to which Prime Rate applies, the balance on a current account or credit line account must achieve a minimum period of thirty days credit or nil balance (whether consecutive or otherwise) during the twelve months following the date of sanction and in each subsequent period of twelve months during the continuance of the facility.
- 2.2.4 Where a Borrower maintains more than one business current account at the same branch (other than excluded current accounts) then the Bank may agree that an overdraft limit will operate as a limit governing the net aggregate balance on those current accounts. In such circumstances, the Borrower must at all times maintain the net position within the limit. If a net excess would otherwise occur, cheques may be returned unpaid notwithstanding that the particular account on which the cheque is drawn shows a credit balance.

Operation of Account

- 2.3.1 Any item which if paid would have the effect of overdrawing the account in the absence of or in excess of a sanctioned limit may be returned unpaid by the Bank. If, in its discretion, the Bank pays any such item, this will not give rise to any obligation on the Bank to pay any such items on any subsequent occasion.
- 2.3.2 The Bank will not be obliged to give prior notice regarding the presentation and/or dishonour of items drawn on the account. The giving of such notice on any specific occasion will not mean that the Bank will do so on any subsequent occasion.
- 2.3.3 Cheques and other items subject to collection which are lodged to accounts are subject to the possibility of non-payment (“**uncleared effects**”). The Borrower will not be entitled as of right to draw against uncleared effects. Payment by the Bank against uncleared effects will not give rise to any obligation on the Bank to do so on any subsequent occasion.

Interest

2.4 Compound interest will accrue on debit balances from time to time, calculated and charged in accordance with Section V.

Drawdown of Credit Lines

- 2.5 Credit Line facilities may only be drawn down by way of transfer to the Borrower's working account.

Section 3

Loan Account

Application

- 3.0 The terms and conditions set out in this section apply to loan account facilities.

Repayable on Demand

- 3.1.1 Loan account facilities are repayable on demand. However, in normal circumstances, the Bank expects that the loan will be available as stated in the letter of sanction.
- 3.1.2 Without prejudice to the Bank's right to demand repayment at any time, the happening of any of the events set out in clause 4.2 may lead to the Bank making demand for payment, with or without notice to the Borrower.

Interest

- 3.2.1 Compound interest will accrue on the balance of the loan account from time to time, calculated and charged in accordance with Section V.

Limit

- 3.2.2 A limit representing the amount of the facility will be stated in the letter of sanction and will apply to the facility. This limit will reduce in line with the repayments specified in the letter of sanction or as otherwise agreed. Where the repayments are inclusive of principal and interest the limit will increase when the Bank debits interest to the loan account.

Repayments

- 3.3.1 The Borrower will punctually pay the repayments specified in the letter of sanction. The Borrower may be required to complete a direct debit and/or a standing order instruction and/or electronic funds transfer for the purpose of the repayments. At the discretion of the Bank, notwithstanding any intervening expiry date, any direct debit(s) and/or standing order(s) for the agreed periodic repayment amounts may continue to be presented until the full amount of the loan and any other amounts due in respect of the loan have been repaid.
- 3.3.2 If the interest rate varies during the repayment period the Bank may (but without obligation to do so)
- (a) vary the amount of the repayments:
 - (i) by changing the amount of the variable direct debit(s) and/or by accepting a new standing order instruction(s) for the changed amount (where applicable) or
 - (ii) on service of thirty days' notice to the borrower
 - (b) adjust the number of repayments
 - (c) adjust the amount of the final repayment.
- 3.3.3 Subject to agreement by the Bank in writing, the Borrower may request certain minor changes to the Borrower's repayment arrangements as specified in the letter of sanction (for example a change to the repayment date or repayment frequency). Where appropriate following such a request from the Borrower, the Bank may (but without obligation to do so):
- (a) vary the amount of repayments by changing the amount of any variable direct debit and/or by accepting a new standing order instruction(s) for the changed amount (where applicable);
 - (b) adjust the number of repayments;
 - (c) adjust the date of repayments; or
 - (d) adjust the amount of the final repayment.

Making these changes may extend the period of the credit agreement applicable to the facility, result in an increase in the

amount of interest paid on the facility and/or may increase the total amount repayable.

- 3.3.4 If the Borrower does not keep up with the agreed repayments for the loan account facility, the loan account facility may fall into arrears, be reported to the relevant credit agency and the Borrower's credit rating may be affected. In addition:
- (a) for loan account facilities sanctioned by reference to a Business Fixed Loan rate or a Business Variable Loan rate, any additional interest charged as a result of the Borrower not adhering to the agreed repayment schedule will be added to the next scheduled repayment. The Bank will let the Borrower know in advance if the scheduled repayment amount is going to change. Where a Borrower pays by direct debit, the repayment amount will be increased automatically. While the additional interest is automatically added to the next scheduled direct debit payment, the actual missed repayment amount will not be and must be paid separately by the Borrower. Interest will continue to be charged on that missed repayment amount and will be added to the scheduled repayments until it is paid.
 - (b) for all other loan account facilities, the Borrower's loan repayment amount will not be amended unless the Borrower requests the Bank to do so. Clause 3.4 will apply where there is a residual balance.

- 3.3.5 Where a facility is sanctioned by reference to a Business Fixed Loan rate or a Business Variable Loan rate, and the scheduled repayments are being made by direct debit, then any repayment to the loan account in a manner other than by the agreed direct debit, will be treated as an out of course repayment. The next scheduled repayment will still be due by direct debit on the scheduled repayment date. In these circumstances, if the Borrower does not make the scheduled repayment on the agreed repayment date, the repayment will be missed and the loan account will go into arrears.

Residual Balance

- 3.4 Any residual balance outstanding at the end of the repayment period (whether arising from fluctuations in the applicable interest rate, default by the Borrower in the repayment of principal or interest on the due dates, timing of drawdown, scheduled repayments falling due on non-business days, or otherwise howsoever) will attract variable interest at the then appropriate rate and will become immediately due and payable, unless the Bank, in its absolute discretion, (a) agrees to other repayment arrangements with the Borrower or (b) agrees to continue to present any direct debit(s) and/or standing order(s) for the agreed periodic repayment amounts until the full amount of the residual balance and any other amounts due in respect of the loan have been repaid. Any credit balance which remains outstanding will become immediately available to the Borrower.

Early Repayment

- 3.5 At any time during the period of a facility when a variable interest rate applies, the Borrower will be entitled without penalty to effect full or partial early repayment of the loan.

Breakage Cost and Prepayment Gain

- 3.6.1 At any time during the period of a Market Related Rate Facility the following definitions will apply:

"Breakage Cost" means the replacement cost to the Bank resulting from a Prepayment;

"Cost of Funds" has the meaning set out in clause 5.3.2;

"Market Related Rate Facility" has the meaning set out in Section V (Interest);

"Prepayment" means

- (i) if the Bank at its discretion agrees to allow full or partial out of course repayment or conversion of the facility to another interest rate, or
- (ii) if the Borrower makes payment following demand for payment by the Bank;

"Prepayment Gain" means any amount due by the Bank to the Borrower in the event of a Prepayment to a Market Related Rate Facility;

"Variable Market Related Rate Facility" has the meaning set out in Section V (Interest).

“Fixed Market Related Rate Facility” has the meaning set out in Section V (Interest).

- 3.6.2** Except where payment is being made immediately following demand by the Bank, the Borrower must serve at least three business days prior notice to the Bank of any proposed Prepayment.
- 3.6.3** The Bank may, in its absolute discretion, set-off any Prepayment Gain against any sum due from the Borrower to the Bank.
- 3.6.4** Prepayment of a Market Related Rate Facility may be subject to the payment by the Borrower of a Breakage Cost, or, payment to the Borrower of a Prepayment Gain, to be calculated:
- (i) where the period for which interest is fixed is less than one year or where the interest period is fixed for one year with no scheduled repayments during such one year period, using the following formula:
Breakage Cost = $A \times U \times D\%$, where:

“A” is the amount of the Prepayment and

“U” is the unexpired term of the fixed interest rate period, and

“D” is the difference between the Cost of Funds applying to the facility when the rate was fixed and the Cost of Funds applying at the time of Prepayment, for the amount of “A” for the term of “U”.

- (ii) where the period for which interest is fixed is more than one year or where the interest period is for one year with scheduled repayments during such one year period, Breakage Cost will be calculated using the formula set out above but also taking into account the following:
- (a) the difference between the Cost of Funds applying to the facility when the rate was fixed, and the Cost of Funds at the time of the Prepayment in the amount of the Prepayment, and
- (b) associated cashflows for the remainder of the fixed rate term and applying a discount factor in accordance with standard net present value methodology.

The sample calculations below are illustrative only and are not intended to represent the actual Breakage Cost that may be payable by the Borrower or Prepayment Gain that may be credited to the Borrower.

Breakage Cost example where:

Principal Outstanding	€2,000,000.00
Cost of Funds applying to the facility when the rate was fixed	2.00%
Margin	3.50%
Term	5 Years
Prepayment Type	Repaying the entire principal outstanding on the Fixed Market Related Rate Facility in full after 3 years (2 years remaining)
Cost of Funds at the date of prepayment	1.00%

A	X	U	X	D
Principal amount repaid early		Fixed rate period remaining		Difference in interest rates
€2,000,000.00	x	2 years	x	1.00%
= €40,000.00 (a credit in the amount of €40,000.00 due from the Borrower to the Bank)				

Prepayment Gain example where:

Principal Outstanding	€2,000,000.00
Cost of Funds applying to the facility when the rate was fixed	2.00%
Margin	3.50%
Term	5 Years
Prepayment Type	Repaying the entire principal outstanding on the Fixed Market Related Rate Facility in full after 3 years (2 years remaining)
Cost of Funds at the date of prepayment	3.00%

A	X	U	X	D
Principal amount repaid early		Fixed rate period remaining		Difference in interest rates
€2,000,000.00	x	2 years	x	-1.00%
= €40,000.00 a credit in the amount of €40,000.00 due from the Bank to the Borrower)				

Early Repayment and Prepayment

- 3.7** Any (i) early repayment (either partial or full) or (ii) Prepayment, is treated as a permanent reduction and cannot be redrawn. Any such amount will shorten the repayment period but the Borrower must continue to make the repayments in the amount specified in the letter of sanction unless otherwise agreed. If the Borrower wants to keep the original expiry date specified in the letter of sanction and reduce the amount of future repayments, the Borrower can contact the Bank.

Loans to Small and Medium Enterprises ('SMEs') under the European Investment Bank ('EIB') Loan Scheme ('EIB SME Scheme')

- 3.8** Where facilities which are sanctioned under the EIB SME Scheme the facilities are supported by the EIB and are sanctioned at an interest rate which is at least 0.70% (seventy basis points) lower than the rate which would apply to such facilities without the EIB support. EIB SME facilities are intended for the purposes of projects which comply with the eligibility criteria agreed between the Bank and the EIB from time to time (Projects) and the following conditions will apply:

- (i) the facilities will be used exclusively for the purposes of the Projects for which they were envisaged and within 3 years of the date of sanction.
 - (ii) where the Borrower is bound to comply with public procurement rules, sub-projects undertaken by the Borrower with the proceeds of the loan will comply with the relevant applicable EU and Irish legislation.
 - (iii) The Borrower will permit the persons appointed by the Bank and/or EIB to inspect all sites, installations and works comprising the Projects and provide such persons with all necessary assistance and information for such purposes.
 - (iv) The Borrower acknowledges that the Bank will disclose to EIB details of the Projects, the facilities, the latest registered financial statements of the Borrower and such further information as the EIB may require concerning the activities and general financial position of the Borrower.
 - (v) The assets or investments acquired or developed as part of the Projects will not be located outside Ireland or another EU state and will be maintained by the Borrower in good working order.
 - (vi) The Borrower will not use the facilities for any of the following:
 - (a) Production of weapons and ammunition, arms, military or police equipment or infrastructures, and equipment or infrastructure limiting people's individual rights and freedom (i.e. prisons, detention centres of any form);
 - (b) Gambling and related equipment;
 - (c) Tobacco manufacturing, processing, or distribution;
 - (d) Activities involving live animals for experimental and scientific purposes;
 - (e) Activities which give rise to environmental impacts that are not largely mitigated and/or compensated (see also the Borrower's Covenants at Clause 7.11 (vii) and (viii)) about compliance with all applicable laws (including laws relating to the protection of the environment) relating to the business and property of the Borrower);
 - (f) Any purpose which in the opinion of the Bank is ethically or morally controversial;
 - (g) Pure real estate development activity;
 - (h) The Purchase of Farmland.
- the Borrower. Alternatively the Bank may at its discretion pay any unpaid Premium from its own funds and will be entitled to recover payment from the Borrower as part of the Scheme Facility.
- (iv) all recoveries received by the Bank will be applied in accordance with the terms of the Scheme. Further information on this is available on the Government website www.djei.ie

Drawdown

- 3.10** In order to draw down loan account facilities the Borrower must comply with all pre-drawdown conditions stated in the letter of sanction and may also be required to complete drawdown instructions and a direct debit instruction.

Section 4

Term Loan

Application

- 4.0** The terms and conditions set out in this section apply to term loan facilities.
- 4.1** The provisions of clauses 3.2.1 to 3.10 inclusive and 7.2.1 to 7.2.6 inclusive apply to term loan facilities as if all references therein to "loan" were references to "term loan".

Events of Default

- 4.2** A term loan though expressed to be repayable over or within a specified period may be terminated by the Bank and the Bank may demand early repayment at any time with or without notice to the Borrower upon the occurrence of any of the following events:
- (i) On the failure by the Borrower to make any repayment of principal or interest on the date it is due.
 - (ii) On the Borrower ceasing or threatening to cease to carry on business or any substantial part thereof.
 - (iii) On the death of the Borrower or of any guarantor for the Borrower.
 - (iv) If any guarantor notifies the Bank that they no longer wish to act as guarantor or that the guarantee is to terminate or on a material change relevant to a guarantor occurring which is in the opinion of the Bank prejudicial to the Bank's interests.
 - (v) On the bankruptcy of, or commission of any act of bankruptcy by, the Borrower.
 - (vi) In respect of a company Borrower, the presentation of a petition for winding up or for the appointment of an examiner, the convening of a meeting for the purpose of considering a resolution or the passing of a resolution to wind up or the appointment of a receiver.

 - (ix) On a material change relevant to the Borrower occurring which is in the opinion of the Bank prejudicial to the Bank's interests.
 - (x) On the failure by the Borrower to provide any security specified in the letter of sanction promptly or within the period therein mentioned (if any) or within such extended period as may be agreed between the Bank and the Borrower.
 - (xi) On the breach, non-observance or non performance by the Borrower, any member of the Group or any guarantor of any term or condition attaching to any facility or any other financial indebtedness whether with the Bank or any other party.
 - (xii) If any money becomes due or becomes capable of being declared due and payable under any guarantee or indemnity given by the Borrower, any member of the Group, or any guarantor to the Bank or any other party.

Loans to Small and Medium Enterprises ('SMEs') covered by the Scheme Guarantee under the Credit Guarantee Scheme (the 'Scheme') in accordance with Credit Guarantee Act 2012

3.9 Loans or other facilities supported by the Scheme ('Scheme Facilities') will be subject to the following:

- (i) the Borrower covenants that all information disclosed in or in relation to the application for the Scheme Facilities is in all respects true and accurate;
- (ii) the Borrower acknowledges that notwithstanding the Scheme Guarantee, the Borrower remains liable for payment of 100% of the outstanding Scheme Facility and that normal recovery and enforcement procedures (against the Borrower and any guarantor) will be pursued by the Bank before any claim is made by the Bank under the Scheme Guarantee;
- (iii) (a) the Borrower covenants with the Bank that the Borrower will pay the Department of Jobs, Enterprise and Innovation or its nominated operator ('the Operator') an annual Premium in respect of the Scheme Guarantee of 2% of the annual outstanding principal balance of the Scheme Facility in accordance with the Premium Schedule provided to the Borrower by the Bank;

- 5.2.5** If the Bank changes the frequency of setting Premium Business, Prime, Base Lending, Credit Line or SBCI Variable rates, customers will be notified by publication in at least one national newspaper.
- 5.2.6** The current interest rate applicable to a facility and the effective date of any interest rate change will be shown on the account statement, if any, next issued after the interest rate change.
- 5.2.7** If a variable interest rate together with a margin (if any), would result in a current interest rate for a facility which is below zero, such current interest rate will be deemed to be zero.
- 5.2.8** Details of current interest rates are available at all times on request to the Bank.

Section 5

Interest

Application

5.0 The terms and conditions set out in this section apply to all facilities.

Determination of Applicable Interest Rates

- 5.1.1** The interest rate applicable to a facility will be determined by the Bank by reference to the business of the Borrower and the purpose, risk and term of the facility.
- 5.1.2** The variable or fixed interest rate applicable to facilities will be stated in the letter of sanction with reference where appropriate to the interest rate category determined by the Bank.
- 5.1.3** The Bank's interest rate categories are, at present, as follows:
 - (i) A, AA, AAA or Charity (as appropriate to the particular facility)
 - (ii) Premium Business
 - (iii) Prime
 - (iv) Base Lending
 - (v) Credit Lines
 - (vi) Market Related
 - (vii) Standard Variable Business Loan
 - (viii) SME Fixed
 - (ix) SME Variable Business Loan
 - (x) SBCI Brexit / Covid 19 Loan
 - (xi) SBCI Variable
 - (xii) Business Fixed Loan
 - (xiii) Business Variable Loan

These interest rate categories are not exhaustive and the Bank will be at liberty at any time to extend or modify them. Any such changes and the dates applicable will be notified to Borrowers in a manner which the Bank deems appropriate.

5.1.4 The Bank may sanction facilities at a rate expressed to be higher or lower than the rate relevant to the interest rate category.

Variable Interest Rates

- 5.2.1** Interest rates applicable to facilities sanctioned by reference to A, AA, AAA, Charity, Premium Business, Prime, Base Lending, Standard Variable Business Loan, SME Variable Business Loan, Business Variable Loan, Credit Line and SBCI Variable rates are variable interest rates. These rates and the composition of them may change.
- 5.2.2** Variations in rates applicable to A, AA, Standard Variable Business Loan, SME Variable Business Loan, Business Variable Loan and

Market Related Rates, Fixed Interest Rates and SME Fixed Rate

- 5.3.1** The Bank may agree with the Borrower to fix the applicable interest rate for all or part of the period of a facility.
- 5.3.2** Where facilities are sanctioned by reference to a Market Related rate of interest and where otherwise referred to in this booklet, letters of sanction, or other agreement between the Bank and the Borrower, the following will apply:
 - (i) **"Benchmark Rate"** means a published reference rate, such as **"Euribor"**, which is calculated by an independent authorised body for the relevant currency and Tenor;
 - (ii) **"Benchmark Replacement Rate"** means the replacement rate for the Benchmark Rate (see clause 5.3.8 below for details). The Benchmark Replacement Rate may comprise one or more parts, including (without limitation) a credit adjustment spread;
 - (iii) **"Cost of Funds"** means, in relation to a facility, the rate notified by the Bank to the Borrower to be the average cost to the Bank (as determined by the Bank on an actual or notional basis) of funding that facility for the relevant Interest Period for whatever source(s) the Bank may reasonably select;
 - (iv) **"Fixed Market Related Rate"** means an interest rate calculated by reference to the Bank's Market Related rate of interest, fixed at drawdown or at such other date as agreed between the Borrower and the Bank, for a minimum period of 12 months (the **"Fixed Rate Period"**);
 - (v) **"Fixed Market Related Rate Facility"** means a facility in respect of which the applicable interest rate comprises (a) a Fixed Market Related Rate, and (b) the margin specified in the letter of sanction;
 - (vi) **"Interest Period"** means a period in respect of which interest on the amount of the facility outstanding is calculated and charged. An Interest Period cannot extend beyond a capital or principal repayment date and, at present, is a period not greater than twelve months, but this may change.
 - (vii) **"Market Related rate"** means the aggregate of (a) the applicable Reference Rate for the relevant currency and Tenor or Fixed Rate Period and (b) the Reserve Requirements (if any);
 - (viii) **"Market Related Rate Facility"** means a Fixed Market Related Rate Facility or a Variable Market Related Rate Facility.

- (ix) **“Variable Market Related Rate Facility”** means a facility in respect of which the applicable interest rate comprises (a) a Market Related rate (other than a Fixed Market Related Rate), and (b) the margin specified in the letter of sanction;
- (x) **“Reference Rate”** means the Benchmark Rate and/ or the Benchmark Replacement Rate;
- (xi) **“Reserve Requirements”** means the cost to the Bank from time to time (expressed as a percentage per annum) arising in relation to funding a facility from: (a) any liquidity or minimum reserve ratio, special deposit or similar requirements (or any other requirement having the same or similar purpose) imposed by any Regulatory Authority in relation to a facility, irrespective of whether or not such requirements have the force of law; or (b) any law or regulation, including any tax (other than a change in the rate of corporation or other income tax) being assessed on the Bank; and
- (xii) **“Tenor”** means the period for which the Benchmark Rate applies, for example, one month, three months, six months;

5.3.3 Where a facility is a Variable Market Related Rate Facility then:

- (i) the Bank will agree the Interest Period with the Borrower; and
- (ii) the rate of interest will be fixed for each Interest Period; and
- (iii) the first Interest Period will commence on the date of drawdown and each subsequent Interest Period will, unless otherwise agreed, be of the same duration and will commence on the expiry date of the immediately preceding Interest Period; and
- (iv) the Market Related rate of interest for the first Interest Period will be set by the Bank at the date of drawdown and reset at the start of each subsequent Interest Period unless a Benchmark Replacement Rate applies in which case the rate of interest shall be set at such time as the Bank deems appropriate to give effect to the Benchmark Replacement Rate.

5.3.4 Unless otherwise stated the Bank will quote interest rates by reference to Market Related rates on any particular day for value two days later.

5.3.5 If a facility is a Variable Market Related Facility or if the interest rate category applicable to a facility is expressed to be based on a Reference Rate, then:

- (i) where the Reference Rate falls below zero, the Reference Rate will be deemed to be zero;
- (ii) where the Reference Rate is deemed to be zero, the applicable interest rate will be equal to the margin under the letter of sanction together with any Reserve Requirements.

This means that the rate of interest applicable to such a facility will never be less than the margin stated in your letter of sanction, but it could be higher.

This clause 5.3.5 shall not apply to a Fixed Market Related Rate.

5.3.6 In relation to Reference Rates the following definitions will apply: **“Market Disruption Event”** means -:

- (a) the Reference Rate is not available for the relevant currency and/or Tenor, or
- (b) the Bank determines that the Bank’s Cost of Funds would be in excess of the Reference Rate.

5.3.7 If a Market Disruption Event occurs in relation to a Reference Rate for any Interest Period, then the rate of interest for the Interest Period shall be the percentage rate per annum which is the sum of:

- (i) the margin specified in the letter of sanction;
- (ii) the Cost of Funds; and
- (iii) the Reserve Requirements, if any, applicable to the appropriate Interest Period.

5.3.8 **“Benchmark Rate Replacement Event”** means, in relation to a Benchmark Rate:

- (i) (a) the administrator of the Benchmark Rate or its supervisor publicly announces that such administrator is insolvent; or
- (b) information is published in any order, decree, notice, petition or filing, however described, of or filed with a court, tribunal, exchange, regulatory authority or

similar administrative, regulatory or judicial body which reasonably confirms that the administrator of the Benchmark Rate is insolvent,

- (ii) provided that, in each case, at that time, there is no successor administrator to continue to provide the Benchmark Rate;
- (iii) the administrator of the Benchmark Rate publicly announces that it has ceased or will cease, to provide the Benchmark Rate permanently or indefinitely and, at that time, there is no successor administrator to continue to provide the Benchmark Rate;
- (iv) the supervisor of the administrator of the Benchmark Rate publicly announces that the Benchmark Rate has been or will be permanently or indefinitely discontinued;
- (v) the administrator of the Benchmark Rate or its supervisor announces that the Benchmark Rate may no longer be used;
- (vi) the supervisor of the administrator of the Benchmark Rate publicly announces or publishes information stating that the Benchmark Rate is no longer, or as of a specified future date will no longer be, representative of the underlying market and the economic reality that it is intended to measure and that such representativeness will not be restored (as determined by such supervisor); or
- (vii) the use by the Bank of the Benchmark Rate for the purposes contemplated by the letter of sanction and/or this booklet of general terms and conditions becomes illegal.

At any time on or after a Benchmark Rate Replacement Event, the Bank may elect (at its discretion) to substitute a Benchmark Replacement Rate for the existing Benchmark Rate. The Benchmark Replacement Rate will take effect (subject to the other provisions of this clause 5.3.8) in place of the Benchmark Rate:

- (i) on such date as the Bank specifies (in which case the Bank will provide the Borrower with not less than 30 days’ notice of the replacement date and particulars of the Benchmark Replacement Rate); or
- (ii) failing such specification by the Bank, on the earliest to occur of:
 - (a) the date on which the Benchmark Rate ceases to be representative of the underlying market and the economic reality that it is intended to measure (as determined by the supervisor of the administrator of the Benchmark Rate); and
 - (b) the date on which the Bank becomes aware that its use of the Benchmark Rate is illegal.

From the date the Benchmark Replacement Rate takes effect, the letter of sanction together with the general terms and conditions set out in this booklet shall be construed so as to give effect to it and the Borrower shall take all such steps as may reasonably be required by the Bank in relation to the application of the Benchmark Replacement Rate.

The Bank may review the application of any Benchmark Replacement Rate and require further changes in relation to the Benchmark Replacement Rate (including, without limitation, in relation to its calculation methodology and application).

In the exercise of any discretion afforded to the Bank regarding the matters provided for in this clause, the Bank shall act reasonably and shall have regard to (but shall not be obliged to implement):

- (iii) any rates formally designated, nominated or recommended by any relevant administrator in relation to the selection of the Benchmark Replacement Rate; and
- (iv) what is, in the opinion of the Bank, generally accepted in the international or any relevant domestic loan markets as an appropriate methodology for the calculation of a Benchmark Replacement Rate.

5.3.9 Breakage Cost: See clauses 3.6.1 to 3.6.4 inclusive.

5.3.10 At any time during the period of a facility when a Fixed Market Related Rate applies interest will accrue at the fixed interest rate specified in the letter of sanction, or as agreed between the Borrower and the Bank. However, if the cost to the Bank of making or maintaining the facility increases as a result of the introduction of, or any change in, any Reserve Requirements then, save to the extent that the Bank has already been compensated for such cost, the Bank may increase the interest rate applicable to the facility by an amount which the Bank determines (in its

absolute discretion) is sufficient to compensate the Bank for such increased cost.

- 5.3.11** At the expiration of a Fixed Rate Period the Bank may agree with the Borrower a further Fixed Rate Period at such interest rate and subject to such repayment arrangements as may be set by the Bank. In the absence of agreement, variable interest at the rate which the Bank deems appropriate will apply.
- 5.3.12** Where a facility is sanctioned by reference to SME Fixed rate or a Business Fixed Loan rate:
- (i) the interest rate is a fixed interest rate set by the Bank. It is fixed on the date the loan account is opened and will not change for the period of the facility;
 - (ii) the Bank may change the prevailing SME Fixed rate or Business Fixed Loan rate, up or down, at its discretion from time to time. The prevailing SME Fixed and Business Fixed Loan rates will be shown on the interest rate notices displayed at all branches of the Bank and on the Bank's website, www.aib.ie/business;
 - (iii) if the prevailing SME Fixed rate or Business Fixed Loan rate goes up or down after the loan account is opened, the SME Fixed rate or Business Fixed Loan rate that applies to the facility and the amount of the Borrower's repayments will not change for the period of the facility. This means that the Borrower will not be affected by any higher or lower interest rate over the remaining period of the facility;
 - (iv) the SME Fixed rate or Business Fixed Loan rate specified in the letter of sanction will apply to the facility unless the prevailing SME Fixed rate or Business Fixed Loan rate on the date the loan account is opened is different. Should the SME Fixed rate or Business Fixed Loan rate have changed:
 - (a) the prevailing SME Fixed rate or Business Fixed Loan rate on the date the loan account is opened will apply for the period of the facility;
 - (b) the amount of the Borrower's repayments will be recalculated and the Bank will contact the Borrower after the loan account is opened, with details of the interest rate and the recalculated repayments that will apply to the facility;
 - (c) if the Borrower does not accept the SME Fixed rate or Business Fixed Loan rate that prevails on the date the loan account is opened, the Borrower may withdraw from the facility. If the Borrower withdraws, the Borrower must repay the full amount owed to the Bank under the facility (including interest, fees, charges and expenses) otherwise the letter of sanction applicable to the facility will continue to apply;
 - (v) clause 3.4 will apply to any residual balance outstanding at the end of the repayment period, with the exception that a residual balance will attract the SME Fixed rate or Business Fixed Loan rate that applies to the facility and will not attract variable interest at the then appropriate rate; and
 - (vi) clause 7.2.5 will not apply to a facility sanctioned by reference to the SME Fixed rate and the Bank may, in its absolute discretion, permit partial drawings on the facility. Where partial drawings are permitted:
 - (a) the interest rate applicable to each amount drawn down, will be the SME Fixed rate that applies to the facility; and
 - (b) the amount of the Borrower's repayments will remain unchanged for the period of the facility.

Basis of Calculation

- 5.4** Interest is calculated on a daily basis using the 365 day count convention (unless a 360 day count convention is specified in the letter of sanction or other documents issued by the Bank to the Borrower in relation to a facility). This means that interest is calculated daily on the relevant balance applying the relevant interest rate divided by 365 (or 360 if that day count convention applies).

In the event of a change in the day count convention the Bank will advise Customers by publication in at least one national newspaper or by such other manner as the Bank deems appropriate.

Calculation of Interest

- 5.5** Interest is calculated on the balance outstanding each day on accounts after adjustment is made for cheques and other items

in course of collection to and from the particular branch in which the account is held. Interest is, therefore, not necessarily charged on the daily balance of the account as shown on the Borrower's statement. The adjustment will reflect the actual time at which value will have been given or obtained by the Borrower's branch for items drawn on or lodged to the account.

Interest Rests

- 5.6** Interest is debited to accounts quarterly in March, June, September and December in each year (except in the case of facilities sanctioned by reference to a Market Related rate, Business Fixed Loan rate or Business Variable Loan rate) and up to the date of final repayment of the facility, but this may change, in which case the Bank will give three months' notice to the Borrower.

For a facility sanctioned by reference to a Business Fixed Loan rate or Business Variable Loan rate, interest is debited to the account on the date the repayment is due in line with the repayment schedule, but this may change, in which case the Bank will give three months' notice to the Borrower.

For a facility sanctioned by reference to a Business Fixed Loan rate or Business Variable Loan rate, where the Bank agrees to a payment break for a Borrower, interest will be capitalised at the end of the payment break period and not made due with the next repayment after the payment break period.

For a facility sanctioned by reference to a Market Related rate, details of how interest will be payable will be set out in the Borrower's letter of sanction.

Interest Debited to Accounts

- 5.7** Interest will be debited to the account on which it has accrued or to such other account as may be agreed between the Borrower and the Bank.

Compound Interest

- 5.8.1** All interest charged by the Bank on facilities is compound interest. This means that interest owing on accounts will itself bear interest until it is paid. This is without prejudice to any other right the Bank may have arising out of any failure by the Borrower to pay interest when due.
- 5.8.2** Compound interest will continue to accrue on all balances until the full amount due to the Bank has been repaid notwithstanding any demand by the Bank for payment, the termination of the Banker/Customer contract, bankruptcy, liquidation, examinership, or the appointment of a receiver in respect of the Borrower, or the issue of proceedings by the Bank against the Borrower for payment.

Interest Set-Off on Current Account

- 5.9** Where a Borrower has an overdraft and at the same time maintains a credit current account with the same branch and the Bank has a right to set-off the balances in those accounts, the Bank may agree to charge a reduced rate of interest (subject to a minimum of 1% per annum, but this may change) on that portion of the debit balance covered by the credit balance. No set-off for interest purposes is allowed for any facility other than overdraft. For further details, please refer to the separate set-off advice and accompanying Terms and Conditions for Set-Off (together the "Set-Off Conditions") that will apply to any such overdraft. If there is any conflict between the general terms and conditions set out in this booklet and the "Set-Off Conditions", then the "Set-Off Conditions" will prevail.

Section 6

Electronic Commerce, Digital Banking and Forward Foreign Exchange

Application

- 6.0** The terms and conditions set out in this section apply to all facilities.

Electronic Commerce and Digital Banking

- 6.1.1** The Bank may:

- (i) offer facilities in more than one way, for example in branch or online; and
- (ii) provide some or all documents in electronic form and part of or all of any Bank processes may be online.

However the facilities are offered, the Bank may store documents (including the letter of sanction and any related documents) electronically. Both the Bank and the Borrower may sign documents electronically.

6.1.2 The Borrower consents and agrees that:

- (i) the letter of sanction and any related documents and information may be provided in electronic form; and
- (ii) both the Borrower and the Bank may use an electronic signature to sign the letter of sanction and any related documents; and
- (iii) information and documents (including the letter of sanction and any related documents) may be retained, presented and produced by the Bank in electronic form whether originally provided in electronic form or otherwise.

6.1.3 The Borrower may ask for an electronic or paper copy of the letter of sanction and any related documents from the Bank at any time.

6.1.4 When asked to do so by the Bank, the Borrower will print or download any documents provided in electronic form by the Bank.

6.1.5 The Bank and the Borrower agree that paragraphs (1) and (2) of Regulation 13 and paragraphs (1) (a) and (2) of Regulation 14 of S.I. 68/2003 – European Communities (Directive 2000/31/Ec) Regulations 2003 do not apply.

Forward Foreign Exchange Facility

6.2.1 From the 2nd of September 2017, where a letter of sanction is entered into between the Bank and the Customer in which the Bank approves Credit Risk Limits for the Customer to enter into forward foreign exchange transactions with the Bank, the AIB Customer Treasury Services FX & Derivatives Terms and Conditions (as may be replaced, amended or supplemented from time-to-time - the “**Treasury Terms and Conditions**”) shall apply in respect of all such transactions.

6.2.2 For the avoidance of doubt, forward foreign exchange facilities sanctioned under any letter of sanction entered into between the Bank and Customer prior to the 2nd of September 2017 will continue to be subject to the terms and conditions on which they were sanctioned.

Section 7

General

Application

7.0 The terms and conditions set out in this section apply to all facilities.

Acceptance

7.1.1 If the Borrower draws down or avails of a facility in whole or in part this will constitute acceptance by the Borrower of the terms and conditions of the facility.

7.1.2 The Bank may, at its discretion, at any time extend any acceptance period specified in the letter of sanction with or without notice to the Borrower.

Drawdown Availability

7.2.1 When all pre-drawdown conditions set out in the Letter of Sanction have been complied with, then the facilities may be drawn down.

7.2.2 For loan account facilities where a Business Fixed Loan rate or a Business Variable Loan rate applies, the facility must be availed of before the acceptance date set out in the Borrower’s letter of sanction. All other facilities must be availed of within three months from the date of the letter of sanction.

7.2.3 The Bank’s commitment will be limited to the amount of the facility which has been drawn down at the expiration of the availability period.

7.2.4 The Bank may, at its discretion, extend the availability period.

7.2.5 Partial drawings will not be permitted on Business Variable Loan rate loans, Fixed Market Related rate loans or any other fixed rate facilities.

7.2.6 The Bank may at its absolute discretion on the date of a proposed drawdown or utilisation of the whole or any part of any facility refuse such drawdown or utilisation if any of the representations and warranties in clause 7.10 are not true and accurate (in the Bank’s opinion) on such date.

Cancellation

7.3 The Bank may at its absolute discretion:

- (i) cancel a facility before it is drawn down or availed of; or
- (ii) refuse any further drawdown or utilisation of any part of any facility,

if there occurs a material change relevant to the Borrower (or any guarantor for the Borrower) or the facility which is in the Bank’s opinion prejudicial to its interests.

Operation of Accounts

7.4.1 The Borrower must ensure that adequate arrangements are in place to meet all payments in respect of facilities, whether of principal, interest or otherwise.

7.4.2 The Bank reserves the right to reverse any entry on a Customer’s account if any item credited to the account is not paid or if a payment credited to the account is subsequently recalled.

Joint and Several Liability

7.5. Each party to a facility on a joint account is jointly and severally liable to the Bank for repayment of the facility and is subject to all of the applicable terms and conditions.

Option of Annual Review

7.6.1 All business Borrowers are offered the option of an annual review meeting in relation to all facilities and security. Borrowers should contact their relationship manager or branch to arrange a meeting.

7.6.2 Whether or not a Borrower requests an annual review, the Bank may conduct its own review of the facilities and any security (including the Borrower’s obligations and the Borrower’s business, performance and financial circumstances generally) on or about any specified date, and annually thereafter (if applicable) with or without notice to the Borrower.

7.6.3 The Bank reserves the right to conduct a review on any other date or at more frequent intervals if it deems it appropriate, at its absolute discretion.

Facilities Involving Contingent Obligations

7.7.1 The offer of facilities by way of bank guarantees, documentary credits, bonds and indemnities and other contingent obligations undertaken by the Bank to third parties will lapse if not availed of within six months from the date of the letter of sanction.

7.7.2 Commission in respect of contingent obligations (including bonds, guarantees and indemnities but excluding Undertakings issued under the AIB Trade Finance Terms and Conditions) undertaken by the Bank to third parties on behalf or at the request of the customer will be charged quarterly (or part thereof) in arrears while the obligations continue. The first quarter’s commission will be payable three calendar months after the contingent obligation instrument has been issued by the Bank to the third party.

7.7.3 (i) Commission is calculated daily on the maximum amount of the contingent obligation, applying the relevant rate of commission divided by 365.

(ii) Commission will be debited to the Customer’s working account or such other account as the Bank deems appropriate.

(iii) The frequency, method of charging and debiting commission may change, in which case the Bank will give Customers 30 days’ notice by writing to them or, as the Bank sees fit, by publication in at least one national newspaper.

7.7.4 During the currency of any contingent obligation arrangement made on behalf of a customer, the happening of any of the events set out in Clause 4.2 may lead to the Bank terminating the arrangement with or without notice to the customer.

7.7.5 Where, pursuant to any contingent obligation arrangement made with or on behalf of a customer, the Bank is obliged to make

payment to a third party or otherwise incur any cost, the amount of such payment or cost will be debited to the working account of the customer or such other account in the name of the customer as the bank deems appropriate (including, where necessary, the opening of a new account by the Bank for that purpose). Any resulting debit balance on such new account will be payable on demand and will constitute an excess balance and will attract interest at the Bank's AA Overdraft rate or such other default interest rate as the Bank may substitute therefore calculated and charged in accordance with Section V.

Fees, Charges and Expenses

7.8.1 The Borrower must pay certain fees, charges and expenses (including VAT, where relevant) in relation to the facilities and these possible fees, charges and expenses are set out below:

- (i) the Borrower must pay any fees and charges that the Bank may charge in relation to any facility, any security and the operation of accounts. These fees and charges are stated in the letter of sanction or set out and/or explained in the current editions of the Bank's booklets "Business Fees and Charges" and "Security Costs for Borrowings" (these booklets are available in any of our branches and/or on our website). Subject to notifying the relevant authority (where required), the Bank may from time to time alter these fees or charges and/or introduce new fees or charges. The Bank will advertise any changes to fees and charges applicable to the operation of accounts in at least one national newspaper;
- (ii) the Borrower must pay any fees, charges or expenses incurred by the Bank and/or relating to any receiver or other insolvency officer in connection with any facility, security and/or any obligations and liabilities of the Borrower under any facility. These include any fees, charges and expenses for any of the Bank's professional advisors (for example, legal fees and outlay), specialist consultants (for example, valuation fees) and/or for any assessments/examinations considered necessary by the Bank; and
- (iii) the Borrower must pay any fees, charges and expenses charged by any of its own advisers in relation to any facility and/or any item of security.

7.8.2 The Borrower must pay the above fees, charges and expenses whether or not the facilities have been drawn down or utilised in whole or in part.

7.8.3 The Bank may debit the full amount of the above fees, charges and expenses to any account(s) maintained by the Borrower with the Bank and, if necessary, the Bank may open an account in the Borrower's name specifically for this purpose. The Bank may also transfer any such monies to the credit of the Bank or any relevant payee.

Security

7.9.1 It is the Bank's policy to require security (collateral) where, having regard to the nature and value of the facility being offered, and the circumstances of the Borrower, it considers the provision of security to be reasonable, and necessary to protect the Bank's interest.

7.9.2 Where a facility is expressed in the letter of sanction to be subject to security, the facility will be subject to such security being executed and delivered to the Bank to the Bank's satisfaction before the facility is drawn down or availed of in whole or in part. Any waiver by the Bank of the terms of this clause will be without prejudice to its rights to insist at a later stage to the provision of such security or to take any action as a result of the non-provision of such security.

7.9.3 Before any facility is drawn down or availed of, the Borrower will facilitate an independent valuation(s) of any asset (including without limitation any land and/or buildings) and/or the Borrower's business if requested to do so by the Bank. Any such valuation(s) will be at the Borrower's own expense and (unless agreed otherwise with the Bank) will be furnished by a valuer chosen from the Bank's approved panel of valuers and addressed to the Bank.

7.9.4 Security will extend to cover all the present and future obligations of the Borrower to the Bank whether in the Borrower's sole name or jointly with another or others, whether as principal or surety and whether actual or contingent.

7.9.5 Security over lands and/or buildings will be accompanied by the Borrower's solicitor's clear report and certificate of good marketable title completed, unamended, in the Bank's standard form.

7.9.6 Security will rank as a first mortgage or charge on the relevant property of the Borrower.

7.9.7 (i) The Borrower must take out and maintain for the period of the facility index linked insurance cover on the Borrower's business and assets (including any property and/or asset the subject of any security for the facilities) for fire and other usual risks for its full reinstatement cost with an insurance company acceptable to the Bank.

(ii) Before the facility is drawn down or availed of, and on request at any time during the period of the facility, the Borrower must produce to the Bank evidence that the insurance cover exists and of payment of any premiums or any other sums.

(iii) The Borrower will ensure (and will produce evidence to the Bank if requested to do so) that the Bank's interest is noted on any of the Borrower's insurance policies relating to any property and/or assets the subject of any security for the facilities, unless the Bank gives the Borrower notice that the Bank wants to be co-insured on any or all such insurance policies. As soon as the Borrower receives any such notice, the Borrower will immediately take all actions required to ensure the Bank is co-insured on such policies.

(iv) The Borrower will ensure that the insurance policies contain any provisions that the Bank may reasonably require to protect itself.

(v) The Borrower will ensure that all premiums are paid on time and that the Borrower does all other things necessary to ensure these insurance policies remain in force while facilities remain outstanding.

(vi) If the Borrower does not do so the Bank may (but without obligation) pay any premium or effect such insurance at the cost of the Borrower and may debit such cost to any account of the Borrower.

(vii) The Bank will have no liability to the Borrower if the insurance company does not pay or if the property and/or assets are not insured or are not properly insured for any reason at any time.

7.9.8 The Bank does not warrant that the proceeds of realisation of any security and particularly the proceeds of any life policy held as security will be sufficient to clear the entire amount of the facility and any Breakage Cost which may arise.

7.9.9 While facilities remain outstanding, the Borrower will not (and will not allow any other party on the Borrower's behalf to), without the Bank's prior written consent, sell, transfer, lease or otherwise dispose of any interest in any property, asset or undertaking of the Borrower which is the subject of any security for the facilities either in a single transaction or in a series of transactions, whether related or not and whether voluntarily or involuntarily.

7.9.10 There are serious potential consequences of providing security, including that, if the Bank demands repayment of facilities and the Borrower does not pay in full immediately, the Bank may enforce its security against the security provider. This may mean, for example, that the Bank may:

(i) dispose of any property held as security towards payment of the Borrower's liability; and/or

(ii) take legal proceedings against the security provider to recover what the Borrower owes, including any fees, charges and expenses involved in such litigation.

7.9.11 If the security includes a guarantee, the Bank must notify the terms of the facility, and any changes in those terms, to the guarantor.

7.9.12 The Borrower will be responsible for all fees charged by the Bank for specialist securities services and all solicitors fees and other costs incurred by the Bank in relation to the obtainment, perfection and enforcement of security.

7.9.13 The Borrower will also be responsible for all professional fees of the Borrower's solicitor (and, where applicable, the Borrower's spouse's or civil partner's solicitor where that spouse or civil partner is independently advised), including VAT, and all outlays, stamp duties and registration fees payable in relation to the perfection of the security.

7.9.14 The Borrower will pay such reasonable charges as may be required by the Bank in relation to the release of any security.

7.9.15 If the Borrower avails now or in the future of iBusiness Banking or the Electronic Money Transfer System services from the Bank (or any replacement or similar service(s) offered by the Bank from time to time) and the Bank on any occasion permits a transaction where there are insufficient funds to meet such transaction, then, without prejudice to any other remedies available to the Bank, the security for the facilities will also secure the Borrower's

obligation to repay the amount of any such shortfall of funds that were made available by the Bank. The fact that the Bank may permit transactions on one or more occasions where there are insufficient funds, will not oblige the Bank to do so on any subsequent occasion.

7.9.16 The Borrower (where such Borrower is a company) agrees to the registration of any charge created or intended to be created by it in the companies registration office.

7.9.17 Where a Personal Guarantee has been provided in respect of the Borrowers facility, when requested, each Guarantor will promptly deliver to the Bank up to date financial and other relevant information such as a self-certified statement of affairs.

Breach and Variation

- 7.13** The Borrower and each guarantor (if any) agree and acknowledge that each of the terms and conditions applicable to a facility are for the benefit of the Bank and may be waived by the Bank at its absolute discretion without the consent of the Borrower or any guarantor. Any waiver by the Bank of any of the terms or conditions applicable to a facility will not constitute a general waiver of such term or condition. No failure or delay by the Bank in exercising any right, power or privilege granted to it will operate as a waiver thereof and no single or partial exercise of any such right, power or privilege will prevent the Bank from later exercising any such right, power or privilege. The rights and remedies provided for in the letter of sanction and this booklet are cumulative and not exclusive of any rights or remedies provided by law.

Full Payment

- 7.14** All sums payable by the Borrower in respect of facilities (whether of principal, interest or otherwise) will be paid in the currency in which they are outstanding in full without any deduction, set-off, counterclaim or withholding whatsoever. - (i) the Borrower will ensure that such deduction or withholding will not exceed the minimum legal liability thereof; and

Exchange Loss

- 7.15** In relation to foreign currency facilities, the Bank will not be liable for any loss or expense incurred by the Borrower:
- (i) as a result of the Bank's inability to determine the rate of interest on the facility prior to drawdown; and/or

Business Days

- 7.16** A "business day" means a day on which the Bank's branches are generally open for business in Ireland. Any payment which would be due and payable on a non-business day, or on the 29th, 30th or 31st day of a calendar month which does not include that date, will be deemed due and payable on the nearest business day which the Bank deems appropriate.

Assignment by the Bank

- 7.18** The Bank reserves the right to assign, charge, transfer (by way of novation, securitisation or otherwise) or sub-participate all or part of the Facilities and any security held as collateral in respect thereof to any member of the Allied Irish Banks Group or to any third party, either within the State or elsewhere, without notice to or the prior consent of the Borrower.

The Borrower agrees to execute, at the cost of the Bank, any documentation (including without prejudice to the generality of the foregoing, any deed of novation) which the Bank requests it to execute in connection with any such assignment, charge, transfer, sub-participation or securitisation and in consideration of the Facilities and as security therefore, the Borrower irrevocably

appoints the Bank to be its attorney for the purpose of the execution of any such documentation.

7.19 On default by the Borrower the bank reserves the right to refer the outstanding debt in relation to facilities to another organisation or debt-collection agency for the purpose of collection of payment and to give such organisation or agency such information as it deems necessary relating to the Borrower and any facility.

Disclosure within AIB Group

7.20 The Bank may disclose information about the Borrower and any facility to any of the companies in the Allied Irish Banks Group.

Severability

7.21 In case any one or more of the terms and conditions relating to a facility should be invalid, illegal or unenforceable in any respect under any law the validity, legality or enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Applicable Law

7.24 Facilities will be governed and construed in accordance with the laws of Ireland.

Set-Off

7.25 The Bank may, in addition to any other similar right it may have, at any time, without notice to the Borrower, set-off any credit balance on any account of the Borrower with the Bank against any sums which are or may become owing to the Bank by the Borrower in any manner or on any account whatsoever.

Conflicts of Interest

7.26 It is an unavoidable feature of the Bank's business that a conflict of interest may arise in any transaction, whether due to an interest of the Bank in the transaction or an interest of more than one customer in the transaction, or some other circumstance affecting the transaction. By accepting any facility, the Borrower acknowledges the general nature of such conflict and that the Borrower still wishes to proceed with the transaction. Details of the Bank's policy on conflicts of interest are available from all branches and in the Terms of Business at www.aib.ie

Increased Costs

7.27 If the cost to the Bank of making or maintaining a facility increases as a result of the introduction of, or any change in Reserve Requirements then, save to the extent that the Bank has already been compensated for such cost, the Bank may increase the interest rate applicable to the facility by an amount which the Bank determines (in its absolute discretion) is sufficient to compensate the Bank for such increased cost.

Guarantor Execution

7.28 The Borrower and each guarantor of the Borrower acknowledge and agree that the Borrower's liability to the Bank under any relevant letter of sanction and the security for the facilities and under any and all guarantees, indemnities, covenants, undertakings and other instruments now or at any time held by the Bank will be unaffected by the non-execution of the letter of sanction by any or all of the guarantors of the Borrower.

Existing Facilities

7.29 If the letter of sanction relates to one or more existing facilities, some of the figures outlined in the description of the relevant facilities in the letter of sanction may change before the Borrower has drawn down or availed of the facilities (for example, if there are any amounts debited or credited to a Borrower's existing account that may have accrued or been incurred under a previous agreement relating to the existing facility). Any amount whatsoever (including interest, fees, charges or expenses) that a Borrower owes the Bank under a previous agreement that has not been paid will be debited to the Borrower's account for that facility and paid in accordance with the relevant letter of sanction.

Entire Agreement

7.30 The letter of sanction issued by the Bank (as varied, replaced or supplemented from time to time), together with the terms and conditions set out in this booklet constitute the entire understanding between the parties as regards the relevant facilities and subject to the terms of the letter of sanction, supercede any arrangements, understandings, promises or agreements (whether written or otherwise) made or existing between the parties prior to the signing of the letter of sanction.

Counterparts

7.31 The letter of sanction may be executed in any number of counterparts and by the different parties on separate counterparts, each of which when executed and delivered will constitute an original and all such counterparts together will constitute one and the same instrument.
