Section I

Introduction and interpretation

Introduction

1.1.0 This booklet sets out the general terms and conditions governing lending and other facilities (“the facilities”) provided to Customers (“the Borrowers” which expression shall, where the context so permits, include their successors and permitted assigns) by Allied Irish Banks, p.l.c. (“the Bank” which expression shall, where the context so permits, include its successors, assigns, chargees, transferees or sub-participants) where the facilities invoke all or any of the terms and conditions set out herein.

1.1.1 Facilities provided by the Bank include, for example, the following:

- (i) **overdraft:** usually short term facilities for working capital where the account balance shows fluctuations between debit and credit;
- (ii) **credit lines:** classified as overdraft facilities which may be used for working capital only for business or farming purposes;
- (iii) **loan account:** usually medium to long term facilities with customised repayment options;
- (iv) **term loan:** usually facilities intended for a specific purpose repayable by regular repayments within a stated period;
- (v) forward foreign exchange facilities, bank guarantees and documentary credits, bonds and indemnities provided by the Bank to third parties on behalf of Customers.

The above examples are not intended to be exhaustive and the terms and conditions set out in this booklet may be invoked to apply to other facilities.

1.1.2 Other specific terms and conditions may apply to facilities in accordance with the relevant letter of sanction or other agreement in writing between the Bank and the Borrower and to the extent (if any) that the specific terms and conditions conflict with the general terms and conditions set out in this booklet, then the specific terms and conditions will apply.

Certain terms of the Borrower’s letter of sanction may be varied at the Borrower’s request subject to and in accordance with clause 3.3.3.

For the purpose of clarity, it should be noted that unless a new facility is sanctioned to renew, replace or restructure existing facilities, the existing facilities will continue to be subject to the terms and conditions on which they were sanctioned.

1.1.3 The Bank may from time to time change the terms and conditions set out in this booklet and all facilities will be governed by the then changed terms and conditions.

Interpretation

1.1.4 In this booklet unless the context otherwise requires:

- (i) references to sections and clauses refer to the relevant sections and clauses of this booklet; and
- (ii) where the context so permits the singular includes the plural and vice versa; and
- (iii) the headings or marginal titles used in this booklet are for ease of reference only and will not affect the construction or interpretation thereof; and
- (iv) references to “Customer” are deemed to include “Borrower”; and
- (v) references to any statutory provision, or to any order or regulation includes a reference to that provision, order or regulation as extended,

modified, replaced or re-enacted from time to time; and

- (vi) “Group” means the Borrower, every Holding Company and Subsidiary of the Borrower for the time being (if any) and every Subsidiary of every such Holding Company for the time being (if any) and includes companies falling within the definition of “group of companies” as defined in Section 8 of the Companies Act 2014; and
- (vii) “Holding Company” means a holding company within the meaning of Section 8 of the Companies Act 2014; and
- (viii) “Regulatory Authority” will include the Central Bank of Ireland, the European Central Bank, the Minister for Finance of Ireland and any other regulatory, fiscal, monetary or other authority in or of Ireland or elsewhere having jurisdiction over the Bank or any subsidiary of the Bank whether or not having the force of law; and
- (ix) “Subsidiary” means a subsidiary as defined in Section 7 of the Companies Act 2014 and includes companies falling within the definition of “wholly owned subsidiary” as defined in section 8 of the Companies Act 2014; and
- (x) references to the “terms” and/or “conditions” of any facility include, as applicable, any term, condition, covenant, representation, warranty or other obligation in such facility.

Section II

Overdraft and Credit Lines

Application

2.0 The terms and conditions set out in this section apply to overdraft and credit line facilities.

Repayable on Demand

- 2.1.1 Overdraft and credit line facilities are repayable on demand. However, in normal circumstances, the Bank expects that the overdraft or credit line facilities will be available until the review date stated in the letter of sanction (if any), without obligation on the part of the Bank to continue to provide the facility after such date.
- 2.1.2 Without prejudice to the Bank’s right to demand repayment at any time, the happening of any of the events set out in clause 4.2 may lead to the Bank terminating the facility and making demand for payment, with or without notice to the Borrower.

Limit

- 2.2.1 A limit representing the amount of the facility will be stated in the letter of sanction and will apply to the facility.
- 2.2.2 The Borrower must ensure that the debit balance on the current or credit line account does not exceed the limit.
- 2.2.3 With the exception of Overdrafts to which Prime Rate applies, the balance on a current account or credit line account must achieve a minimum period of thirty days credit or nil balance (whether consecutive or otherwise) during the twelve months following the date of sanction and in each subsequent period of twelve months during the continuance of the facility.
- 2.2.4 Where a Borrower maintains more than one business current account at the same branch (other than excluded current accounts) then the Bank may agree that an overdraft limit will operate as a limit governing

the net aggregate balance on those current accounts. In such circumstances, the Borrower must at all times maintain the net position within the limit. If a net excess would otherwise occur, cheques may be returned unpaid notwithstanding that the particular account on which the cheque is drawn shows a credit balance.

Operation of Account

- 2.3.1 Any item which if paid would have the effect of overdrawing the account in the absence of or in excess of a sanctioned limit may be returned unpaid by the Bank. If, in its discretion, the Bank pays any such item, this will not give rise to any obligation on the Bank to pay any such items on any subsequent occasion.
- 2.3.2 The Bank will not be obliged to give prior notice regarding the presentation and/or dishonour of items drawn on the account. The giving of such notice on any specific occasion will not mean that the Bank will do so on any subsequent occasion.
- 2.3.3 Cheques and other items subject to collection which are lodged to accounts are subject to the possibility of non-payment ("uncleared effects"). The Borrower will not be entitled as of right to draw against uncleared effects. Payment by the Bank against uncleared effects will not give rise to any obligation on the Bank to do so on any subsequent occasion.

Interest

- 2.4 Compound interest will accrue on debit balances from time to time, calculated and charged in accordance with Section V.

Drawdown of Credit Lines

- 2.5 Credit Line facilities may only be drawn down by way of transfer to the Borrower's working account.

Section III

Loan Account

Application

- 3.0 The terms and conditions set out in this section apply to loan account facilities.

Repayable on Demand

- 3.1.1 Loan account facilities are repayable on demand. However, in normal circumstances, the Bank expects that the loan will be available as stated in the letter of sanction.
- 3.1.2 Without prejudice to the Bank's right to demand repayment at any time, the happening of any of the events set out in clause 4.2 may lead to the Bank making demand for payment, with or without notice to the Borrower.

Interest

- 3.2.1 Compound interest will accrue on the balance of the loan account from time to time, calculated and charged in accordance with Section V.

Limit

- 3.2.2 A limit representing the amount of the facility will be stated in the letter of sanction and will apply to the facility. This limit will reduce in line with the repayments specified in the letter of sanction or as otherwise

agreed. Where the repayments are inclusive of principal and interest the limit will increase when the Bank debits interest to the loan account.

Repayments

- 3.3.1 The Borrower will punctually pay the repayments specified in the letter of sanction. The Borrower may be required to complete a direct debiting and/or a standing order instruction for the purpose of the repayments. At the discretion of the Bank, notwithstanding any intervening expiry date, any direct debit(s) and/or standing order(s) for the agreed periodic repayment amounts may continue to be presented until the full amount of the loan and any other amounts due in respect of the loan have been repaid.
- 3.3.2 If the interest rate varies during the repayment period the Bank may (but without obligation to do so)
- (a) vary the amount of the repayments:
 - (i) by changing the amount of the variable direct debit(s) and/or by accepting a new standing order instruction(s) for the changed amount (where applicable)
 - or
 - (ii) on service of thirty days' notice to the borrower
 - (b) adjust the number of the repayments
 - (c) adjust the amount of the final repayment.
- 3.3.3 Subject to agreement by the Bank in writing, the Borrower may request certain minor changes to the Borrower's repayment arrangements as specified in the letter of sanction (for example a change to the repayment date or repayment frequency). Where appropriate following such a request from the Borrower, the Bank may (but without obligation to do so):
- (a) vary the amount of repayments by changing the amount of any variable direct debit and/or by accepting a new standing order instruction(s) for the changed amount (where applicable);
 - (b) adjust the number of repayments;
 - (c) adjust the date of repayments; or
 - (d) adjust the amount of the final repayment.

Making these changes may extend the period of the credit agreement applicable to the facility, result in an increase in the amount of interest paid on the facility and/or may increase the total amount repayable.

Residual Balance

- 3.4 Any residual balance outstanding at the end of the repayment period (whether arising from fluctuations in the applicable interest rate, default by the Borrower in the repayment of principal or interest on the due dates, timing of drawdown, scheduled repayments falling due on non-business days, or otherwise howsoever) will attract variable interest at the then appropriate rate and will become immediately due and payable, unless the Bank, in its absolute discretion, (a) agrees to other repayment arrangements with the Borrower or (b) agrees to continue to present any direct debit(s) and/or standing order(s) for the agreed periodic repayment amounts until the full amount of the residual balance and any other amounts due in respect of the loan have been repaid. Any credit balance which remains outstanding will become immediately available to the Borrower.

Early Repayment

- 3.5 At any time during the period of a facility when a variable interest rate applies, the Borrower will be entitled without penalty to effect full or partial early repayment of the loan.

Breakage Cost

- 3.6.1 At any time during the period of a facility when a fixed interest rate applies (including the duration of an Interest Period as defined in clause 5.3.2) the following definitions will apply:

“Prepayment” means

- (i) if the Bank at its discretion agrees to allow full or partial out of course repayment or conversion of the facility to another interest rate, or
- (ii) if the Borrower makes payment following demand for payment by the Bank.

“Cost of Funds” has the meaning set out in clause 5.3.2 (ii).

“Breakage Cost” means the replacement cost to the Bank resulting from a Prepayment.

- 3.6.2 Except where payment is being made immediately following demand by the Bank, the Borrower must serve at least three business days prior notice to the Bank of any proposed Prepayment.

- 3.6.3 Prepayment will be subject to the payment by the Borrower of a Breakage Cost, to be calculated:

- (i) where the period for which interest is fixed is less than one year or where the interest period is fixed for one year with no scheduled repayments during such one year period, using the following formula: Breakage Cost = $A \times U \times D\%$, where:

“A” is the amount of the Prepayment and

“U” is the unexpired term of the fixed interest rate period, and

“D” is the difference between the Cost of Funds applying to the facility when the rate was fixed and the Cost of Funds applying at the time of Prepayment, for the amount of “A” for the term of “U”.

- (ii) where the period for which interest is fixed is more than one year or where the interest period is for one year with scheduled repayments during such one year period, Breakage Cost will be calculated taking into account the following:
 - (a) the difference between the Cost of Funds applying to the facility when the rate was fixed, and the Cost of Funds at the time of the Prepayment in the amount of the Prepayment, and
 - (b) associated cashflows for the remainder of the fixed rate term and applying a discount factor in accordance with standard net present value methodology.

Early Repayment and Prepayment

- 3.7 Any early Repayment or Prepayment is treated as a permanent reduction and cannot be redrawn. Any such amount will shorten the repayment period but the Borrower must continue to make the repayments specified in the letter of sanction unless otherwise agreed.

Loans to Small and Medium Enterprises (‘SMEs’) under the European Investment Bank (‘EIB’) Loan Scheme (‘EIB SME Scheme’)

- 3.8 Where facilities which are sanctioned under the EIB SME Scheme the facilities are supported by the EIB and are sanctioned at an interest rate which is at least 0.70% (seventy basis points) lower than the rate which would apply to such facilities without the EIB support. EIB SME facilities are intended for the purposes of projects which comply with the eligibility criteria agreed between the Bank and the EIB from time to time (Projects) and the following conditions will apply:
- (i) the facilities will be used exclusively for the purposes of the Projects for which they were envisaged and within 3 years of the date of sanction.
 - (ii) where the Borrower is bound to comply with public procurement rules, sub-projects undertaken by the Borrower with the proceeds of the loan will comply with the relevant applicable EU and Irish legislation.
 - (iii) The Borrower will permit the persons appointed by the Bank and/or EIB to inspect all sites, installations and works comprising the Projects and provide such persons with all necessary assistance and information for such purposes.
 - (iv) The Borrower acknowledges that the Bank will disclose to EIB details of the Projects, the facilities, the latest registered financial statements of the Borrower and such further information as the EIB may require concerning the activities and general financial position of the Borrower.
 - (v) The assets or investments acquired or developed as part of the Projects will not be located outside Ireland or another EU state and will be maintained by the Borrower in good working order.
 - (vi) The Borrower will not use the facilities for any of the following:
 - (a) Production of weapons and ammunition, arms, military or police equipment or infrastructures, and equipment or infrastructure limiting people’s individual rights and freedom (i.e. prisons, detention centres of any form);
 - (b) Gambling and related equipment;
 - (c) Tobacco manufacturing, processing, or distribution;
 - (d) Activities involving live animals for experimental and scientific purposes;
 - (e) Activities which give rise to environmental impacts that are not largely mitigated and/or compensated (see also the Borrower’s Covenants at Clause 7.11 (vii) and (viii) about compliance with all applicable laws (including laws relating to the protection of the environment) relating to the business and property of the Borrower);
 - (f) Any purpose which in the opinion of the Bank is ethically or morally controversial;
 - (g) Pure real estate development activity;
 - (h) The Purchase of Farmland.

Loans to Small and Medium Enterprises (‘SMEs’) covered by the Scheme Guarantee under the Credit Guarantee Scheme (the ‘Scheme’) in accordance with Credit Guarantee Act 2012

- 3.9 Loans or other facilities supported by the Scheme (‘Scheme Facilities’) will be subject to the following:

- (i) the Borrower covenants that all information disclosed in or in relation to the application for the Scheme Facilities is in all respects true and accurate;
- (ii) the Borrower acknowledges that notwithstanding the Scheme Guarantee, the Borrower remains liable for payment of 100% of the outstanding Scheme Facility and that normal recovery and enforcement procedures (against the Borrower and any guarantor) will be pursued by the Bank before any claim is made by the Bank under the Scheme Guarantee;
- (iii) (a) the Borrower covenants with the Bank that the Borrower will pay the Department of Jobs, Enterprise and Innovation or its nominated operator ("the Operator") an annual Premium in respect of the Scheme Guarantee of 2% of the annual outstanding principal balance of the Scheme Facility in accordance with the Premium Schedule provided to the Borrower by the Bank;
- (b) prior to drawdown of the whole or any part of the Scheme Facility the Borrower must:
 - Pay the first annual premium to the Bank on behalf of the Operator, and
 - Make provision for payment of the remaining Premium payments to the satisfaction of the Operator.
- (c) if the Bank is notified by the Operator that the Borrower has failed to pay a Premium, the Bank will be entitled (but not obliged) to pay the Premium at debit of the Scheme Facility account or any other account in the name of the Borrower without any obligation to notify the Borrower. Alternatively the Bank may at its discretion pay any unpaid Premium from its own funds and will be entitled to recover payment from the Borrower as part of the Scheme Facility.
- (iv) all recoveries received by the Bank will be applied in accordance with the terms of the Scheme. Further information on this is available on the Government website www.djei.ie

Drawdown

3.10 In order to draw down loan account facilities the Borrower must comply with all pre-drawdown conditions stated in the letter of sanction and may also be required to complete drawdown instructions and a direct debiting instruction.

- 4.2 A term loan though expressed to be repayable over or within a specified period may be terminated by the Bank and the Bank may demand early repayment at any time with or without notice to the Borrower upon the occurrence of any of the following events:

- (i) On the failure by the Borrower to make any repayment of principal or interest on the date it is due.
- (ii) On the Borrower ceasing or threatening to cease to carry on business or any substantial part thereof.
- (iii) On the death of the Borrower or of any guarantor for the Borrower.

- (ix) On a material change relevant to the Borrower occurring which is in the opinion of the Bank prejudicial to the Bank's interests.

Section V

Interest

Application

- 5.0 The terms and conditions set out in this section apply to all facilities.

Determination of Applicable Interest Rates

- 5.1.1 The interest rate applicable to a facility will be determined by the Bank by reference to the business of the Borrower and the purpose, risk and term of the facility.
- 5.1.2 The variable or fixed interest rate applicable to facilities will be stated in the letter of sanction with reference where appropriate to the interest rate category determined by the Bank.
- 5.1.3 The Bank's interest rate categories are, at present, as follows:
- (i) A, AA, AAA or Charity (as appropriate to the particular facility)
 - (ii) Premium Business
 - (iii) Prime
 - (iv) Base Lending
 - (v) Credit Lines
 - (vi) Market Related
 - (vii) Standard Variable Business Loan
 - (viii) SME Fixed
 - (ix) SME Variable Business Loan
 - (x) SBCI Brexit / Covid 19 Loan
 - (xi) SBCI Variable

These interest rate categories are not exhaustive and the Bank will be at liberty at any time to extend or modify them. Any such changes and the dates applicable will be notified to Borrowers in a manner which the Bank deems appropriate.

- 5.1.4 The Bank may sanction facilities at a rate expressed to be higher or lower than the rate relevant to the interest rate category.

Variable Interest Rates

- 5.2.1 Interest rates applicable to facilities sanctioned by reference to A, AA, AAA, Charity, Premium Business, Prime, Base Lending, Standard Variable Business Loan, SME Variable Business Loan, Credit Line and SBCI Variable rates are variable interest rates. These rates and the composition of them may change.
- 5.2.2 Variations in rates applicable to A, AA, Standard Variable Business Loan, SME Variable Business Loan

and Charity from time to time will be notified to Customers by publication in at least one national newspaper. The current A, AA, Standard Variable Business Loan, SME Variable Business Loan and Charity rates from time to time will be shown on the interest rate notices displayed at all branches of the Bank and on the Bank's website, www.aib.ie/business.

- 5.2.3 Premium Business Rate is set by the Bank weekly, or more or less frequently as the Bank may see fit.
- 5.2.4 Prime, Base Lending Rate, Credit Line and SBCI Variable rates are set by the Bank weekly or more or less frequently as the Bank may see fit. Variations are published weekly in a national newspaper and are effective from the date advised in that notification.
- 5.2.5 If the Bank changes the frequency of setting Premium Business, Prime, Base Lending, Credit Line or SBCI Variable rates, customers will be notified by publication in at least one national newspaper.
- 5.2.6 The current interest rate applicable to a facility and the effective date of any interest rate change will be shown on the account statement, if any, next issued after the interest rate change.
- 5.2.7 If a variable interest rate together with a margin (if any), would result in a current interest rate for a facility which is below zero, such current interest rate will be deemed to be zero.
- 5.2.8 Details of current interest rates are available at all times on request to the Bank.

Market Related Rates, Fixed Interest Rates and SME Fixed Rate

- 5.3.1 The Bank may agree with the Borrower to fix the applicable interest rate for all or part of the period of a facility.
- 5.3.2 Where facilities are sanctioned by reference to a Market Related rate of interest and where otherwise referred to in this booklet, letters of sanction, or other agreement between the Bank and the Borrower, the following will apply:
- (i) "Market Related rate" means the aggregate of Cost of Funds and Reserve Asset Cost;
 - (ii) "Cost of Funds" means, in relation to a facility, the cost to the Bank as determined by the Bank (expressed as a percentage per annum), given the nature of the facility and prevailing market conditions, of raising funds from external sources.
 - (iii) "Reserve Asset Cost" means the cost to the Bank (expressed as a percentage per annum) from time to time arising in relation to funding a facility in respect of the Bank having to meet any liquidity or minimum reserve ratio, special deposit or similar requirements imposed by any Regulatory Authority in relation to a facility; and
 - (iv) "Interest Period" means a period in respect of which interest on the amount of the facility outstanding is calculated and charged. An Interest Period cannot extend beyond a capital or principal repayment date and, at present, is a period not greater than twelve months, but this may change.
- 5.3.3 Where facilities are sanctioned by reference to a Market Related rate of interest then:
- (i) the Bank will agree the Interest Period with the Borrower; and
 - (ii) the rate of interest will be fixed for each Interest Period; and

- (iii) the first Interest Period will commence on the date of drawdown and each subsequent Interest Period will, unless otherwise agreed, be of the same duration and will commence on the expiry date of the immediately preceding Interest Period; and
 - (iv) the Market Related rate of interest for the first Interest Period will be set by the Bank at the date of drawdown and reset at the start of each subsequent Interest Period.
- 5.3.4 Unless otherwise stated the Bank will quote interest rates by reference to Market Related rates on any particular day for value two days later.
- 5.3.5 If the interest rate category which is applicable to a facility is a Market Related rate or expressed to be based on a benchmark rate, such as EURIBOR or LIBOR and the applicable interest rate at any time in such interest rate category, together with a margin (if any), would result in a current interest rate for that facility which is below zero, the current interest rate will be deemed to be zero.
- 5.3.6 Breakage Cost: See clauses 3.6.1 to 3.6.3 inclusive.
- 5.3.7 At any time during the period of a facility when a fixed interest rate applies (including the duration of an Interest Period) interest will accrue at the fixed interest rate specified in the letter of sanction, or as agreed between the Borrower and the Bank. However, if the cost to the Bank of making or maintaining the facility increases by an amount which the Bank deems material as a result of:
- (i) an increase in Reserve Asset Cost; and/or
 - (ii) any change in any law or regulation including any tax (other than tax on overall income) being assessed on the Bank, then the interest rate will be increased by the Bank by an amount to compensate the Bank for such increased cost.
- 5.3.8 At the expiration of a fixed interest rate period the Bank may agree with the Borrower a further fixed interest rate period at such interest rate and subject to such repayment arrangements as may be set by the Bank. In the absence of agreement variable interest at the rate which the Bank deems appropriate will apply.
- 5.3.9 Where a facility is sanctioned by reference to SME Fixed rate:
- (i) the interest rate is a fixed interest rate set by the Bank. It is fixed on the date the loan account is opened and will not change for the period of the facility;
 - (ii) the Bank may change the prevailing SME Fixed rate, up or down, at its discretion from time to time. The prevailing SME Fixed rate will be shown on the interest rate notices displayed at all branches of the Bank and on the Bank's website, www.aib.ie/business;
 - (iii) if the prevailing SME Fixed rate goes up after the loan account is opened, the SME Fixed rate that applies to the facility and the amount of the Borrower's repayments will not change for the period of the facility. Equally, if the prevailing SME Fixed rate goes down after the loan account is opened, the SME Fixed rate that applies to the facility and the amount of the Borrower's repayments will not change, so that the Borrower will not benefit from any lower interest rate over the remaining period of the facility;
 - (iv) the SME Fixed rate specified in the letter of sanction will apply to the facility unless the prevailing SME Fixed rate on the date the loan account is opened is different. Should the SME

Fixed rate have changed:

- (a) the prevailing SME Fixed rate on the date the loan account is opened will apply for the period of the facility;
 - (b) the amount of the Borrower's repayments will be recalculated and the Bank will contact the Borrower after the loan account is opened, with details of the interest rate and the recalculated repayments that will apply to the facility;
 - (c) if the Borrower does not accept the SME Fixed rate that prevails on the date the loan account is opened, the Borrower may withdraw from the facility. If the Borrower withdraws, the Borrower must repay the full amount owed to the Bank under the facility (including interest, fees, charges and expenses) otherwise the credit agreement applicable to the facility will continue to apply;
- (vi) clause 3.4 will apply to any residual balance outstanding at the end of the repayment period, with the exception that a residual balance will attract the SME Fixed rate that applies to the facility and will not attract variable interest at the then appropriate rate; and
- (vii) clause 7.2.5 will not apply to the facility and the Bank may, in its absolute discretion, permit partial drawings on the facility. Where partial drawings are permitted:
- (a) the interest rate applicable to each amount drawn down, will be the SME Fixed rate that applies to the facility; and
 - (b) the amount of the Borrower's repayments will remain unchanged for the period of the facility.

Basis of Calculation

- 5.4 Interest is calculated on a daily basis using the 365 day count convention. This means that interest is calculated daily on the relevant balance applying the relevant interest rate divided by 365.

Following Ireland's entry into the European Monetary Union the Bank may adopt the more common European basis of calculating interest on a daily basis using the 360 day count convention.

This means that interest is calculated daily on the relevant balance applying the relevant interest rate divided by 360. Any such change in the day count convention will not result in either gains or losses to Borrowers (other than minor rounding) as interest rates will be adjusted to take account of which day count convention is used. In the event of a change in the day count convention the Bank will advise Customers by publication in at least one national newspaper or by such other manner as the Bank deems appropriate.

Calculation of Interest

- 5.5 Interest is calculated on the balance outstanding each day on accounts after adjustment is made for cheques and other items in course of collection to and from the particular branch in which the account is held. Interest is, therefore, not necessarily charged on the daily balance of the account as shown on the Borrower's statement. The adjustment will reflect the actual time at which value will have been given or obtained by the Borrower's branch for items drawn on or lodged to the account.

Interest Rests

5.6 Interest is debited to accounts quarterly in March, June, September and December in each year (except in the case of facilities sanctioned by reference to a Market Related rate) and up to the date of final repayment of the facility, but this may change, in which case the Bank will give three months' notice in at least one national newspaper.

Interest Debited to Accounts

5.7 Interest will be debited to the account on which it has accrued or to such other account as may be agreed between the borrower and the Bank.

Compound Interest

5.8.1 All interest charged by the Bank on facilities is compound interest. This means that interest debited to accounts will itself bear interest until it is paid. This is without prejudice to any other right the Bank may have arising out of any failure by the Borrower to pay interest when due.

5.8.2 Compound interest will continue to accrue on all balances until the full amount due to the Bank has been repaid notwithstanding any demand by the Bank for payment, the termination of the Banker/Customer contract, bankruptcy, liquidation, examinership, or the appointment of a receiver in respect of the Borrower, or the issue of proceedings by the Bank against the Borrower for payment.

Interest Set-Off on Current Account

5.9 Where a Borrower has an overdraft and at the same time maintains a credit current account with the same branch and the Bank has a right to set-off the balances in those accounts, the Bank may agree to charge a reduced rate of interest (subject to a minimum of 1% per annum, but this may change) on that portion of the debit balance covered by the credit balance. No set-off for interest purposes is allowed for any facility other than overdraft. For further details, please refer to the separate set-off advice and accompanying Terms and Conditions for Set-Off (together the "Set-Off Conditions") that will apply to any such overdraft. If there is any conflict between the general terms and conditions set out in this booklet and the "Set-Off Conditions", then the "Set-Off Conditions" will prevail.

Section VI

Electronic Commerce, Digital Banking and Forward Foreign Exchange

Application

6.0 The terms and conditions set out in this section apply to all facilities.

Electronic Commerce and Digital Banking

6.1.1 The Bank may:

- (i) offer facilities in more than one way, for example in branch or online; and
- (ii) provide some or all documents in electronic form and part of or all of any Bank processes may be online.

However the facilities are offered, the Bank may store documents (including the letter of sanction and any related documents) electronically. Both the Bank and the Borrower may sign documents electronically.

6.1.2 The Borrower consents and agrees that:

- (i) the letter of sanction and any related documents and information may be provided in electronic form; and
- (ii) both the Borrower and the Bank may use an electronic signature to sign the letter of sanction and any related documents; and
- (iii) information and documents (including the letter of sanction and any related documents) may be retained, presented and produced by the Bank in electronic form whether originally provided in electronic form or otherwise.

6.1.3 The Borrower may ask for an electronic or paper copy of the letter of sanction and any related documents from the Bank at any time.

6.1.4 When asked to do so by the Bank, the Borrower will print or download any documents provided in electronic form by the Bank.

6.1.5 The Bank and the Borrower agree that paragraphs (1) and (2) of Regulation 13 and paragraphs (1) (a) and (2) of Regulation 14 of S.I. 68/2003 – European Communities (Directive 2000/31/Ec) Regulations 2003 do not apply.

Forward Foreign Exchange Facility

6.2.1 From the 2nd of September 2017, where a letter of sanction is entered into between the Bank and the Customer in which the Bank approves Credit Risk Limits for the Customer to enter into forward foreign exchange transactions with the Bank, the AIB Customer Treasury Services FX & Derivatives Terms and Conditions (as may be replaced, amended or supplemented from time-to-time - the "Treasury Terms and Conditions") shall apply in respect of all such transactions.

6.2.2 For the avoidance of doubt, forward foreign exchange facilities sanctioned under any letter of sanction entered into between the Bank and Customer prior to the 2nd of September 2017 will continue to be subject to the terms and conditions on which they were sanctioned.

Section VII

General

Application

7.0 The terms and conditions set out in this section apply to all facilities.

Acceptance

7.1.1 If the Borrower draws down or avails of a facility in whole or in part this will constitute acceptance by the Borrower of the terms and conditions of the facility.

7.1.2 The Bank may, at its discretion, at any time extend any acceptance period specified in the letter of sanction with or without notice to the Borrower.

Drawdown Availability

7.2.1 When all pre-drawdown conditions set out in the Letter of Sanction have been complied with, then the facilities may be drawn down.

7.2.2 Facilities must be availed of within three months from the date of the letter of sanction.

7.2.3 The Bank's commitment will be limited to the amount of the facility which has been drawn down at the

expiration of the availability period.

- 7.2.4 The Bank may, at its discretion, extend the availability period.
- 7.2.5 Partial drawings will not be permitted on fixed interest rate loans or facilities sanctioned by reference to a Market Related rate of interest.
- 7.2.6 The Bank may at its absolute discretion on the date of a proposed drawdown or utilisation of the whole or any part of any facility refuse such drawdown or utilisation if any of the representations and warranties in clause 7.10 are not true and accurate (in the Bank's opinion) on such date.

Cancellation

- 7.3 The Bank may at its absolute discretion:
- (i) cancel a facility before it is drawn down or availed of; or
 - (ii) refuse any further drawdown or utilisation of any part of any facility,
- if there occurs a material change relevant to the Borrower (or any guarantor for the Borrower) or the facility which is in the Bank's opinion prejudicial to its interests.

Operation of Accounts

- 7.4.1 The Borrower must ensure that adequate arrangements are in place to meet all payments in respect of facilities, whether of principal, interest or otherwise.
- 7.4.2 The Bank reserves the right to reverse any entry on a Customer's account if any item credited to the account is not paid or if a payment credited to the account is subsequently recalled.

Joint and Several Liability

- 7.5 Each party to a facility on a joint account is jointly and severally liable to the Bank for repayment of the facility and is subject to all of the applicable terms and conditions.

Option of Annual Review

- 7.6.1 All business Borrowers are offered the option of an annual review meeting in relation to all facilities and security. Borrowers should contact their relationship manager or branch to arrange a meeting.
- 7.6.2 Whether or not a Borrower requests an annual review, the Bank may conduct its own review of the facilities and any security (including the Borrower's obligations and the Borrower's business, performance and financial circumstances generally) on or about any specified date, and annually thereafter (if applicable) with or without notice to the Borrower.
- 7.6.3 The Bank reserves the right to conduct a review on any other date or at more frequent intervals if it deems it appropriate, at its absolute discretion.

Facilities Involving Contingent Obligations

- 7.7.1 The offer of facilities by way of bank guarantees, documentary credits, bonds and indemnities and other contingent obligations undertaken by the Bank to third parties will lapse if not availed of within six months from the date of the letter of sanction.
- 7.7.2 Commission in respect of contingent obligations (including bonds, guarantees and indemnities but excluding Undertakings issued under the AIB Trade Finance Terms and Conditions) undertaken by the Bank to third

parties on behalf or at the request of the customer will be charged quarterly (or part thereof) in arrears while the obligations continue. The first quarter's commission will be payable three calendar months after the contingent obligation instrument has been issued by the Bank to the third party.

- 7.7.3 (i) Commission is calculated daily on the maximum amount of the contingent obligation, applying the relevant rate of commission divided by 365.
- (ii) Commission will be debited to the Customer's working account or such other account as the Bank deems appropriate.
- (iii) The frequency, method of charging and debiting commission may change, in which case the Bank will give Customers 30 days' notice by writing to them or, as the Bank sees fit, by publication in at least one national newspaper.
- 7.7.4 During the currency of any contingent obligation arrangement made on behalf of a customer, the happening of any of the events set out in Clause 4.2 may lead to the Bank terminating the arrangement with or without notice to the customer.
- 7.7.5 Where, pursuant to any contingent obligation arrangement made with or on behalf of a customer, the Bank is obliged to make payment to a third party or otherwise incur any cost, the amount of such payment or cost will be debited to the working account of the customer or such other account in the name of the customer as the bank deems appropriate (including, where necessary, the opening of a new account by the Bank for that purpose). Any resulting debit balance on such new account will be payable on demand and will constitute an excess balance and will attract interest at the Bank's AA Overdraft rate or such other default interest rate as the Bank may substitute therefore calculated and charged in accordance with Section V.

Fees, Charges and Expenses

- 7.8.1 The Borrower must pay certain fees, charges and expenses (including VAT, where relevant) in relation to the facilities and these possible fees, charges and expenses are set out below:
- (i) the Borrower must pay any fees and charges that the Bank may charge in relation to any facility, any security and the operation of accounts. These fees and charges are stated in the letter of sanction or set out and/or explained in the current editions of the Bank's booklets "Business Fees and Charges" and "Security Costs for Borrowings" (these booklets are available in any of our branches and/or on our website). Subject to notifying the relevant authority (where required), the Bank may from time to time alter these fees or charges and/or introduce new fees or charges. The Bank will advertise any changes to fees and charges applicable to the operation of accounts in at least one national newspaper;
 - (ii) the Borrower must pay any fees, charges or expenses incurred by the Bank and/or relating to any receiver or other insolvency officer in connection with any facility, security and/or any obligations and liabilities of the Borrower under any facility. These include any fees, charges and expenses for any of the Bank's professional advisors (for example, legal fees and outlay), specialist consultants (for example, valuation fees) and/or for any assessments/examinations considered necessary by the Bank; and
 - (iii) the Borrower must pay any fees, charges and expenses charged by any of its own advisers in relation to any facility and/or any item of security.

- 7.8.2 The Borrower must pay the above fees, charges and expenses whether or not the facilities have been drawn down or utilised in whole or in part.
- 7.8.3 The Bank may debit the full amount of the above fees, charges and expenses to any account(s) maintained by the Borrower with the Bank and, if necessary, the Bank may open an account in the Borrower's name specifically for this purpose. The Bank may also transfer any such monies to the credit of the Bank or any relevant payee.

Security

- 7.9.1 It is the Bank's policy to require security (collateral) where, having regard to the nature and value of the facility being offered, and the circumstances of the Borrower, it considers the provision of security to be reasonable, and necessary to protect the Bank's interest.
- 7.9.2 Where a facility is expressed in the letter of sanction to be subject to security, the facility will be subject to such security being executed and delivered to the Bank to the Bank's satisfaction before the facility is drawn down or availed of in whole or in part. Any waiver by the Bank of the terms of this clause will be without prejudice to its rights to insist at a later stage to the provision of such security or to take any action as a result of the non-provision of such security.
- 7.9.3 Before any facility is drawn down or availed of, the Borrower will facilitate an independent valuation(s) of any asset (including without limitation any land and/or buildings) and/or the Borrower's business if requested to do so by the Bank. Any such valuation(s) will be at the Borrower's own expense and (unless agreed otherwise with the Bank) will be furnished by a valuer chosen from the Bank's approved panel of valuers and addressed to the Bank.
- 7.9.4 Security will extend to cover all the present and future obligations of the Borrower to the Bank whether in the Borrower's sole name or jointly with another or others, whether as principal or surety and whether actual or contingent.
- 7.9.5 Security over lands and/or buildings will be accompanied by the Borrower's solicitor's clear report and certificate of good marketable title completed, unamended, in the Bank's standard form.
- 7.9.6 Security will rank as a first mortgage or charge on the relevant property of the Borrower.
- 7.9.7 (i) The Borrower must take out and maintain for the period of the facility index linked insurance cover on the Borrower's business and assets (including any property and/or asset the subject of any security for the facilities) for fire and other usual risks for its full reinstatement cost with an insurance company acceptable to the Bank.
- (ii) Before the facility is drawn down or availed of, and on request at any time during the period of the facility, the Borrower must produce to the Bank evidence that the insurance cover exists and of payment of any premiums or any other sums.
- (iii) The Borrower will ensure (and will produce evidence to the Bank if requested to do so) that the Bank's interest is noted on any of the Borrower's insurance policies relating to any property and/or assets the subject of any security for the facilities, unless the Bank gives the Borrower notice that the Bank wants to be co-insured on any or all such insurance policies. As soon as the Borrower receives any such notice, the Borrower will immediately take all actions required to ensure the Bank is co-insured on such policies.

- (iv) The Borrower will ensure that the insurance policies contain any provisions that the Bank may reasonably require to protect itself.
- (v) The Borrower will ensure that all premiums are paid on time and that the Borrower does all other things necessary to ensure these insurance policies remain in force while facilities remain outstanding.
- (vi) If the Borrower does not do so the Bank may (but without obligation) pay any premium or effect such insurance at the cost of the Borrower and may debit such cost to any account of the Borrower.
- (vii) The Bank will have no liability to the Borrower if the insurance company does not pay or if the property and/or assets are not insured or are not properly insured for any reason at any time.
- 7.9.8 The Bank does not warrant that the proceeds of realisation of any security and particularly the proceeds of any life policy held as security will be sufficient to clear the entire amount of the facility and any Breakage Cost which may arise.
- 7.9.9 While facilities remain outstanding, the Borrower will not (and will not allow any other party on the Borrower's behalf to), without the Bank's prior written consent, sell, transfer, lease or otherwise dispose of any interest in any property, asset or undertaking of the Borrower which is the subject of any security for the facilities either in a single transaction or in a series of transactions, whether related or not and whether voluntarily or involuntarily.
- 7.9.10 There are serious potential consequences of providing security, including that, if the Bank demands repayment of facilities and the Borrower does not pay in full immediately, the Bank may enforce its security against the security provider. This may mean, for example, that the Bank may:
- (i) dispose of any property held as security towards payment of the Borrower's liability; and/or
- (ii) take legal proceedings against the security provider to recover what the Borrower owes, including any fees, charges and expenses involved in such litigation.
- 7.9.11 If the security includes a guarantee, the Bank must notify the terms of the facility, and any changes in those terms, to the guarantor.
- 7.9.12 The Borrower will be responsible for all fees charged by the Bank for specialist securities services and all solicitors fees and other costs incurred by the Bank in relation to the obtainment, perfection and enforcement of security.
- 7.9.13 The Borrower will also be responsible for all professional fees of the Borrower's solicitor (and, where applicable, the Borrower's spouse's or civil partner's solicitor where that spouse or civil partner is independently advised), including VAT, and all outlays, stamp duties and registration fees payable in relation to the perfection of the security.
- 7.9.14 The Borrower will pay such reasonable charges as may be required by the Bank in relation to the release of any security.
- 7.9.15 If the Borrower avails now or in the future of iBusiness Banking or the Electronic Money Transfer System services from the Bank (or any replacement or similar service(s) offered by the Bank from time to time) and the Bank on any occasion permits a transaction where there are insufficient funds to meet such transaction, then, without prejudice to any other remedies available to the Bank, the security for the facilities will also secure the Borrower's obligation to repay the amount of any

such shortfall of funds that were made available by the Bank. The fact that the Bank may permit transactions on one or more occasions where there are insufficient funds, will not oblige the Bank to do so on any subsequent occasion.

7.9.16 The Borrower (where such Borrower is a company) agrees to the registration of any charge created or intended to be created by it in the companies registration office.

- 7.11 The Borrower covenants and agrees with and undertakes to the Bank that, for as long as any facility is available for utilisation or any amount is outstanding to the Bank in respect of any facility:
- (i) the Borrower will not, without the prior consent in writing of the bank, create or agree to create or permit any mortgage, charge or other encumbrance of any nature over any of the assets or property of the Borrower; and
 - (ii) the Borrower, being a company, shall not alter its constitution, or being the trustee of a trust, will not alter the trust deed or constitution in a manner prejudicial to the Bank; and

 - (x) the Borrower will carry on the Borrower's business in a proper and efficient manner; and
 - (xi) the Borrower will not (and will not allow any other party on the Borrower's behalf to) sell, transfer or lease the whole of or any part of the Borrower's present or future material assets or otherwise dispose of the whole of or any part of any such asset either in a single transaction or in a series of transactions, whether related or not and whether voluntarily or involuntarily without the Bank's prior written consent; and

for the duration of the facilities without the Bank's prior written consent.

In this regard, "change of control" means any change in direct or indirect ownership of the Borrower, any change in the power to control the composition or the majority of the board of directors of the Borrower and/or any person(s) (including any bodies corporate) gaining the power to direct the management and policies of the Borrower whether through ownership of shares, by contract or otherwise; and

Any such valuation(s) will be at the Borrower's own expense and (unless agreed otherwise with the Bank) will be furnished by a valuer chosen from the Bank's approved panel of valuers and addressed to the Bank. The Bank will be entitled to debit any fees or expenses relating to such valuation(s) to the Borrower's working account or any other account which the Bank deems appropriate; and
- (xviii) the Borrower will promptly do all such acts or execute all such documents as the Bank may reasonably specify (and in such form as the Bank may require in favour of the Bank or its nominee(s)):

Section IX

Irish Government Covid-19 Credit Guarantee Scheme

Irish Government Covid-19 Credit Guarantee Scheme

9.0 The terms and conditions in this section apply to loan facilities sanctioned pursuant to the Covid-19 Credit Guarantee Scheme and are without prejudice to the applicability of the terms and conditions in any other section of this booklet.

Term loans to eligible Small and Medium Enterprises and Small Mid-caps under the Covid-19 Credit Guarantee Scheme in accordance with the Credit Guarantee Act 2012, as amended from time to time (including pursuant to the Credit Guarantee (Amendment) Act 2016 and the Credit Guarantee (Amendment) Act 2020)

9.1 Loans or other facilities under the Covid-19 Credit Guarantee Scheme are being made available with the benefit of a guarantee from the Minister for Business, Enterprise and Innovation. Those loans are sanctioned at an interest rate which is lower than the interest rate which would apply to such facilities without the support of the Irish government, which support has been made possible as a consequence of the Temporary Framework and the Commission's approval of the Covid-19 Credit Guarantee Scheme. The Borrower is required to have read and understood the rules of the Covid-19 Credit Guarantee Scheme (which are posted on the Department of Business, Enterprise and Innovation website; <https://dbei.gov.ie/en/What-We-Do/Supports-for-SMEs/Access-to-Finance/SME-Credit-Guarantee-Scheme/#COVID19CGS>) prior to accepting a Facility.
