**To the Shareholders of AIB Group plc**

Dear Shareholder,

The Notice of the Annual General Meeting (“AGM”) of AIB Group plc (the “Company”) to be held on Thursday 6 May 2021 at 10.00 a.m. at 10 Molesworth Street, Dublin 2, Ireland is set out on pages 11 to 15 of this document.

The resolutions to be proposed at the AGM are set out in detail in the Notice and explanatory notes on the resolutions are set out below.

**Resolution 1 – Financial Statements**

Resolution 1 deals with the consideration of the financial statements of the Company for the year ended 31 December 2020. A full copy of the 2020 Annual Financial Report is available on the Company’s website <https://group.aib.ie>

**Resolution 2 – Remuneration of the Auditor**

Resolution 2 authorises the Directors to determine the remuneration of the Auditor.

**Resolution 3 – Continuation in office of the Auditor**

While Section 383 of the Companies Act, 2014 provides for the automatic reappointment of the auditor of an Irish company at a company’s annual general meeting except in very specific and limited circumstances, the Directors continue to believe that it is important for Shareholders to be provided with an opportunity to have a say on the continuation in office of Deloitte as Auditor of the Company and Resolution 3 is being tabled as an “advisory”, non-binding, resolution for this purpose.

**Resolution 4 – Election and Re-election of Directors**

Resolution 4 deals with the proposed election and re-election of all Directors who are putting themselves forward at the AGM, in accordance with the UK Corporate Governance Code.

Andy Maguire and Fergal O’Dwyer were appointed to the Board since the 2020 AGM and will offer themselves for election. The Board continues its practice of requiring all other Directors to retire annually and to offer themselves for re-election.

---

AIB Group plc. Registered Office: 10 Molesworth Street, Dublin 2. Registered in Ireland, No. 594283.  
Directors: B McDonagh (Deputy Chair), B Geoghegan, C Hunt, S Kinney Pritchard, C Lennon, E MacLean (British), A Maguire, H Normoyle, A O’Brien, F O’Dwyer, R Singh (USA)

The Board undertakes a formal annual evaluation of its Directors and is satisfied that all the Directors performed effectively during the year, and since, in offering independent and constructive challenge to management and have committed sufficient time to discharge their responsibilities effectively. All of the Directors are experienced and knowledgeable and the Board is confident that they each bring valuable skills to the Board and provide an objective perspective. Other than for Mr Maguire, biographies of each of the Directors, including their skills, acumen and areas of expertise relevant to their role as Directors, are set out on pages 54 and 55 of the 2020 Annual Financial Report. Mr Maguire was appointed to the Board on 15 March 2021 and after the publication of the 2020 Annual Financial Report. He has extensive financial services experience spanning thirty-five years, including sixteen years with the Boston Consulting Group where he was Managing Partner of the London office covering the UK and Ireland, prior to which he held several global roles including Global Head of Retail Banking. From 2014 to 2020, Mr Maguire was the Group Chief Operating Officer for HSBC Holdings plc with responsibility for operations, technology, real estate, change and transformation and operational resilience. He is currently the chair of Thought Machine, a core banking Technology Company. He holds a BAI from Trinity College Dublin.

As he exercises control over more than 30% of the voting rights of the Company, the Minister for Finance in Ireland is what is termed a “Controlling Shareholder” for the purposes of the Listing Rules to which the Company is subject. As a consequence, the election or re-election of any independent Director must be approved by a majority of both the Shareholders of the Company and the Shareholders excluding the Controlling Shareholder(s). When the Company announces the results of the votes on the resolutions to elect or re-elect independent Directors, it will disclose the votes cast on each separate resolution both by the Shareholders as a whole and the Shareholders excluding the Controlling Shareholder. The election or re-election of each proposed independent Director will be considered separately at the meeting. Accordingly the resolutions to which this matter applies are: 4 a), c), d), e), f), g), h), i), j) and k).

On page 185 of the 2020 Annual Financial Report, the Board set out its determination of the independence of its Directors. Particular care was taken by the Board in arriving at its view that Ann O’Brien and Raj Singh were considered independent, given that they were both originally appointed to the Board by the Directors following the nomination of the Minister for Finance in Ireland. As noted on page 54, Brendan McDonagh was formerly a Director of the National Treasury Management Agency, an entity which would be considered to be associated with the Minister for Finance. The Board determined at the time of Mr McDonagh’s appointment in 2016 that he should be considered to be independent and remains of this view. The Board is satisfied that each of the Directors considered by it to be independent, are free from any relationships or other circumstances which are likely to affect the exercise of their independent judgement and disclosed as such in the 2020 Annual Financial Report.

#### **Resolution 5 – Directors’ Remuneration Report**

Resolution 5 will be proposed as an Ordinary Resolution to deal with the Directors’ Remuneration Report. This Report is set out on pages 205 to 207 of the 2020 Annual Financial Report and has been prepared in accordance with the requirements of the European Union (Shareholders’ Rights) Regulations 2020 (the “**Regulations**”). In accordance with the provisions of the Regulations, and consistent with the Company’s prior practice, a resolution on this Report is being put to Shareholders on an advisory basis. Whilst an “advisory” resolution is not binding on the Company, the Board recognises that the tabling of such a resolution is best practice in this area and is an acknowledgement of Shareholders’ rights to have a “say on pay”.

### **Resolution 6 – Remuneration Policy**

Resolution 6 will be proposed as an Ordinary Resolution to ask Shareholders to consider the Remuneration Policy as set out in the Corporate Governance Remuneration Statement on pages 201 to 202 of the 2020 Annual Financial Report and which has been prepared in accordance with the requirements of the Regulations.

This is also an “advisory” resolution and is being tabled for the same reason as Resolution 5 immediately preceding it.

### **Resolution 7 – Authority to allot shares**

Resolution 7 will be proposed as an Ordinary Resolution to authorise the Directors to allot shares up to an aggregate nominal amount of €565,496,091.04, representing approximately one third of the Company’s issued share capital (excluding treasury shares) on 1 April 2021. The Directors have no present intention of making any new issue of shares and will exercise this authority only if they consider it to be in the best interests of Shareholders generally at that time. This authority will, if renewed, expire on the earlier of the date of the next Annual General Meeting of the Company or 5 August 2022.

### **Resolutions 8 (a) and (b) – Disapplication of pre-emption rights**

Resolution 8 (a) will be proposed as a Special Resolution to renew the Directors’ authority to allot shares for cash other than strictly pro-rata to existing shareholdings. The proposed authority is limited to (i) the allotment of shares for cash in connection with any rights issue (or other pro-rata offer) to Shareholders and (ii) otherwise in an amount up to an aggregate nominal amount of €84,824,413.66, representing approximately 5% of the nominal value of the Company’s issued share capital as at the date of this document.

Resolution 8 (b) will also be proposed as a Special Resolution to empower the Directors, in addition to the authority sought under Resolution 8(a), to allot shares for cash otherwise than in accordance with statutory pre-emption rights in an amount up to an aggregate nominal value of €84,824,413.66, which represents approximately 5% of the Company’s issued share capital as at the date of this document for the purposes of what the Directors determine to be an acquisition or other specified capital investment.

The expression “specified capital investment” is defined by the Statement of Principles published in March 2015 by the Pre-Emption Group as “one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the listed company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to Shareholders to enable them to reach an assessment of the potential return. Items that are regarded as operating expenditure rather than capital expenditure will not typically be regarded as falling within the term “specified capital investment”.”

The division of the authorisation to allot equity securities into two resolutions is in conformity with the Pre-Emption Group’s Monitoring Report and consistent with the good practice template resolutions as published in May 2016.

The Directors have no current intention to issue shares pursuant to these powers, which will expire on the earlier of the date of the next Annual General Meeting of the Company or 5 August 2022.

### **Resolution 9 – Authority to purchase own shares**

Resolution 9 will be proposed as a Special Resolution to renew the authority of the Company, or any subsidiary, to make market purchases of up to 10% of the aggregate nominal value of the Company's issued share capital and to hold these shares as treasury shares or cancel them at the Directors' discretion. The resolution also sets out the minimum and maximum prices that may be paid for shares purchased in this manner. If the Directors were to exercise the authority being renewed by this resolution up to the maximum number of shares allowed, the total number of warrants to subscribe for ordinary shares in the Company (which, on the date of this document, is 271,166,685, representing 9.99% of the Company's issued share capital (excluding treasury shares)), would represent 11.1% of the issued share capital (excluding treasury shares).

The Directors will exercise this authority only if they consider it to be in the best interests of Shareholders generally at that time. This authority will, if renewed, expire on the earlier of the date of the next Annual General Meeting of the Company or 5 August 2022.

### **Resolution 10 – Re-issue price of Treasury Shares**

Resolution 10 will be proposed as a Special Resolution to authorise the Company to re-issue treasury shares off-market at certain specified minimum and maximum prices. This authority will, if renewed, expire on the earlier of the date of the next Annual General Meeting of the Company or 5 November 2022.

### **Resolution 11 – Amendment to the Articles of Association**

Resolution 11 will be proposed as a Special Resolution to amend the Articles of Association of the Company to permit the Directors to resolve that any dividends declared in the future by the Directors or declared by Shareholders on the recommendation of the Directors shall be paid by electronic means only.

### **Resolution 12 – Notice of General Meetings**

Resolution 12 will be proposed as a Special Resolution to maintain the existing authority in the Company's Articles of Association which permits the convening of an Extraordinary General Meeting of the Company on 14 days' notice where the purpose of the meeting is to consider an Ordinary Resolution only.

### **Resolution 13. Authority to make off-market purchases of ordinary shares from the Minister for Finance**

Resolution 13 will be proposed as a Special Resolution to grant the Company authority to make, subject to the Minister for Finance's agreement, off-market purchases of ordinary shares from the Minister for Finance (or his nominee) pursuant to the Directed Buyback Contract which it is envisaged will be entered into by the Company shortly after the Annual General Meeting. I would like to draw your attention to Appendix 1, which sets out the background to, and gives further information on, Resolution 13.

The Directors consider it may, in certain circumstances, be in the best interests of AIB and its Shareholders for AIB to purchase its own shares from the Minister for Finance (or his nominee). AIB may agree with the Minister for Finance to make off-market purchases of its ordinary shares at such times and on such number of occasions as the Directors may determine (provided it does not exceed 4.99 per cent of AIB's Ordinary Share capital in any 12 month period):

- (a) by way of one or more standalone purchases;
- (b) through a non-discretionary, broker-managed directed trading programme (subject to certain parameters); or
- (c) in conjunction with any offer or sale by the Minister for Finance (or his nominee) by way of or including an institutional placing.

Any such off-market purchases shall be made at the relevant market price on the date the Ordinary Shares are contracted to be purchased or, if made in conjunction with an institutional placing by the Minister for Finance (or his nominee), at the placing or offering price as determined through a bookbuilding process, and otherwise on the terms and conditions of the agreed form Directed Buyback Contract, which are summarised in Appendix 1.

Authority to enter into the Directed Buyback Contract will give AIB the flexibility, if appropriate at the relevant time and with the agreement of the Minister for Finance, to help facilitate the return of AIB to full private ownership over time through the use of AIB's excess capital. The Directors will only make off-market purchases with the Minister for Finance's agreement and where, in light of market conditions prevailing generally at the time, they consider that such off-market purchases will be in the best interests of Shareholders as a whole. Neither AIB nor the Minister for Finance would be under an obligation to agree to make such off-market purchases and would only do so subject to regulatory approval from the European Central Bank at the time.

Under Chapter 11 of the Irish Listing Rules and Chapter 11 of the UK Listing Rules, entering into the Directed Buyback Contract with the Minister for Finance constitutes a "related party transaction". However, the proposed off-market purchase is treated as a "smaller" related party transaction under Irish Listing Rule 11.1.15 and UK Listing Rule 11.1.10R and as such does not require the approval of independent holders of ordinary shares. If AIB wishes to purchase more than 4.99 per cent. of its issued share capital from the Minister for Finance in a 12-month period or the transaction would otherwise exceed the "smaller" related party transaction limits set out in the Irish Listing Rules and the UK Listing Rules (including when aggregated with any other relevant transactions), AIB will seek approval from its independent Shareholders for the relevant arrangements.

Under the Companies Act 2014, the Minister for Finance and his nominee are not permitted to vote the Ordinary Shares to which Resolution 13 relates (being 4.99 per cent. of AIB's Ordinary Share capital).

#### **Public Health Guidelines and the AGM**

The well-being of our Shareholders, employees and other attendees is a top priority for AIB. In light of the ongoing impact of the COVID-19 pandemic and in order to comply with public health guidance, the proceedings at the AGM will be conducted over a live telephone conference call.

As personal attendance at the AGM may present a real risk to you and to others, and indeed may not be permitted at all by health guidelines, we invite Shareholders to submit Forms of Proxy in advance to ensure that your vote counts at the AGM and instead to join the proceedings over the conference call facility.

To access the live telephone conference call, Shareholders should use the following numbers:

Joining from Republic of Ireland	<b>+353 (0)1 5060650</b>
Joining from UK / International	<b>+44 (0) 2071 928338</b>
Quoting Event Passcode No:	<b>2783937</b>

It is recommended that Shareholders dial in at least 15 minutes prior to the start time.

The Company continues to monitor the impact of COVID-19 and any relevant updates regarding the AGM, including any changes to the arrangements outlined in this Letter and the Notice of the AGM, will be announced via a Regulatory Information Service and made available on [www.aib.ie/investorrelations](http://www.aib.ie/investorrelations).

In the event that it is not possible to hold the AGM either in compliance with public health guidelines or applicable law or where it is otherwise considered that proceeding with the AGM as planned poses an unacceptable health and safety risk, the AGM may be adjourned or postponed or relocated to a different time and/or venue, in which case notification of such adjournment or postponement or relocation will be given in accordance with applicable law.

#### **Recommendation**

The Directors are satisfied that the resolutions set out in the Notice of the Annual General Meeting are in the best interests of the Company and its Shareholders. Accordingly, the Directors unanimously recommend you to vote in favour of each of the resolutions set out in the attached Notice, as they intend to do in respect of all the ordinary shares which they own or control in the capital of the Company.

Yours faithfully,

**Brendan McDonagh**  
Deputy Chair  
AIB Group plc

### ***Deadlines for receipt by the Company of proxy voting instructions***

All proxy votes must be received by the Company's Registrar not less than 48 hours before the time appointed for the Meeting or any adjournment of the Meeting. However, persons holding through the Euroclear Bank or (via a holding of CREST depository interests ("CDIs")) CREST systems will also need to comply with any additional voting deadlines imposed by the respective service offerings. All persons affected are recommended to consult with their stockbroker or other intermediary at the earliest opportunity. The submission of a proxy will not prevent you attending and voting at the Meeting should you wish to do so. However, we are discouraging Shareholders from physical attendance this year to comply with Public Health Guidance limiting the assembly of people due to the COVID-19 pandemic. We are instead encouraging Shareholders to join the proceedings via a conference call and to submit their votes on the resolutions in advance of the meeting through the appointment of a proxy.

For voting services offered by custodians holding Irish corporate securities directly with Euroclear Bank, please contact your custodian.

The following information for EB Participants and holders of CDIs is based on the information available to the Company as at the date of this document.

  - vote in favour of all or a specific resolution(s);
  - vote against all or a specific resolution(s);
  - abstain from all or a specific resolution(s); or
  - give a discretionary vote to the chairman in respect of one or more of the resolutions being put to a shareholder vote; or

Euroclear Bank will, wherever practical, aim to have a voting instruction deadline of one (1) hour prior to the Company's proxy appointment deadline (being 48 hours before the relevant meeting).

Voting instructions cannot be changed or cancelled after Euroclear Bank's voting deadline. There is no facility to offer a letter of representation/appoint a corporate representative other than through the submission of third party proxy appointment instructions.

EB Participants are strongly encouraged to familiarise themselves with the new arrangements with Euroclear Bank, including the new voting deadlines and procedures.

#### ***Further information for CREST members with holdings of CDIs***

Euroclear UK & Ireland Limited ("EUI"), the operator of the CREST system has arranged for voting instructions relating to the CDIs held in CREST to be received via a third party service provider, Broadridge Financial Solutions Limited ("Broadridge"). Further details on this service are set out on the "All you need to know about SRD II in Euroclear UK & Ireland" webpage (see section CREST International Service – Proxy voting). CREST members can complete and submit proxy appointments (including voting instructions) electronically through Broadridge.

If you hold CDIs you will be required to make use of the Euroclear UK & Ireland proxy voting service facilitated on EUI's behalf by Broadridge Global Proxy Voting service in order to receive meeting announcements and send back voting instructions as required.

To facilitate client set up, if you hold CDIs and wish to participate in the proxy voting service, you will need to complete the following documentation: Meetings and Voting Client Set-up Form (CRT408).

Completed application forms should be returned to EUI by an authorised signatory with another relevant authorised signatory copied in for verification purposes using the following email address: [eui.srd2@euroclear.com](mailto:eui.srd2@euroclear.com)

Fully completed and returned applications forms will be shared with Broadridge by EUI. This will enable Broadridge to contact you and share further detailed information on the service offering and initiate the process for granting your access to the Broadridge platform.

The voting service will process and deliver proxy voting instructions received from CREST members on the Broadridge voting deadline date to Euroclear Bank, by its cut-off and to agreed market requirements. The same voting options as described above for EB Participants will be available (i.e. electronic votes by means of chairman proxy appointments or appointing a third party proxy).

Broadridge's voting deadline will be earlier than Euroclear Bank's voting instruction deadline as set out above. Broadridge will use best endeavours to accept late votes, changes and cancellations from a CDI holder after the voting deadline but there is no guarantee that these will be processed within the requisite timeframes. There is no facility to offer a letter of representation/appoint a corporate representative other than through the submission of third party proxy appointment instructions.

CREST members with holdings of CDIs are strongly encouraged to familiarise themselves with the new arrangements with Broadridge, including the new voting deadlines and procedures and to take, as soon as possible, any further actions required by Broadridge before they can avail of this voting service.

### Shareholder Information

#### Entitlement to attend and vote

1. Pursuant to Section 1105 of the Companies Act, only those persons registered on the Company's register of members: (i) at 6.00 p.m. on Sunday 2 May 2021; or (ii) if the AGM is adjourned, at the close of business on the day before the date that falls 72 hours prior to the adjourned AGM (for the purposes of these Notes only, being a "Shareholder"), shall be entitled to attend and vote at the AGM or, if relevant, any adjournment thereof. Changes to entries on the Company's register of members after that time will be disregarded in determining the rights of any person to attend and vote at the AGM.

#### Information regarding the meeting

2. Information regarding the AGM, including the information required by Section 1103 of the Companies Act, is available from [www.aib.ie/investorrelations](http://www.aib.ie/investorrelations)

#### Attending in person

3. The AGM will be held at 10 Molesworth Street, Dublin 2, however we are discouraging Shareholders and others from physical attendance in person this year to comply with Public Health Guidance limiting the assembly of people in response to the COVID-19 pandemic. Instead we are encouraging Shareholders and other relevant persons to join the proceedings via a conference call and to submit their votes on the resolutions in advance of the meeting through the appointment of a proxy – see further below.

#### Appointment of proxies

4. A Shareholder who is entitled to attend and vote at the AGM is entitled to appoint a proxy (or more than one proxy as alternates) to attend, speak and vote

instead of the Shareholder. A proxy need not be a Shareholder. If you wish to appoint more than one proxy please contact the Company's Registrar, Computershare Investor Services (Ireland) Limited, on +353 1 247 5411.

5. A Form of Proxy for use by Shareholders is enclosed with this Notice (or is otherwise being delivered to Shareholders). Completion of a Form of Proxy (or submission of proxy instructions electronically) would not ordinarily prevent a Shareholder from attending the AGM and voting in person should the Shareholder wish to do so, however physical attendance at the AGM in 2021 is not being encouraged and indeed may not be permitted.
6. To be valid, a Form of Proxy and any power or other authority under which it is executed (or a duly certified copy of any such power or authority) must be returned to Computershare Investor Services (Ireland) Limited, PO Box 13030, Dublin 24, Ireland or to Computershare Investor Services (Ireland) Limited, 3100 Lake Drive, Citywest Business Campus, Dublin 24, D24 AK82, Ireland, not later than 48 hours before the AGM or adjourned AGM or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) at least 48 hours before the taking of the poll at which it is to be used.
7. For Shareholders wishing to appoint (or remove) a proxy electronically, log on to the website of the Registrar, Computershare Investor Services (Ireland) Limited:

[www.eproxyappointment.com](http://www.eproxyappointment.com)

To log in you will require your unique PIN (which will expire at the end of the voting period), your Shareholder Reference Number (SRN) and the Control Number, all of which are printed on the face of the accompanying Form of Proxy.

8. Electronic proxy voting by Euroclear Nominees Limited as nominee for Euroclear Bank SA/NV ("**Euroclear Bank**") in respect of the ordinary shares registered in the name of Euroclear Nominees Limited may occur through the use of a secured mechanism to exchange electronic messages (as agreed with Euroclear Bank).
9. Persons who hold their interests in ordinary shares of the Company as Belgian law rights through the Euroclear Bank system or as CREST depository interests through the CREST system should consult with their stockbroker or other intermediary at the earliest opportunity for further information on the processes and timelines for submitting voting instructions for the AGM through the respective systems.
10. For voting services offered by custodians holding Irish corporate securities directly with Euroclear Bank, please contact your custodian.

### **Issued shares and total voting rights**

11. The total number of issued ordinary shares in the Company on the date of this Notice of Annual General Meeting is 2,714,381,237. The Company does not hold any shares in treasury.
12. Voting on each of the resolutions will be decided on a poll. This means that Shareholders who attend the AGM, as well as those who are not able to attend but have sent proxy forms, may have their votes taken into account according to the number of shares they hold.
13. Resolutions 1 to 7 are ordinary resolutions and require a simple majority of votes cast (in person or by proxy) at the meeting to be passed. Resolutions 8 to 13 are special resolutions and require the approval of 75 percent of votes cast (in person or by proxy) at the meeting to be passed.

### **Questions at the meeting**

14. Pursuant to Section 1107 of the Companies Act, the Company must answer any question which a Shareholder may ask relating to the business being dealt with at the AGM unless:
  - (a) answering the question would interfere unduly with the preparation for the AGM or the confidentiality and business interests of the Company;
  - (b) the answer has already been given on a website in a question and answer format; or
  - (c) it appears to the Chair of the AGM that it is undesirable in the interests of good order of the meeting that the question be answered.

In response to the challenges presented by COVID-19 for the AGM in 2021, the Company is inviting questions from Shareholders this year to be submitted at least 48 hours in advance of the meeting by email to [secretariat@aib.ie](mailto:secretariat@aib.ie). All questions received in this way will be collated, read aloud at the meeting, answered at the meeting and thereafter directly to the Shareholder.

### **Shareholders' right to table draft resolutions and to put items on the agenda**

15. Pursuant to Section 1104 of the Companies Act, a Shareholder or a group of Shareholders holding 3% of the issued share capital, representing at least 3% of the total voting rights of all Shareholders who have a right to vote at the AGM, have a right to put an item on the agenda for the AGM and/or table a draft resolution for inclusion in the agenda of the AGM subject to any contrary provisions in company law which impose other conditions on the right of members to put items on the agenda for or to propose resolutions at the AGM.

Requests:

- (a) may be in hard copy form or in electronic form;
- (b) must set out in writing details of the item to be included and/or draft resolution in full or, if supporting an item to be included or a draft resolution sent by another member, clearly identify the item to be included and/or the draft resolution which is being supported;
- (c) must be authenticated by the person or persons making it (by identifying the Shareholder or Shareholders meeting the qualification criteria and, if in hard copy, by being signed by the Shareholder or Shareholders); and
- (d) must have been received by the Company no later than 25 March 2021 having regard to the 42 day period specified in Section 1104.

In addition to the above, requests must be made in one of the following ways:

- (a) a hard copy request which is signed by the Shareholder(s), stating the full name and address of the Shareholder(s) and is sent to the Company Secretary at the Company's Registered Office; or
- (b) a request which states the full name and address of the Shareholder(s) and is sent by email to [secretariat@aib.ie](mailto:secretariat@aib.ie). A requested item or draft resolution must not be such as would be incapable of being passed or otherwise be ineffective or redundant (whether by reason of inconsistency with any enactment or the Company's Memorandum and Articles of Association, or on account of the substantive nature of other resolutions on the agenda of the AGM, or otherwise). Any requested item or draft resolution must not be defamatory of any person.

## Appendix 1

### Summary Information on the Directed Buyback Contract

It is intended that, if Resolution 13 is approved, the Company and the Minister for Finance will enter into the Directed Buyback Contract which will give the Company flexibility if appropriate at the relevant time and with the agreement of the Minister for Finance, to help facilitate the return of AIB to full private ownership over time through the use of AIB's excess capital.

Under the proposed terms of the Directed Buyback Contract to be entered into between the Company and the Minister for Finance, if Resolution 13 is approved, the Company may agree with the Minister for Finance to make off-market purchases of its ordinary shares at such times and on such number of occasions as the Directors may determine (provided it does not exceed 4.99 per cent of AIB's Ordinary Share capital in any 12 month period):

- (a) by way of one or more standalone purchases;
- (b) through a non-discretionary, broker-managed directed trading programme (subject to certain parameters); or
- (c) in conjunction with any offer or sale by the Minister for Finance by way of or including an institutional placing.

Neither the Company nor the Minister for Finance would be under an obligation to agree to make such off-market purchases and would only do so subject to regulatory approval from the European Central Bank at the time.

Under the proposed terms of the Directed Buyback Contract, an off-market purchase from the Minister for Finance (or his nominee) would only be made, provided that:

- (a) the price payable by the Company to the Minister for Finance (or his nominee) will:
  - (i) subject to paragraph (x) below, be the relevant market price per ordinary share on the date the ordinary share is contracted to be purchased as determined by the Directors; and
  - (ii) be greater than or equal to the nominal value of an ordinary share at the relevant time (being €0.625 at the date of this Notice of General Meeting); and
  - (iii) be less than or equal to the higher of:
    - (A) 105 per cent. of the average of the mid-market quotations for an ordinary share as derived from The Daily Official List of Euronext Dublin for the five business days immediately preceding the day on which the Ordinary Share is contracted to be purchased; and
    - (B) that stipulated by Commission-adopted Regulatory Technical Standards pursuant to Article 5(6) of the Market Abuse Regulation (2014/596/EU);
- (b) the consideration payable by the Company to the Minister for Finance (or his nominee) for any off-market purchase pursuant to the Directed Buyback Contract expressed as a percentage of the Company's market capitalisation at the date of such

off-market purchase (the “Consideration Percentage”) shall not (when aggregated with the Consideration Percentage for any other purchases of ordinary shares by the Company from the Minister for Finance (or his nominee) within the previous 12 months) exceed 4.99 per cent.;

- (c) the number of ordinary share which the Company may purchase from the Minister for Finance (or his nominee) shall, without prejudice to paragraph (y) below, not exceed such number of ordinary shares that, when aggregated with any other purchases of ordinary shares by the Company from the Minister for Finance (or his nominee) within the previous 12 months, equals 4.99 per cent. of the Company’s ordinary share capital in issuance (i) at the time of the relevant off-market purchase or (ii) on the date of the Directed Buyback Contract (whichever is lower); and
- (d) the proposed off-market purchase will, when aggregated with any other related party transactions entered into between the Company or any member of its corporate group and the Minister for Finance (or an associate) within the previous 12 months and which has not been approved by shareholders, be treated as a “smaller” related party transaction under Irish Listing Rule 11.1.15 and UK Listing Rule 11.1.10R.

In addition, an off-market purchase from the Minister for Finance in conjunction with an offer or sale by the Minister for Finance (or his nominee) of ordinary shares by way of or including an institutional placement would only be made provided that:

- (x) the price payable by the Company to the Minister for Finance (or his nominee) will be the same price per ordinary share payable by institutional investors in the share offering as determined through a book building process; and
- (y) the number of ordinary shares which the Company may purchase from the Minister for Finance (or his nominee) in such an off-market purchase shall not exceed 50 per cent. of the number of ordinary shares, which are the subject of the relevant share offering by the Minister for Finance; and
- (z) any off-market purchase from the Minister for Finance (or his nominee) pursuant to the Directed Buyback Contract will settle immediately following and on the same business day as the settlement of the relevant share offering.

The Directed Buyback Contract shall only be entered into by the Company and the Minister for Finance if Resolution 13 is passed. Once signed, it shall remain in force until the earlier of (a) expiry of the authority conferred by Resolution 13 (unless such authority is renewed); and (b) termination by agreement in writing between the Company and the Minister for Finance.

Effect on the Minister for Finance’s shareholding of the exercise in full of the off-market purchase authority

The shareholding of the Minister for Finance as at 1 April 2021 (being the latest practicable date prior to the publication of this document) was 1,930,436,543 ordinary shares in the Company. In addition, the Minister for Finance holds Warrants to subscribe for 271,166,685 ordinary shares in the Company representing as at 1 April 2021 (being the latest practicable date prior to the publication of this document) 9.99 per cent of the issued ordinary share capital of the Company (the “**Warrants**”).

If the Company exercises in full the authority granted by Resolution 13, the shareholding of the Minister for Finance would be 1,794,988,920 ordinary shares (excluding any ordinary shares which

may otherwise be sold by the Minister for Finance (or his nominee) in an institutional placement in conjunction with an off-market purchase by the Company or otherwise) and assuming the Minister of Finance does not subscribe for ordinary shares under the Warrants. The exercise of the authority granted by Resolution 13 therefore would have the effect of reducing the Minister for Finance's holding of ordinary shares in the Company.
