Such remuneration will accrue from day to day and be payable annually in advance in each year on such date as may from time to time be agreed as aforesaid. However, if any payment to a Noteholder or holder of any Coupon of the moneys due in respect of any Note or Coupon is improperly withheld or refused upon due presentation of such Note or Coupon such remuneration unless already payable in accordance with the foregoing provision will again accrue as from the date of such presentation until payment to such Noteholder or holder of such Coupon is duly made.

8.2 Extra Remuneration

At any time after the occurrence of an Event of Default or a Restricted Event of Default, if applicable, or any event which with the giving of notice and/or lapse of time would become an Event of Default or a Restricted Event of Default, if applicable, or if the Trustee finds it expedient or necessary or is requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under this Trust Deed, the Issuer will pay such additional remuneration as may be agreed between them or, failing agreement as to any of the matters in this Clause (or as to such sums referred to in Clause 8.1), as determined by a financial institution or person (acting as an expert) selected by the Trustee and approved by the Issuer or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales in the case of the English Law Notes and of the Law Society of Ireland in the case of the Irish Law Notes, the expenses involved in such nomination and the fee of such financial institution being paid by the Issuer. The determination of such financial institution or person will be conclusive and binding on the Issuer, the Trustee, the Noteholders and the holders of Coupons and Talons.

8.3 Expenses

Subject as otherwise agreed in writing between the Issuer and the Trustee, the Issuer will also pay or discharge all costs, charges, liabilities and expenses incurred by the Trustee in relation to the preparation and execution of this Trust Deed and the carrying out of its functions under this Trust Deed including, but not limited to, the Trustee's costs and expenses properly incurred in instructing a firm of legal advisers to check the content of any Final Terms or any other document or agreement, or any amendment or supplement thereto, to be entered into or produced in connection with the Programme, any legal and travelling expenses and any stamp, registration, documentary or other taxes or duties paid by the Trustee in connection with any legal proceedings brought or contemplated by the Trustee against the Issuer for enforcing any obligation under this Trust Deed, the Notes or Coupons.

8.4 Payment of Expenses

Subject as otherwise agreed in writing between the Issuer and the Trustee all costs, charges, liabilities and expenses incurred and payments made by the Trustee in the performance of its functions pursuant to Trust Deed will be payable or reimbursable by the Issuer on demand by the Trustee and:

- 8.4.1** in the case of payments made by the Trustee prior to such demand will carry interest from the earliest date on which, the demand having been made, the Issuer could have effected payment, at the rate of 3 per cent. per annum over the interest rate for overnight deposits of The Bank of England on the date on which such payments were made by the Trustee; and
- 8.4.2** in all other cases will carry interest at such rate from 30 days after the earliest date on which demand having been made could have effected payment.

8.5 Indemnity

The indemnities in Clause 8.5 constitute separate and independent obligations from the other obligations in this Trust Deed and will give rise to a separate and independent cause of action.

8.6 Provisions Continuing

The provisions of Clauses 8.3, 8.4 and 8.5 will continue in full force and effect in relation to the Trustee even if it may have ceased to be Trustee.

9 Provisions Supplemental to the Trustee Act 1925 and the Trustee Act 2000

The Trustee may act on the opinion or advice of, or information obtained from, any expert and will not be responsible to anyone for any loss occasioned by so acting whether such advice is obtained or addressed to the Issuer, the Trustee or any other person. Any such opinion, advice or information may be sent or obtained by letter or email and the Trustee will not be liable to anyone for acting in good faith on any opinion, advice or information purporting to be conveyed by such means even if it contains some error or is not authentic.

The Trustee may rely without liability to the Noteholders or Couponholders on any report, confirmation or certificate, or any advice of any accountants, financial advisers, financial institutions or any other expert pursuant to the Conditions and/or this Trust Deed whether or not addressed to the Trustee and whether or not it, or any engagement letter entered into in connection therewith, contains any limitation or restrictions on the liability by reference to a monetary cap, methodology or otherwise. Furthermore, the Trustee may rely on information and any certifications provided by the Clearing Systems.

9.2 The Trustee to Assume Due Performance

The Trustee need not notify anyone of the execution of this Trust Deed or do anything to ascertain whether any Event of Default, a Restricted Event of Default, if applicable, Loss Absorption Disqualification Event, Capital Dissolution Event or Tax Event, if applicable, or any event which with the giving of notice and/or lapse of time would become an Event of Default or a Restricted Event of Default, if applicable, has occurred and, until it has actual knowledge or express notice to the contrary, the Trustee may assume that no such event has occurred and that the Issuer and each other party is performing all its obligations under this Trust Deed, the Agency Agreement and the Notes.

9.3 Resolutions of Noteholders

The Trustee will not be responsible for having acted in good faith upon a resolution purporting (i) to have been passed at a meeting of Noteholders in respect of which minutes have been made and signed or (ii) to be a written resolution or electronic consent made in accordance with Schedule 3, even though it may later be found that there was a defect in the constitution of such meeting or the passing of such resolution or that such resolution was not valid or binding upon the Noteholders or the holders of the Coupons or the Talons.

9.4 Certificate Signed by Authorised Signatories

The Trustee may call for and may accept as sufficient evidence of any fact or matter or of the expediency of any act a certificate of the Issuer signed by any two of its Authorised Signatories as to any fact or matter upon which the Trustee may, in the exercise of any of its functions, require to be satisfied or to have information to the effect that, in the opinion of the persons so certifying, any particular act is expedient and the Trustee need not call for further evidence and will not be responsible for any loss that may be occasioned by acting on any such certificate.

9.5 Deposit of Documents

The Trustee may at its expense deposit this Trust Deed and any deed or document relating to this Trust Deed, the Notes, the Coupons or the Talons in any part of the world with any banker or banking company or entity whose business includes undertaking the safe custody of documents or with any lawyer or firm of lawyers believed by it to be of good repute and the Trustee shall not be responsible for, or be required to insure against, any loss incurred in connection with any such holding or deposit and may pay all sums to be paid on account of or in respect of any such deposit. The Trustee is not obliged to appoint a custodian of securities payable to bearer.

9.6 Discretion of Trustee

Save as expressly otherwise provided in this Trust Deed and, in respect of Irish Law Notes only, subject to section 422 of the Companies Act if applicable, the Trustee will have absolute and uncontrolled discretion as to the exercise of its functions and will not be

responsible for any loss, liability, cost, claim, action, demand, expenses or inconvenience which may result from their exercise or non-exercise, but wherever the Trustee is, under this Trust Deed, bound to act at the result or direction of the Noteholders, the Trustee shall nevertheless not be so bound to take any action (including forming any opinion or employing any financial adviser) if any such action would require the Trustee to incur any expenditure or other financial liability or risk its own funds. Without prejudice to the provisions of Clause 10 of this Trust Deed, the Trustee is not required to take any action unless directed and/or indemnified and/or secured and/or prefunded to its satisfaction.

9.7 Agents

Whenever it considers it expedient in the interests of the Noteholders, the Trustee may (after consultation (to the extent legally permitted) with the Issuer save in the event of an Event of Default or a Restricted Event of Default, if applicable, or any event which with the giving of notice and/or lapse of time would become an Event of Default or a Restricted Event of Default, if applicable) in the conduct of its trust business, instead of acting personally, employ and pay an agent selected by it, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money). Neither the Trustee nor the Issuer will be responsible to anyone for any misconduct or omission on the part of any such agent so employed by the Trustee or be bound to supervise the proceedings or acts of any such agent. Any such agent being a lawyer, banker, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by him or any partner of his or by his firm in connection with the trusts hereof and also his reasonable charges in addition to disbursements for all other work and business done and all time spent by him or his partner or firm on matters arising in connection herewith including matters which might or should have been attended to in person by a trustee not being a lawyer, banker, broker or professional person.

9.8 Delegation

Whenever it considers it expedient in the interests of the Noteholders, the Trustee may delegate to any person and on any terms (including power to sub-delegate) all or any of its functions.

9.9 Forged Notes

Unless ordered to do so by a court of competent jurisdiction the Trustee shall not be required to disclose to any Noteholder or holder of any Coupon or Talon any confidential financial or other information made available to the Trustee by the Issuer.

9.11 Determinations Conclusive

As between itself and the Noteholders and holders of any Coupon or Talon, the Trustee as appropriate may determine all questions and doubts arising in relation to any of the provisions of this Trust Deed, the Notes, the Coupons or the Talons. Every such

determination, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, will, save for manifest error, be conclusive and shall bind the Trustee, the Noteholders and the holders of any Coupon or Talon.

9.12 Currency Conversion

Subject to the Conditions, where it is necessary or desirable to convert any sum from one currency to another, it will (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may be agreed by the Trustee, in consultation with the Issuer, but having regard to current rates of exchange, if available. Any rate, method and date so agreed will be binding on the Issuer, the Noteholders and the holders of any Coupon or Talon.

9.13 Payment for and Delivery of Notes

The Trustee will not be responsible for the receipt or application by the Issuer of the proceeds of issue of any Notes or the delivery of Notes to the persons entitled to them.

9.14 Notes held by the Issuer etc.

In the absence of knowledge or express notice to the contrary, the Trustee may assume without enquiry (other than requesting a certificate under Clause 7.17) that no Notes are for the time being held by or on behalf of the Issuer or its subsidiaries.

9.15 Consents etc. given by Trustee

Any consent, approval, authorisation or waiver given by the Trustee for the purposes of this Trust Deed may be given in such terms and conditions (if any) as the Trustee thinks fit.

9.16 Responsibility of the Trustee

The Trustee shall not have any responsibility with regard to the Notes, the Coupons or the Talons other than as expressly set out in this Trust Deed and (without prejudice to the generality of the foregoing) makes no representation and assumes no responsibility for the validity or enforceability of this Trust Deed or the Issuer's obligations in respect of the Notes, Coupons and Talons and shall not under any circumstances have any liability to the Noteholders or the holders of Coupons or Talons in respect of any payment which should have been made by the Issuer with respect to the Notes or Coupons or otherwise under this Trust Deed but is not so made or be obliged to account to the Noteholders or the holders of Coupons for any sum or interest on any sum which should have been paid by the Issuer with respect to the Notes but is not so paid.

9.17 Change of law

The Trustee shall not incur any liability to the Issuer, the Noteholders or the holders of Coupons or Talons if, by reason of any provision of any present or future law or regulation of (i) in respect of English Law Notes, the United Kingdom, (ii) in respect of Irish Law Notes, Ireland or (iii) in either case, any other country or of any relevant governmental authority, or by reason of the interpretation or application of any present or future law or regulation or any change therein, or by reason of any other circumstance beyond its control, it shall be prevented or forbidden from doing or performing any act or thing which the terms of this Trust Deed or the Agency Agreement provide shall or may be done or performed by it; if the Trustee shall be so prevented or forbidden from so acting, it shall promptly notify the Issuer; nor shall the Trustee incur any liability by reason of any non-performance or delay, caused as aforesaid, in the performance of any act or thing which

the terms of this Trust Deed or the Agency Agreement provide shall or may be done or performed by it, or by reason of any exercise of, or failure to exercise, any power, authority or discretion provided for in this Trust Deed (including the Conditions) or the Agency Agreement.

9.18 Applicable law

Any such information, certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic. The Trustee is entitled to treat the named entity on the Register as the Noteholder and the account holder in the Clearing Systems for any other purpose.

In relation to any asset held by it under this Trust Deed, the Trustee may appoint any person to act as its nominee on any terms.

9.26 Monitoring

The Trustee has no responsibility to (a) monitor compliance by any other party; or (b) take any steps to ascertain whether a breach of this Trust Deed has occurred or whether an Event of Default, a Restricted Event of Default, if applicable, Loss Absorption Disqualification Event, Capital Dissolution Event or Tax Event, if applicable, has occurred under the Conditions.

9.27 Withholding

In the event that the Issuer determines in its sole discretion that any deduction or withholding for or on account of any Tax will be required by Applicable Law in connection with any payment due to any of the Trustee or Agents on any Notes, then the Issuer will be entitled to redirect or reorganise any such payment in any way that it sees fit in order that the payment may be made without such deduction or withholding provided that, any such redirected or reorganised payment is made through a recognised institution of international standing and otherwise made in accordance with this Agreement and the Agency Agreement. The Issuer will promptly notify the Agents and the Trustee of any such redirection or reorganisation.

10 Liability for Negligence

Section 1 of the Trustee Act 2000 shall not apply to any function of the Trustee. Where there are any inconsistencies between the Trustee Acts and the provisions of these presents, the provisions of these presents shall, to the extent allowed by law, prevail. Nothing contained in this Trust Deed shall in any case in which the Trustee has failed to show the degree of care and diligence required of it as trustee relieve or indemnify or reimburse it from or against any liability or expense which by virtue of any rule of law would otherwise attach to it in respect of any negligence, wilful default or fraud or where it fails to show the degree of care and diligence required of it in such capacity having regards to the provisions of this Trust Deed conferring on it any trusts, powers, authorities or discretions.

The Trustee shall not in any event be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of business, goodwill, opportunity or profit), whether or not foreseeable, even if the Trustee has been

advised to the possibility of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, breach of trust or otherwise.

11 Waiver

The Trustee may without the consent of the Noteholders or holders of Coupons or Talons and without prejudice to their rights in respect of any subsequent breach, from time to time and at any time, if in its opinion the interests of the Noteholders or the other holders, as the case may be, will not be materially prejudiced thereby, waive or authorise, on such terms and conditions as seems expedient to it, any breach or proposed breach by the Issuer of any of the provisions contained in this Trust Deed or of its obligations in respect of the Notes or determine that any Event of Default or a Restricted Event of Default, if applicable, or any event which with the giving of notice and/or lapse of time would become an Event of Default or a Restricted Event of Default, if applicable, will not be treated as such provided that the Trustee will not do so in contravention of any express direction given by an Extraordinary Resolution or a request made pursuant to Condition 9(b) of the Subordinated Notes or Condition 9(a) or 9(b)(ii) of the Senior Notes, as applicable, but no such direction or request will affect any previous waiver, authorisation or determination. Any such waiver, authorisation or determination will be binding on the Noteholders and the holders of Coupons and Talons and, if the Trustee so requires, will be notified to the Noteholders as soon as practicable and in accordance with the Conditions.

12 Trustee not Precluded from Entering into Contracts

No person, whether acting for itself or in any other capacity, will be precluded from becoming the owner of, acquiring any interest in, holding or disposing of any Note, Coupon or Talon or any shares or securities of the Issuer or the Trustee or any of their holding, subsidiary or associated companies with the same rights as it would have had if the Trustee was not Trustee or from entering into or being interested in any contracts or transactions with the Issuer or the Trustee or any of their holding, subsidiary or associated companies or from acting on, or as depositary or agent for, any committee or body of holders of any securities of the Issuer or the Trustee or any of their holding, subsidiary, or associated companies or will be liable to account for any profit.

13 Substitution and Variation

13.1 If the Issuer decides to substitute the Notes for, or vary the terms of the Notes in accordance with, Condition 5(i) of the Subordinated Notes or Condition 5(j) of the Senior Notes with the effect that they remain or, as appropriate, become Tier 2 Compliant Notes in the case of the Subordinated Notes or Loss Absorption Compliant Notes in the case of the Senior Notes, it shall give notice of such intention to the Trustee at the latest 15 days before the giving of any such notice of substitution or variation to the Noteholders and which notice to the Trustee shall be irrevocable.

13.2 Along with the notice to the Trustee to be delivered pursuant to Clause 13.1 above, the Issuer shall deliver to the Trustee certain certificates:

13.2.1 in the case of Senior Notes that are to be varied or substituted by the Issuer as or for, Loss Absorption Compliant Notes, the Issuer shall deliver (i) a certificate that certifies compliance by the Issuer with the conditions set out in the definition of "*Loss Absorption Compliant Notes*" in Condition 16 of the Conditions of the Senior Notes; and (ii) a certificate stating that the Loss Absorption Disqualification Event

giving rise to the right to substitute or vary the Notes has occurred as at the date of the certificate and that all conditions set out in (A), (B) and (C) of Condition 5(j)(ii) of the Conditions of the Senior Notes have been satisfied; and

13.2.2 in the case of Subordinated Notes that are to be varied or substituted by the Issuer, as or for Tier 2 Compliant Notes, the Issuer shall deliver (i) a certificate that certifies compliance by the Issuer with the conditions set out in the definition of “*Tier 2 Compliant Notes*” in Condition 16 of the Conditions of the Subordinated Notes; and (ii) a certificate stating that the Capital Disqualification Event or Tax Event giving rise to the right to substitute or vary the Notes has occurred as at the date of the certificate and that all conditions set out in (A), (B) and (C) of Condition 5(i)(ii) of the Conditions of the Subordinated Notes have been satisfied.

13.3 The Trustee shall be entitled to accept such certificates without any further inquiry as sufficient evidence of the facts set out therein and such certificates shall be conclusive and binding on the Trustee, the Noteholders and, as applicable, the Couponholders.

13.4 Each certificate described in Clause 13.2.1 and Clause 13.2.2 above shall be signed by two Authorised Signatories of the Issuer.

13.5 The Trustee shall subject to (i) the Issuer’s compliance with Condition 5(i)(ii) in respect of the Subordinated Notes or Condition 5(j)(ii) in respect of the Senior Notes; (ii) the delivery of the certificates set out above signed by two Authorised Signatories of the Issuer, and (iii) at the expense and cost of the Issuer, use its reasonable endeavours to assist the Issuer in any substitution or variation of Notes pursuant to the processes set out above and Condition 5(i) in respect of the Subordinated Notes or Condition 5(j) in respect of the Senior Notes, except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Loss Absorption Compliant Notes or Tier 2 Compliant Notes, as applicable, would impose, in the Trustee’s opinion, more onerous obligations upon it or require it to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its satisfaction.

14 Modification and Substitution

14.1 Modification

The Trustee may agree without the consent of the Noteholders or the holders of Coupons or Talons, but subject to Condition 10(f) of the Senior Notes and the Subordinated Notes to (i) any modification of any of the provisions of this Trust Deed or the Conditions or make any modification to the Notes, Coupons or Talons which is of a formal, minor or technical nature or is made to correct a manifest error and (ii) any other modification which is in its opinion not materially prejudicial to the interests of the Noteholders, but such power in (ii) above does not extend to any such modification as is mentioned in the proviso to paragraph 21 of Schedule 3. In addition, the Trustee shall be obliged to effect such modifications to the Trust Deed and/or the Conditions as may be required in order to give effect to (i) Condition 4(i) of the Senior Notes and the Subordinated Notes in connection with effecting any Benchmark Amendments or (ii) Condition 4(a)(iv)(D)(aa) of the Senior Notes and the Subordinated Notes in connection with effecting any Benchmark Replacement Conforming Changes, subject to the provisions thereof, without the requirement for the consent of the Noteholders or the holders of Coupons or Talons. Any such modification shall be binding on the Noteholders and the Couponholders and, unless

the Trustee otherwise agrees, the Issuer shall cause such modification to be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 13.

For the avoidance of doubt, the agreement or approval of the Noteholders shall not be required in the case of any variation of the Conditions and/or this Trust Deed required to be made in the circumstances described in Condition 5(j) of the Senior Notes and Condition 5(i) of the Subordinated Notes in connection with the variation of the terms of the Notes and to which the Trustee has agreed pursuant to the relevant provisions of Condition 5(j) and Condition 5(i) as applicable.

14.2 Substitution of the Issuer

14.2.1 The Trustee may, without the consent of the Noteholders or holders of Coupons or Talons, subject to Condition 10(c) and such other conditions as the Trustees may require, agree to the substitution of the Issuer by its successor in business or any subsidiary of the Issuer or its successor in business (in all cases) (the “**Substituted Obligor**”) in place of the Issuer (or of any previous substitute under this Clause) as the principal debtor and obligor under the Trust Deed, the Notes, the Coupons and the Talons provided that:

- (i) a deed is executed or undertaking given by the Substituted Obligor to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by this Trust Deed, the Notes, the Coupons and the Talons (with consequential amendments as the Trustee may deem appropriate) as if the Substituted Obligor had been named in this Trust Deed and on the Notes, the Coupons and the Talons as the principal debtor and obligor in place of the Issuer;
- (ii) if the Substituted Obligor is subject generally to the taxing jurisdiction of a territory or an authority of or in that territory with power to tax (the “**Substituted Territory**”) other than or in addition to the territory to the taxing jurisdiction of which (or to any such authority of or in which) the Issuer is subject generally (together, if more than one, the “**Issuer’s Territory**”), the Substituted Obligor will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 7 with the substitution for, or, as the case may be, in addition to, the references in that Condition to the Issuer’s Territory of references to the Substituted Territory whereupon this Trust Deed, the Notes, the Coupons and the Talons will be read accordingly;
- (iii) notwithstanding the undertaking to be given by the Substituted Obligor to the Trustee pursuant to paragraph (ii) above, if the Substituted Obligor was required to make any payment of principal or interest in respect of the Notes at the time of or immediately proceeding substitution, such payments would be made free and clear of, and without deduction or withholding for, any taxes, duties, assessments, or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or in any tax jurisdiction of a territory to which the Substituted Obligor is subject or any authority therein or thereof having power to tax;
- (iv) if any duly authorised officer of the Substituted Obligor certifies that it will be solvent immediately after such substitution, the Trustee need not have

regard to the Substituted Obligor's financial condition, profits or prospects or compare them with those of the Issuer;

- (v) unless the Substituted Obligor is a successor in business of the Issuer (i) in the case of any Subordinated Notes, an irrevocable guarantee, subordinated in accordance with the Subordinated Notes or (ii) in the case of any Senior Notes, an irrevocable guarantee, in each case, is given by the Issuer to the Trustee in a form satisfactory to the Trustee of the payment of all moneys payable by the Substituted Obligor as such principal debtor; and
- (vi) the Issuer and the Substituted Obligor comply with such other requirements as the Trustee may reasonably direct in the interests of the Noteholders.

14.2.2 Release of the Issuer: An agreement by the Trustee pursuant to Clause 14.2.1 will, if so expressed, release the Issuer (or a previous substitute) from any or all of its obligations under the Trust Deed, the Notes, the Coupons and the Talons. Notice of the substitution will be given by the Substituted Obligor to the Noteholders within 14 days of the execution of such documents and compliance with such requirements.

14.2.3 Completion of Substitution: On completion of the formalities set out in Clause 14.2.1, the Substituted Obligor will be deemed to be named in this Trust Deed, the Notes, the Coupons and the Talons as the principal debtor in place of the Issuer (or of any previous substitute) and this Trust Deed, the Notes, the Coupons and the Talons will be deemed to be amended as necessary to give effect to the substitution.

15 Appointment, Retirement and Removal of the Trustee

15.1 Appointment

The Issuer has the power of appointing new trustees relating to the Notes but no-one may be appointed unless previously approved by an Extraordinary Resolution. A trust corporation will at all times be a trustee hereof and may be the sole trustee hereof. Any appointment of a new trustee or trustees hereof will be notified by the Issuer to the Agents and the Noteholders as soon as practicable.

15.2 Retirement and Removal

Any Trustee hereof may retire at any time on giving not less than 2 months' notice in writing to the Issuer and without giving any reason and without being responsible for any costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee, provided that the retirement or removal of any sole trustee or sole trust corporation will not become effective until a trust corporation is appointed as successor trustee hereof. If a sole trustee or sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal under this Clause, it will use all reasonable endeavours to procure that another trust corporation be appointed as trustee hereof.

The Trustee may appoint a replacement trustee if the Issuer has failed to do so within 60 days of the date of such notice or Extraordinary Resolution, subject to Noteholders' approval by way of Extraordinary Resolution, with all reasonable costs of such appointment being borne by the Issuer.

15.3 Co-Trustees

The Trustee may by written notice to the Issuer appoint anyone to act as an additional trustee hereof jointly with the Trustee:

- 15.3.1** if the Trustee considers such appointment to be in the interests of the Noteholders (as the case may be) and/or the holders of the Coupons and/or Talons; or
- 15.3.2** for the purpose of conforming with any legal requirement, restriction or condition in any jurisdiction in which any particular act is to be performed; or
- 15.3.3** for the purpose of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of this Trust Deed.

Subject to the provisions of this Trust Deed the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by notice in writing to the Issuer and such person remove any person so appointed. At the request of the Trustee, the Issuer will forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee to be its attorney in its name and on its behalf to do so.

15.4 Competence of a Majority of Trustees

If there are more than two Trustees hereof the majority of such Trustees hereof will (provided such majority includes a trust corporation) be competent to carry out all or any of the Trustee's functions.

15.5 Entitlement to treat Noteholder as Absolute Owner

Except as ordered by a court of competent jurisdiction or as required by law or as otherwise provided in the Global Notes, the Issuer and the Trustee shall be entitled to treat the holder of any Note, or of any Coupon or Talon in relation to any Note, as the absolute owner thereof for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it, any writing on it, or its theft or loss) and shall not be required to obtain any proof thereof or as to the identity of the bearer or holder.

16 Holders of Coupons or Talons

16.1 Couponholders

Neither the Trustee nor the Issuer need give any notice to the holders of Coupons or Talons and the holders of Coupons or Talons will be deemed to have notice of the contents of any notice given to the Noteholders.

16.2 Noteholders Assumed to Hold Coupons and Talons

Even if it has express notice to the contrary, whenever the Trustee is required to exercise any of its functions by reference to the interests of the Noteholders, the Trustee will assume that the holder of each Note is the holder of all Coupons and Talons relating to it.

17 Currency Indemnity

17.1 Currency of Account and Payment

The Contractual Currency is the sole currency of account and payment for all sums payable by the Issuer under or in connection with this Trust Deed in relation to such Series of Notes or, as the case may be, Clause 8, including damages.

17.2 Extent of Discharge

Any amount received or recovered in a currency other than the relevant Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction), in the insolvency, winding-up or dissolution of the Issuer, by the Trustee, any Noteholder or holder of a Coupon or a Talon in respect of any sum expressed to be due to it from the Issuer will only constitute a discharge to the Issuer to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

17.3 Indemnities

If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Trust Deed and the Notes, the Issuer will (subject to Clause 5) indemnify it against any loss sustained by it as a result. In any event, the Issuer will indemnify the recipient against the cost of making any such purchases.

17.4 Indemnities Separate

Subject to Clause 5, these indemnities constitute a separate and independent obligation from the other obligations in this Trust Deed, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or any holder of a Coupon or a Talon and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, and/or the Notes and/or Coupons and/or Talons or any judgment or order. No proof of evidence of any actual loss may be required.

19 Governing Law and Jurisdiction

19.1 Governing Law

Other than in respect of Irish Law Notes, this Trust Deed and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law except that the provisions hereof relating to postponement of the claims of Noteholders and Couponholders on a winding up of the Issuer shall be governed by, and construed in accordance with, the laws of Ireland.

The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Noteholders and the holders of the Coupons and/or the Talons and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

SCHEDULE 2

Part C(i)

TERMS AND CONDITIONS OF THE SENIOR NOTES

The following (other than any sections in italics) is the text of the terms and conditions which, subject to completion and amendment and as supplemented or varied in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Senior Notes in definitive form (if any) issued in exchange for Notes represented by a Note or Certificate in global form. Either (i) the full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on Certificates relating to such Registered Notes (each capitalised term as defined below). All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Senior Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by a Trust Deed dated 7 May 2021 (as amended or supplemented as at the date of issue of the Notes (the “Issue Date”), the “Trust Deed”) between AIB Group plc (the “Issuer”) and BNY Mellon Corporate Trustee Services Limited (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions (the “Conditions”) include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons (as defined below). An Agency Agreement dated 14 March 2018 (as amended or supplemented from time to time, the “Agency Agreement”) has been entered into in relation to the Notes between the Issuer, the Trustee, The Bank of New York Mellon, London Branch as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the other paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Issuing and Paying Agent”, the “Paying Agents” (which expression shall include the Issuing and Paying Agent), the “Registrar”, the “Transfer Agents” and the “Calculation Agent(s)”. Copies of the Trust Deed and the Agency Agreement are available for inspection free of charge during usual business hours at the specified offices of each of the Paying Agents and the Transfer Agents.

The Noteholders (as defined below), the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes in bearer form, talons for further Coupons (the “Talons”) (the “Couponholders”) are entitled to the benefit of, are bound by, and are deemed to have notice of all the provisions of the Trust Deed and are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

1 Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”) or in registered form (“Registered Notes”), in each case in the Specified Denomination(s) (as defined hereon).

This Note is a Fixed Rate Note, a Resettable Note, a Floating Rate Note, or a Zero Coupon Note.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(b), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as the absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 No Exchange of Notes and Transfers of Registered Notes

(a) No Exchange of Notes

Registered Notes may not be exchanged for Bearer Notes. Bearer Notes may not be exchanged for Registered Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) Transfer of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar, the Issuing and Paying Agent, the Transfer Agents and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) Delivery of New Certificates

Each new Certificate to be issued pursuant to Condition 2(b) shall be available for delivery within three business days of receipt of a duly completed and executed form of transfer and surrender of the existing Certificate(s). Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer and Certificate(s) shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so

specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent or the Registrar (as the case may be) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(c), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(d) *Transfers Free of Charge*

Certificates, on transfer, shall be issued and registered without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(e) *Closed Periods*

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on (and including) the due date for redemption of that Note, (ii) during the period of 15 days prior to (and including) any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(f), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3 Status

(a) *Status*

The Notes and Coupons constitute unsubordinated and unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and Coupons shall, save for such exceptions as may be provided by applicable legislation, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

(b) *No Set-off*

This Condition 3(b) shall apply only if “Waiver of Set-off” is specified on this Note as being applicable.

Subject to applicable law, no holder of a Note, or a Coupon relating thereto, may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer in respect of, arising under, or in connection with the Notes or the Coupons relating thereto or the Trust Deed and each holder of a Note or a Coupon relating thereto shall, by virtue of his holding of any such Note or Coupon, be deemed, to the extent permitted under applicable law, to have waived all such rights of set-off, compensation or retention. Notwithstanding the preceding sentence, if any of the amounts owing to any Noteholder or Couponholder by the Issuer in respect of or arising under or in connection with the Notes or the Coupons relating thereto is discharged by set-off, such Noteholder and Couponholder shall, subject to applicable law, immediately pay an amount equal to the amount of such discharge to the Issuer (or in the event of its winding-up or examinership, the liquidator or, as applicable, examiner of the Issuer) and accordingly such discharge will be deemed not to have taken place, and until such payment is made shall hold an amount equal thereto in trust for the Issuer (or, as the case may be, the liquidator or, as applicable, examiner of the Issuer).

4 Interest and other Calculations

(a) *Interest on the Notes*

(i) *Interest Payment Dates (Floating Rate Notes)*

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(f). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention*

If any date referred to in these Conditions which is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day (as defined below), then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day which is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest for Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(f).

(iv) *Rate of Interest for Floating Rate Notes*

The Rate of Interest in respect of Floating Rate Notes for each Interest Period shall be determined in the manner specified hereon and the provisions below relating to any of ISDA Determination, Screen Rate Determination or Linear Interpolation shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period shall be determined by the Calculation Agent as, subject to Condition 4(e), a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under

a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes – Term Rates

- (x) Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, and unless the Reference Rate in respect of the relevant Series of Floating Rate Notes is specified hereon as being “SONIA” or “SOFR”, the Rate of Interest for each Interest Period will, subject to Condition 4(e), Condition 4(i) and as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (Brussels time in the case of Euro Interbank Offered Rate (“EURIBOR”)) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided hereon.

- (y) If the Relevant Screen Page is not available or if sub-paragraph (x)(i) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(ii) above applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall, subject to Condition 4(e), be the arithmetic mean of such offered quotations as determined by the Calculation Agent.

- (z) If paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall, subject to Condition 4(e), be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph (and subject to Condition 4(i)), the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period).

“SONIA Compounded Index Rate” means, with respect to an Interest Period, the rate of return of a daily compound interest investment during the SONIA Observation Period relating to such Interest Period (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent on the relevant Interest Determination Date, as follows:

$$\left(\frac{SONIA\ Compounded\ Index_{END}}{SONIA\ Compounded\ Index_{START}} - 1 \right) \times \left(\frac{365}{d} \right)$$

provided, however, that and subject to Condition 4(i), if the SONIA Compounded Index Value is not available in relation to any Interest Period on the Relevant

Screen Page or on the Bank of England's website at www.bankofengland.co.uk/boeapps/database/ (or such other page or website as may replace such page for the purposes of publishing the SONIA Compounded Index) for the determination of either or both of SONIA Compounded Index_{START} and/or SONIA Compounded Index_{END}, the Rate of Interest shall be calculated for such Interest Period on the basis of the SONIA Compounded Daily Reference Rate as set out in Condition 4(a)(iv)(C)(y) as if SONIA Compounded Daily Reference Rate with Observation Shift had been specified hereon as being applicable and the "Relevant Screen Page" shall be deemed to be the "Relevant Fallback Screen Page" as specified hereon,

(y) SOFR Compounded Daily Reference Rate

Where (i) Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined; (ii) the Reference Rate is specified hereon as being SOFR; and (iii) SOFR Compounded Daily Reference Rate is specified hereon as being applicable, the Rate of Interest for each Interest Period will, subject to Condition 4(e) and as provided below, be the SOFR Compounded Daily Reference Rate determined as follows:

Notwithstanding anything to the contrary, if both a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to determining the SOFR Compounded Daily Reference Rate, the benchmark replacement provisions set forth in Condition 4(a)(iv)(D)(aa) below shall apply for the purposes of all determinations of the Rate of Interest in respect of the Notes.

- (z) If the Notes become due and payable in accordance with Condition 9, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified hereon, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date and as if (solely for the purpose of such interest determination) the relevant Interest Period had been shortened accordingly.
- (aa) Notwithstanding any other provisions in these Conditions, if:
 - (i) the Benchmark is SOFR; and
 - (ii) any Rate of Interest (or any component part thereof) remains to be determined by reference to the Benchmark,

then the following provisions of this Condition 4(a)(iv)(D)(aa) shall apply.

(I) Benchmark Replacement

If the Issuer or its designee determines prior to the Reference Time on the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the then-current Benchmark, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of all determinations on such date and all determinations on all subsequent dates (subject to any subsequent application of this Condition 4(a)(iv)(D)(aa) with respect to such Benchmark Replacement).

(II) Benchmark Replacement Conforming Changes

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

At the request of the Issuer, but subject to receipt by the Trustee of an officer's certificate pursuant to Condition 4(a)(iv)(D)(aa)(IV) and subject as provided below, the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any Benchmark Replacement Conforming Changes (including, *inter alia*, by the execution of a supplemental trust deed to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

The Calculation Agent or any Paying Agent is not obliged to concur with the Issuer in effecting any Benchmark Replacement Conforming Changes which, in the sole opinion of the Calculation Agent or the relevant Paying Agent, as the case may be, would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Calculation Agent or the relevant Paying Agent (as applicable) in the Agency Agreement.

None of the Trustee, the Calculation Agent or any Paying Agent shall have any liability for any determination made by or on behalf of the Issuer or its designee in connection with a Benchmark Transition Event or a Benchmark Replacement. For the avoidance of doubt, unless otherwise agreed upon in writing, the Trustee, the Calculation Agent or any Paying Agent shall in no event be the Issuer's designee.

(III) Decisions and Determinations

Any determination, decision or election that may be made by the Issuer or its designee pursuant to this Condition 4(a)(iv)(D)(aa), including (without limitation) any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Issuer's or its designee's sole discretion (as applicable), and, notwithstanding anything to the contrary in these Conditions or the Trust Deed, shall become effective without any requirement for the consent or approval of Noteholders or any other party.

In connection with any Benchmark Replacement Conforming Changes in accordance with this Condition 4(a)(iv)(D)(aa), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4(a)(iv)(D)(aa), no Benchmark Replacement will be adopted, nor will the applicable Benchmark Replacement Adjustment be applied, nor will any Benchmark Replacement Conforming Changes be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to

prejudice the then current or future qualification of the Notes as Tier 2 Capital.

(IV) Notice and Certification

Any Benchmark Replacement, Benchmark Replacement Adjustment and the specific terms of any Benchmark Replacement Conforming Changes determined under this Condition 4(a)(iv)(D)(aa) will be notified at least 10 business days prior to the relevant Interest Determination Date by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, promptly thereafter, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Replacement Conforming Changes, if any.

No later than notifying the Noteholders of the same, the Issuer shall deliver to the Trustee an officer's certificate:

- (A) confirming (a) that a Benchmark Transition Event has occurred, (b) the Benchmark Replacement, (c) the applicable Benchmark Replacement Adjustment and (d) the specific terms of the Benchmark Replacement Conforming Changes (if any), in each case as determined in accordance with the provisions of this Condition 4(a)(iv)(D)(aa); and
- (B) certifying that the Benchmark Replacement Conforming Changes (if any) are necessary to ensure the proper operation of such Benchmark Replacement and the applicable Benchmark Replacement Adjustment.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Benchmark Replacement, the Benchmark Replacement Adjustment and the Benchmark Replacement Conforming Changes (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Benchmark Replacement, the Benchmark Replacement Adjustment and the Benchmark Replacement Conforming Changes (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

(V) Definitions

In this Condition 4(a)(iv)(D)(aa):

"Benchmark" means, initially, SOFR (provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR (or the published daily SOFR used in the calculation thereof) or any Benchmark which has replaced it in accordance with this Condition 4(a)(iv)(D)(aa), then the term "Benchmark" means the applicable Benchmark Replacement);

“Benchmark Replacement” means the first alternative set out in the order below that can be determined by the Issuer or its designee as at the Benchmark Replacement Date:

- (A) the sum of: (1) the alternative rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark and (2) the Benchmark Replacement Adjustment;
- (B) the sum of: (1) the ISDA Fallback Rate and (2) the Benchmark Replacement Adjustment; or
- (C) the sum of: (1) the alternative rate of interest that has been selected by the Issuer or its designee as the replacement for the then-current Benchmark giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar denominated floating rate notes at such time and (2) the Benchmark Replacement Adjustment;

“Benchmark Replacement Adjustment” means the first alternative set out in the order below that can be determined by the Issuer or its designee as at the Benchmark Replacement Date:

- (A) the spread adjustment (which may be a positive or negative value or zero), or method for calculating or determining such spread adjustment, that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (B) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; or
- (C) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer or its designee giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar denominated floating rate notes at such time;

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of Interest Period, timing and frequency of determining rates and making payments of interest, rounding amounts or tenors, and other administrative matters) that the Issuer or its designee decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer or its designee decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer or its designee determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or its designee determines is reasonably necessary);

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (A) in the case of paragraph (A) or (B) of the definition of “Benchmark Transition Event”, the later of (1) the date of the public statement or publication of information referenced therein and (2) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark (or such component); or
- (B) in the case of paragraph (C) of the definition of “Benchmark Transition Event”, the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time on the relevant Interest Determination Date, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination;

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (A) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the Benchmark (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);
- (B) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark (or such component), which states that the administrator of the Benchmark (or such component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or
- (C) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative;

“designee” means an affiliate or any other agent of the Issuer;

“ISDA Definitions” has the meaning given to it in Condition 16;

“ISDA Fallback Adjustment” means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark;

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment;

“Reference Time” with respect to any determination of the Benchmark means (A) if the Benchmark is SOFR, 3:00 p.m. (New York City time) or such other time as is reasonably agreed between the Issuer or its designee and the Calculation Agent and (B) if the Benchmark is not SOFR, the time determined by the Issuer or its designee in accordance with the Benchmark Replacement Conforming Changes;

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto; and

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

(E) Linear Interpolation

Where Linear Interpolation is specified hereon as applicable in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period, provided however, that if there is no such rate available for the period of time next shorter or, as the case may be, next longer, then the Issuer shall determine such rate at such time and by reference to such sources as it determines appropriate.

(b) Resettable Notes

- (i) Each Resettable Note bears interest on its outstanding amount:
 - (A) from (and including) the Interest Commencement Date up to (but excluding) the First Resettable Note Reset Date at the Initial Rate of Interest;
 - (B) from (and including) the First Resettable Note Reset Date to (but excluding) the Second Resettable Note Reset Date or, if no such Second Resettable Note Reset Date is specified hereon, the Maturity Date, at the First Reset Rate of Interest; and

- (C) for each Subsequent Reset Period thereafter (if any), at the relevant Subsequent Reset Rate of Interest.

Interest will be payable in arrear on each Resettable Note Interest Payment Date and on the date specified hereon as the Maturity Date.

(ii) *Fallback Provisions for Resettable Notes*

If on any Reset Determination Date the Relevant Screen Page is not available or the Mid-Swap Rate does not appear on the Relevant Screen Page, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its Mid-Market Swap Rate Quotation as at approximately 11.00 a.m. in the principal financial centre of the Specified Currency on the Reset Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with Mid-Market Swap Rate Quotations, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the arithmetic mean (rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards) of the relevant Mid-Market Swap Rate Quotations and the First Margin or Subsequent Margin (as applicable) with such sum converted as set out in the definition of First Reset Rate of Interest or Subsequent Reset Rate of Interest (as applicable), all as determined by the Calculation Agent.

If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with a Mid-Market Swap Rate Quotation as provided in the foregoing provisions of this Condition 4(b)(ii), the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) shall be determined to be the Rate of Interest as at the last preceding Resettable Note Reset Date or, in the case of the first Reset Determination Date, the First Reset Rate of Interest shall be the Initial Rate of Interest (though substituting, in each case, the Subsequent Margin or First Margin, as appropriate, if different for each Reset Period).

(c) *Zero Coupon Notes*

Where a Note, the Interest Basis of which is specified to be zero coupon, is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 5(e)(i)).

(d) *Accrual of Interest*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 16).

(e) *Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding*

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Periods, in the case of (y), calculated in accordance with Condition 4(a) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin specified on the Notes, subject always to the next paragraph.

- (ii) If any Maximum or Minimum Rate of Interest or Optional Redemption Amount is specified on the Notes, then such Rate of Interest or Optional Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) Unless otherwise stated hereon, the Rate of Interest in respect of any Interest Period shall not be less than zero.
- (iv) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 of a percentage point being rounded up), (y) all figures shall be rounded to seven significant figures (provided that if the eighth significant figure is a 5 or greater, the seventh significant figure shall be rounded up) and (z) all currency amounts which fall due and payable shall be rounded to the nearest unit of such currency (with half a unit being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes, "unit" means the lowest amount of such currency which is available as legal tender in the countries of such currency.

(f) *Calculations*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(g) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts*

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or (if applicable) Reset Determination Date or such other time on such date as it may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Period or Reset Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period or Reset Period and the relevant Interest Payment Date and/or Resettable Note Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period or Reset Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any date is subject to adjustment pursuant to Condition 4(a)(ii), the Interest Amounts and the Interest Payment Date or Resettable Note Interest Payment Date so published may subsequently be amended (or appropriate alternative

arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period or Reset Period. If the Notes become due and payable under Condition 9, the accrued interest and the Rate of Interest payable in respect of the Notes shall, subject in the case of each of the SONIA Compounded Index Rate, the SONIA Compounded Daily Reference Rate, the SOFR Compounded Index Rate and the SOFR Compounded Daily Reference Rate to Condition 4(a)(iv)(C) or 4(a)(iv)(D, as applicable, nevertheless continue to be calculated as previously in accordance with this Condition 4 but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(h) Calculation Agents

The Issuer will procure that there shall at all times be one or more Calculation Agents if provision is made for them in the Conditions applicable to this Note and for so long as it is outstanding. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Reset Period or to calculate any Interest Amount, Early Redemption Amount, Final Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirements, the Issuer will appoint a leading bank or financial institution engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

(i) Benchmark Discontinuation

If (i) the Original Reference Rate is not SOFR and (ii) a Benchmark Event occurs in relation to the Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions shall apply (with effect from 30 days prior to the first date when such determination is necessary).

(i) Independent Adviser

The Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to consult with the Issuer in determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(i)(ii)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4(i)(iv)).

In making such determination, the Independent Adviser appointed pursuant to this Condition 4(i) and the Issuer shall act in good faith and in a commercially reasonable manner. In the absence of bad faith or fraud, the Issuer and the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Calculation Agent, the Paying Agents or the Noteholders, as applicable, for any determination made by the Issuer and/or for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4(i).

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Issuer fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4(i) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall (subject as provided below) be equal to the Rate of Interest last determined

in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the Initial Rate of Interest. Where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(i)(i).

For the purposes of this Condition 4(i) only, in respect of any Resetable Notes, references to (i) Interest Determination Date shall be read as references to Reset Determination Date, (ii) Interest Period shall be read as references to Reset Period and (iii) Interest Payment Date shall be read as references to Resetable Note Reset Date.

(ii) *Successor Rate or Alternative Rate*

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines that:

- (A) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(i)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(i)).

(iii) *Adjustment Spread*

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be).

(iv) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(i) and the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “Benchmark Amendments”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(i)(v) without any requirement for the consent or approval of Noteholders, vary these Conditions and/or of the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of an officer’s certificate pursuant to Condition 4(i)(v), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any

Benchmark Amendments (including, *inter alia*, by the execution of a supplemental trust deed to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

The Calculation Agent or any Paying Agent is not obliged to concur with the Issuer in effecting any Benchmark Amendments which, in the sole opinion of the Calculation Agent or the relevant Paying Agent, as the case may be, would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Calculation Agent or the relevant Paying Agent (as applicable) in the Agency Agreement.

In connection with any such variation in accordance with this Condition 4(i), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4(i), no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any Benchmark Amendments be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the then current or future qualification of the Notes as own funds and eligible liabilities or loss absorbing capacity instruments for the purposes of the Relevant Regulator or by the Loss Absorption Regulations in the case of Notes that are Loss Absorption Notes or further, in the case of Loss Absorption Notes, could reasonably be expected to result in the Relevant Regulator treating the next Interest Payment Date or Reset Date, as the effective maturity date of the Notes, rather than the relevant Maturity Date.

(v) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4(i) will be notified at least 10 business days prior to the relevant Interest Determination Date by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, promptly thereafter, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Noteholders of the same, the Issuer shall deliver to the Trustee an officer's certificate:

- (A) confirming (a) that a Benchmark Event has occurred, (b) the Successor Rate or, as the case may be, the Alternative Rate, (c) the applicable Adjustment Spread and (d) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4(i); and
- (B) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the

Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

(vi) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under Conditions 4(i)(i), 4(i)(ii), 4(i)(iii) and 4(i)(iv), the Original Reference Rate and the fallback provisions provided for in Condition 4(a)(iv) and Condition 4(b), as applicable, will continue to apply unless and until a Benchmark Event has occurred.

5 Redemption, Purchase and Options

(a) *Final redemption*

Unless previously redeemed, purchased and cancelled or (pursuant to Condition 5(j)) substituted, each Note will be redeemed at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) on the Maturity Date specified on each Note.

(b) *Redemption for taxation reasons*

If, as a result of any amendment to, or change in, the laws or regulations of Ireland or any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the officially published application or interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date, the Issuer would, on the occasion of the next payment date in respect of the Notes, be required to pay additional amounts as provided in Condition 7, the Issuer may, at its sole discretion, on any Interest Payment Date (if this Note is a Floating Rate Note) or at any time (if this Note is not a Floating Rate Note) on giving not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 13 and (if this Note is a Loss Absorption Note) subject to Condition 5(i), redeem all, but not some only, of the Notes at their Early Redemption Amount as specified hereon together with interest accrued to the date fixed for redemption. Prior to the publication of any notice of redemption pursuant to this Condition 5(b), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Trustee shall be entitled to accept such certificate without further inquiry as sufficient evidence of the satisfaction of the conditions precedent referred to above, in which event it shall be conclusive and binding on the Trustee and the holders of the Notes and Coupons.

(c) *Redemption due to Loss Absorption Disqualification Event*

If a Loss Absorption Disqualification Event is specified on this Note as being applicable and if the Issuer determines that a Loss Absorption Disqualification Event has occurred and is continuing, the Issuer may redeem (at its sole discretion and subject to Condition 5(i)) all, but not some only, of the Notes, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) at their Early Redemption Amount as specified hereon together with interest accrued to the date fixed for redemption, on giving not less than 30 nor more than 60 days' notice in accordance with Condition 13 (which notice shall be irrevocable).

Prior to the publication of any notice of redemption pursuant to this Condition 5(c), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the

conditions precedent to the right of the Issuer so to redeem have occurred and the Trustee shall be entitled to accept such certificate without further inquiry as sufficient evidence of the satisfaction of the conditions precedent referred to above, in which event it shall be conclusive and binding on the Trustee, the Noteholders and the Couponholders.

(d) Purchases

Subject, as applicable, to Condition 5(i), the Issuer and any of its subsidiaries may purchase (or otherwise acquire), or procure others to purchase (or otherwise acquire) beneficially for its account, Notes (provided that, in the case of Bearer Notes, all unmatured Coupons and unexchanged Talons appertaining thereto are attached or surrendered therewith) in any manner and at any price.

(e) Early redemption

(i) Zero Coupon Notes

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Conditions 5(b) and 5(c) above or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Conditions 5(b) and 5(c) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as described in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii) Other Notes

The Early Redemption Amount payable in respect of any Note (other than Notes described in paragraph (i) above), upon redemption of such Note pursuant to Condition 5(b) or 5(c) or upon it becoming due and payable as provided in Condition 9, shall be the Final Redemption Amount unless otherwise specified hereon.

(f) Redemption at the option of the Issuer

If Call Option is specified on the Notes as being applicable, the Issuer may, at its sole discretion but subject to Condition 5(i) in the case of Loss Absorption Notes, on giving not less than 15 nor more than

30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified on the Notes) redeem all (or, if so provided, some) of the Notes on any Optional Redemption Date (as specified in the Final Terms). Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption.

Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption the notice to Noteholders shall also contain the serial numbers of the Bearer Notes or, in the case of Registered Notes, shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(g) *Redemption at the option of Noteholders*

If Put Option is specified on this Note as being applicable, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(h) *Cancellation*

All Notes redeemed or substituted by the Issuer pursuant to this Condition 5 will forthwith be cancelled. All Notes purchased by or on behalf of the Issuer or any of its subsidiaries may be held, reissued, resold or, at the option of the Issuer, surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together, in the case of Bearer Notes, with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(i) *Conditions to Redemption, Purchase or Modification of Loss Absorption Notes*

Any redemption, purchase or modification of any Loss Absorption Note in accordance with Conditions 5(b), 5(c), 5(d), 5(f) or 10, as the case may be, is subject to the following conditions (in each case to the extent, and in the manner, required by the Relevant Regulator and the Loss Absorption Regulations):

- (i) the Issuer giving notice to the Relevant Regulator and the Relevant Regulator granting permission to redeem, purchase or modify the relevant Loss Absorption Notes; and/or
- (ii) the Issuer, before or at the same time as any redemption or purchase, replaces the relevant Loss Absorption Notes with own funds or eligible liabilities instruments of equal or higher quality at terms that are sustainable for the income capacity of the institution; and/or
- (iii) the Issuer having demonstrated to the satisfaction of the Relevant Regulator that the own funds and eligible liabilities of the Issuer would, following any such redemption or purchase of the Loss Absorption Notes, exceed the requirements for own funds and eligible liabilities laid down in the Loss Absorption Regulations by a margin that the Relevant Regulator considers necessary; and/or
- (iv) the Issuer having demonstrated to the satisfaction of the Relevant Regulator that the partial or full replacement of the Notes is necessary to ensure compliance with the own funds requirements laid down in the Loss Absorption Regulations for continuing authorisation; and/or
- (v) compliance with any alternative or additional pre-conditions to such redemption, purchase or modification as may be required by the Relevant Regulator or the Loss Absorption Regulations at such time.

(j) *Substitution and Variation*

If this Note is a Loss Absorption Note and “Substitution and Variation” is specified on this Note as being applicable, then:

(i) *Substitution and Variation*

If a Loss Absorption Disqualification Event has occurred and is continuing, the Issuer (in its sole discretion but subject to the provisions of paragraph (ii) below), having given:

- (A) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 13; and
- (B) prior notice to the Trustee before the giving of the notice referred to in (A) and having delivered to the Trustee the certificate referred to in the definition of “Loss Absorption Compliant Notes” in Condition 16,

(which notices shall be irrevocable), may, without any requirement for the consent or approval of the Noteholders, either substitute all (but not some only) of the Notes for, or vary the terms of the Notes so that they remain or, as appropriate, become, Loss Absorption Compliant Notes. Upon the expiry of the notice referred to in (A) above, the Issuer shall either vary the terms of or, as the case may be, substitute the Notes in accordance with this Condition 5(j)(i) and, subject as set out in Conditions 5(j)(ii) and (iii), the Trustee shall agree to such substitution or variation.

In connection with any substitution or variation in accordance with this Condition 5(j), the Issuer shall comply with the rules of any stock exchange on which such Notes are for the time being listed or admitted to trading.

(ii) *Conditions to Substitution and Variation*

Any substitution or variation in accordance with this Condition 5(j) is subject to the following conditions:

- (A) the Issuer shall have obtained the permission from the Relevant Regulator (if then required by the Relevant Regulator or by the Loss Absorption Regulations at such time);

- (B) such substitution or variation must be permitted by, and conducted in accordance with, any other applicable requirement of the Relevant Regulator or under the Loss Absorption Regulations at such time;
- (C) such substitution or variation shall not result in any event or circumstance which at or around that time gives the Issuer a redemption right in respect of the Notes; and
- (D) prior to the publication of any notice of substitution or variation pursuant to this Condition 5(j), the Issuer shall have delivered to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating that the Loss Absorption Disqualification Event giving rise to the right to substitute or vary the Notes has occurred and is continuing as at the date of the certificate, that all conditions set out in (A), (B) and (C) above have been satisfied and the Trustee shall be entitled to accept such certificate without any further inquiry as sufficient evidence thereof, in which event it shall be conclusive and binding on the Trustee, the Noteholders and, as applicable, the Couponholders.

(iii) *Role of the Trustee in Substitution and Variation*

The Trustee shall, subject to the Issuer's compliance with Condition 5(j)(ii) and the provision of the certificates signed by two Authorised Signatories of the Issuer and at the expense and cost of the Issuer, use its reasonable endeavours to assist the Issuer in any substitution or variation of Notes pursuant to this Condition 5(j), except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Loss Absorption Compliant Notes would impose, in the Trustee's opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its satisfaction.

6 Payments and Talons

(a) *Bearer Notes*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 6(f)(v)) or Coupons (in the case of interest, save as specified in Condition 6(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) *Registered Notes*

- (i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first-named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the

Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments subject to law etc.*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment, but without prejudice to the provisions of Condition 7. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and, in certain circumstances specified in the Agency Agreement, of the Trustee and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated and (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case, as approved by the Trustee.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office will promptly be given to the Noteholders in accordance with Condition 13.

(f) *Unmatured Coupons and unexchanged Talons*

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes, those Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon which the sum of principal so paid bears to the total principal due) will be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant

Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8).

- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note which provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provisions of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note which only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons which may have become void pursuant to Condition 8).

(h) Non-Business Days

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “Financial Centres” hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

7 Taxation

All payments of principal and interest in respect of the Notes and the Coupons by the Issuer shall be made free and clear of, and without deduction or withholding for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by Ireland or any authority therein or thereof having power to tax, unless such deduction or withholding is required by law. In such event, the Issuer shall (i)

in the case of Loss Absorption Notes, in respect of payments of interest (but not principal or any other amount) or (ii) in the case of Notes other than Loss Absorption Notes, in respect of all payments of principal and interest, pay such additional amounts as will result in receipt by the Noteholders or, as the case may be, the Couponholders of such amounts as would have been received by them had no such deduction or withholding been required, except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (i) presented (or in respect of which the Certificate representing it is presented) for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with Ireland, other than the mere holding of such Note or Coupon or the receipt of the relevant payment in respect thereof; or
- (ii) presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on such 30th day; or
- (iii) presented (or in respect of which the Certificate representing it is presented) by, or by a third party on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it) or Coupon is presented for payment.

References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts which may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed.

For the avoidance of doubt, any amounts to be paid on the Notes will be subject in all cases to any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and Ireland, facilitating the implementation thereof (or any law implementing such an intergovernmental agreement). Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid on the Notes with respect to any such withholding or deduction.

8 Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect thereof.

9 Events of Default

(a) *Non-restricted Events of Default*

This Condition 9(a) shall apply unless “Restricted Events of Default” is specified as being applicable on this Note (in which case Condition 9(b) shall apply).

If any of the following events (“Events of Default”) occurs and is continuing, the Trustee, at its discretion may, and if so requested by holders of at least one-fifth in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject, in each case, to being indemnified and/or secured and/or pre-funded to its satisfaction), give written notice to the Issuer that the Notes are, and they shall immediately become, due and repayable at their Early Redemption Amount together (if applicable) with accrued interest as provided in the Trust Deed:

- (i) **Non-Payment:** default is made for more than seven days (in the case of principal) or 15 days (in the case of any other amount in respect of the Notes) after the due date for payment of interest or principal in respect of any of the Notes provided that it shall not be an Event of Default if the non-payment is due solely to administrative error (whether by the Issuer or a bank involved in transferring funds to the Issuing and Paying Agent) and payment is made within three business days in London after notice of that non-payment has been given to the Issuer by the Trustee; or
- (ii) **Breach of Other Obligations:** the Issuer does not perform or comply with any one or more of its other obligations in the Notes or the Trust Deed which default is incapable of remedy or, if in the opinion of the Trustee, is capable of remedy, and is not in the opinion of the Trustee remedied within 60 days after notice of such default shall have been given to the Issuer by the Trustee, provided that the Trustee shall have certified that, in its opinion, such breach is materially prejudicial to the interests of the Noteholders; or
- (iii) **Insolvency:** the Issuer is (or is, or could be, deemed by law or a court to be) insolvent or is unable or deemed to be unable to pay its debts (within the meaning of section 570 of the Companies Act 2014 of Ireland or Section 28 of the Central Bank Act 1971 of Ireland (as amended)), as the same may be amended, modified or re-enacted, or admits in writing its inability to pay its debts as they mature; or
- (iv) **Winding-up:** an order is made or an effective resolution passed for the winding-up of the Issuer, or the Issuer ceases or threatens to cease to carry on all or substantially all of its business or operations, except for the purpose of, and followed by, a reconstruction, amalgamation, reorganisation, merger or consolidation on terms approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders.

(b) *Restricted Events of Default*

(i) *Restricted Events of Default*

This Condition 9(b) shall apply only if “Restricted Events of Default” is specified on this Note as being applicable.

- (A) If the Issuer shall not make payment in respect of the Notes (in the case of any payment of principal and/or premium) for a period of seven days or more after the due date for the same or (in the case of any payment of interest) for a period of 15 days or more after a date upon which the payment of interest is due (provided that it shall not be a Restricted Event of Default if the non-payment is due solely to administrative error (whether by the Issuer or a bank involved in transferring funds to the Issuing and Paying Agent) and payment is made within three business days in London after notice of that non-payment has been given to the Issuer by the Trustee), the Trustee may, subject as provided in (ii) below, at its discretion, institute proceedings in Ireland (but not elsewhere) for the winding-up of the Issuer but (save as provided in (B) below) may take no further action in respect of such default.

- (B) In the event of a Winding-Up, whether or not instituted by the Trustee pursuant to (A), the Trustee may, subject as provided in (ii) below, at its discretion, give written notice to the Issuer that the Notes are, and they shall accordingly thereby forthwith become, immediately due and repayable at their Early Redemption Amount as defined in Condition 5(e), plus accrued interest as provided in the Trust Deed.
- (C) Without prejudice to paragraphs (A) and (B) above, the Trustee may, subject as provided in (ii) below, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes, the Coupons or the Trust Deed (other than any obligation for the payment of any principal, premium or interest in respect of the Notes), provided that the Issuer shall not as a consequence of such proceedings be obliged to pay any sum or sums representing or measured by reference to principal or interest in respect of the Notes sooner than the same would otherwise have been payable by it or any damages.

(ii) *Enforcement*

The Trustee shall be bound to take action as referred to in Condition 9(b)(i)(A), (B) or (C) above if (1) it shall have been so requested by an Extraordinary Resolution of the Noteholders or in writing by the holders of at least one-fifth in nominal amount of the Notes then outstanding and (2) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

No Noteholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails or is unable to do so within a reasonable period and such failure or inability shall be continuing, in which case the Noteholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise pursuant to this Condition 9.

No Noteholder shall be entitled to institute proceedings for the winding-up of the Issuer, or to prove in any Winding-Up of the Issuer, except that if the Trustee, having become bound to proceed against the Issuer as aforesaid, fails to do so within a reasonable period and the failure shall be continuing or, being able to prove in any Winding-Up of the Issuer, fails to do so, then any such holder may, on giving an indemnity satisfactory to the Trustee, institute proceedings for the winding-up in Ireland (but not elsewhere) of the Issuer and/or prove in any Winding-Up of the Issuer to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do in respect of his Notes.

No remedy against the Issuer, other than as referred to in this Condition 9, shall be available to the Trustee or the Noteholders whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its obligations under the Trust Deed or the Notes (other than for recovery of the Trustee's remuneration or expenses).

10 Meetings of Noteholders, Modifications, Waiver and Substitution

(a) *Meetings of Noteholders*

The Trust Deed contains provisions for convening meetings of Noteholders (including meetings held via an electronic platform (as defined in the Trust Deed)) to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee and shall be convened by the Issuer if required in writing by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear

majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, or any date for payment of interest or Interest Amounts thereon, (ii) to reduce or cancel the principal amount, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect thereof, (iv) if there is shown on the face of the Notes a Minimum Rate of Interest and/or a Maximum Rate of Interest, to reduce such Minimum Rate of Interest and/or such Maximum Rate of Interest, (v) to change any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount or the Amortised Face Amount of any Note, (vi) to change the currency or currencies of payment of the Notes (other than upon the country of such currency adopting the euro as its currency), (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or any adjournment thereof or the majority required to pass an Extraordinary Resolution or (viii) to alter the provisions as to the status of the Notes contained in Condition 3 and in the Trust Deed (except to the extent that such alteration would, in the opinion of the Trustee, not be materially prejudicial to the interests of the Noteholders), in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Notes for the time being outstanding.

The agreement or approval of the Noteholders shall not be required in the case of any variation of these Conditions and/or the Trust Deed required to be made in the circumstances described in Condition 4(i) or those described in Condition 5(j) in connection with the variation of the terms of the Notes and to which the Trustee has agreed pursuant to the relevant provisions of Condition 4(i) or, as applicable, Condition 5(j).

The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in principal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

(b) *Modification and Waiver*

The Trustee may agree, without the consent of the Noteholders or Couponholders but subject to Condition 10(f), to (i) any modification of any of these Conditions or the provisions of the Trust Deed which is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed which is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. In addition, the Trustee shall be obliged to effect such modifications to the Trust Deed and/or these Conditions as may be required in order to give effect to Condition 4(i) in connection with effecting any Benchmark Amendments or any Benchmark Replacement Conforming Changes, subject to the provisions thereof, without the requirement for the consent of the Noteholders or Couponholders.

Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

(c) *Substitution*

The Trust Deed contains provisions permitting the Trustee to agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require and Condition 10(f), but without the consent of the Noteholders or the Couponholders, to the substitution of a successor in business of the Issuer, a subsidiary of the Issuer or a successor in business thereof in place of the Issuer, or of any previous substituted company, as principal debtor under the Trust Deed and the Notes provided that, unless such substituted company is a successor in business of the Issuer, the Issuer unconditionally and irrevocably guarantees the payment of all moneys payable by the substituted company as principal debtor under the Trust Deed and the Notes, and subject to the Trustee being satisfied that the substitution is not materially prejudicial to the interests of the Noteholders. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or Couponholders, to a change of the law governing the Notes, the Coupons and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

(d) *Entitlement of the Trustee*

In connection with the exercise of its functions (including but not limited to, any modification, waiver, authorisation, determination or substitution) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

(e) *Indemnification of the Trustee*

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any entity related to the Issuer. The Trustee is entitled to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

The Trustee may rely without liability to the Noteholders or Couponholders on a report, confirmation or certificate or any advice of any accountants, financial advisers, financial institution or any other expert, whether or not addressed to the Trustee and whether its liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation or certificate or advice and such report, confirmation or certificate or advice shall be binding on the Issuer, the Trustee and the Noteholders.

The Trustee shall not be liable for any consequences of any application of Irish Statutory Loss Absorption Powers (as provided in Condition 15(c) below) in respect of the Issuer or any of its affiliates or any Notes and shall not be required to take any action in connection therewith that would, in the Trustee's opinion, expose the Trustee to any liability or expense unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction; provided that nothing in this Condition shall prevent any application of Irish Statutory Loss Absorption Powers in respect of the Issuer or any of its affiliates

or any Notes from taking effect, and each Noteholder or Couponholder, by its acquisition of any Note or Coupon, authorises and instructs the Trustee to take such steps as may be necessary or expedient in order to give effect to any such application of Irish Statutory Loss Absorption Powers.

(f) *Regulatory consent*

If this Note is a Loss Absorption Note, any modification pursuant to this Condition 10 is subject to Condition 5(i).

11 Replacement of Notes, Certificates, Coupons and Talons

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed it may be replaced, subject to applicable laws and stock exchange regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders in accordance with Condition 13, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there will be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

12 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes or the same in all respects (or in all respects except for the first payment of interest thereon) and so that such further notes shall be consolidated and form a single series with such Notes, and references in these Conditions to “Notes” shall be construed accordingly. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

13 Notices

Notices required to be given to the holders of Registered Notes pursuant to the Conditions shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices required to be given to the holders of Bearer Notes pursuant to the Conditions shall be valid if published in a daily newspaper of general circulation in London and Dublin or, if in the opinion of the Trustee, such publication is not practicable, in another leading daily English language newspaper of general circulation in Europe approved by the Trustee. It is expected that such publication will be made in the *Financial Times* in London and in *The Irish Times* in Dublin. So long as the Notes are listed and/or admitted to trading, the Issuer shall ensure that notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading. Notices, will, if published more than once, be deemed to have been given on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

15 Governing Law, Jurisdiction and Acknowledgement of Irish Statutory Loss Absorption Powers

(a) Governing Law

The Trust Deed, the Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with (i) in the case of an English Law Note, English law (except that Conditions 3(b) and 15(c) shall be construed in accordance with the laws of Ireland) or (ii) in the case of an Irish Law Note, the laws of Ireland.

(b) Jurisdiction

- (i) In the case of English Law Notes, the Courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with any such Notes, Coupons or Talons or the Trust Deed and accordingly any legal action or proceedings arising out of or in connection with any such Notes, Coupons or Talons or the Trust Deed (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of such Notes, Coupons and Talons and, to the extent permitted by law, shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- (ii) In the case of Irish Law Notes, the Courts of Ireland are to have jurisdiction to settle any disputes which may arise out of or in connection with any such Notes, Coupons or Talons or the Trust Deed and accordingly any legal action or proceedings arising out of or in connection with any such Notes, Coupons or Talons or the Trust Deed (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Ireland and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of such Notes, Coupons and Talons and, to the extent permitted by law, shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) Acknowledgement of Irish Statutory Loss Absorption Powers

to the exercise of Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority and acknowledges, accepts, consents to and agrees to be bound by:

- (i) the effect of the exercise of any Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority, which exercise (without limitation) may include and result in any of the following, or a combination thereof:
 - (A) the reduction of all, or a portion, of the Relevant Amounts in respect of the Notes and/or Coupons;
 - (B) the conversion of all, or a portion, of the Relevant Amounts in respect of the Notes and/or Coupons into shares, other securities or other obligations of the Issuer or another person, and the issue to or conferral on the Noteholder or Couponholder of such shares, securities or obligations, including by means of an amendment, modification or variation of the terms of the Notes and/or Coupons;
 - (C) the cancellation of the Notes and/or Coupons or the Relevant Amounts in respect thereof; and
 - (D) the amendment or alteration of the Maturity Date of the Notes or amendment of the amount of interest payable on the Notes, or the date on which interest becomes payable, including by suspending payment for a temporary period; and
- (ii) the variation of the terms of the Notes and/or Coupons as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of any Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority.

No repayment or payment of Relevant Amounts in respect of the Notes will become due and payable or be paid after the exercise of any Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise.

Neither a reduction or cancellation, in part or in full, of the Relevant Amounts, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of the Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority with respect to the Notes and/or Coupons will be an event of default.

Upon the exercise of the Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority with respect to the Notes and/or Coupons, the Issuer will (i) provide a written notice to the Noteholders and Couponholders in accordance with Condition 13 as soon as practicable regarding such exercise of the Irish Statutory Loss Absorption Powers; and (ii) deliver a copy of such notice to the Trustee for information purposes; provided, however, any failure by the Issuer to give such notice will not affect the effectiveness of, or otherwise invalidate, any exercise of the Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority pursuant to Condition 15(c) or give Noteholders any rights as a result of either such failure.

(d) *Service of Process*

The Issuer agrees that the process by which any proceedings in England are begun may be served on it by being delivered to Allied Irish Banks, p.l.c., London Branch at St. Helen's, 1 Undershaft, London EC3A 8AB (Head of Branch). If for any reason service of process cannot be made in accordance with the above, the Issuer must immediately appoint an agent for service of process and notify the Noteholders

of such appointment. The Issuer agrees that failure by a process agent to notify it of any process will not invalidate the relevant proceedings. This Condition 15(d) does not affect any other method of service allowed by law.

Title to the Bearer Notes, Coupons and Talons shall pass by delivery. Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as the absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

4 Interest and other Calculations

(a) Interest on the Notes

(i) Interest Payment Dates (Floating Rate Notes)

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(f). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Business Day Convention

If any date referred to in these Conditions which is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day (as defined below), then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day which is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest for Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(f).

(iv) *Rate of Interest for Floating Rate Notes*

The Rate of Interest in respect of Floating Rate Notes for each Interest Period shall be determined in the manner specified hereon and the provisions below relating to any of ISDA Determination, Screen Rate Determination or Linear Interpolation shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period shall be determined by the Calculation Agent as, subject to Condition 4(e), a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes – Term Rates

- (x) Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, and unless the Reference Rate in respect of the relevant Series of Floating Rate Notes is specified hereon as being “SONIA” or “SOFR”, the Rate of Interest for each Interest Period will, subject to Condition 4(e), Condition 4(i) and as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (Brussels time in the case of Euro Interbank Offered Rate (“EURIBOR”)) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided hereon.

- (y) If the Relevant Screen Page is not available or if sub-paragraph (x)(i) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(ii) above applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall, subject to Condition 4(e), be the arithmetic mean of such offered quotations as determined by the Calculation Agent.
 - (z) If paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall, subject to Condition 4(e), be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph (and subject to Condition 4(i)), the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period).

$$\left(\frac{\text{SONIA Compounded Index}_{END}}{\text{SONIA Compounded Index}_{START}} - 1 \right) \times \left(\frac{365}{d} \right)$$

provided, however, that and subject to Condition 4(i), if the SONIA Compounded Index Value is not available in relation to any Interest Period on the Relevant Screen Page or on the Bank of England’s website at www.bankofengland.co.uk/boeapps/database/ (or such other page or website as may replace such page for the purposes of publishing the SONIA Compounded Index) for the determination of either or both of SONIA Compounded Index_{START} and/or SONIA Compounded Index_{END}, the Rate of Interest shall be calculated for such Interest Period on the basis of the SONIA Compounded Daily Reference Rate as set out in Condition 4(a)(iv)(C)(y) as if SONIA Compounded Daily Reference Rate with Observation Shift had been specified hereon as being applicable and the “Relevant Screen Page” shall be deemed to be the “Relevant Fallback Screen Page” as specified hereon,

- (z) If the Notes become due and payable in accordance with Condition 9, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified hereon, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date and as if (solely for the purpose of such interest determination) the relevant Interest Period had been shortened accordingly.
- (aa) Notwithstanding any other provisions in these Conditions, if:
 - (i) the Benchmark is SOFR; and
 - (ii) any Rate of Interest (or any component part thereof) remains to be determined by reference to the Benchmark,

then the following provisions of this Condition 4(a)(iv)(D)(aa) shall apply.

(I) Benchmark Replacement

If the Issuer or its designee determines prior to the Reference Time on the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the then-current Benchmark, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of all determinations on such date and all determinations on all subsequent dates (subject to any subsequent application of this Condition 4(a)(iv)(D)(aa) with respect to such Benchmark Replacement).

(II) Benchmark Replacement Conforming Changes

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

At the request of the Issuer, but subject to receipt by the Trustee of an officer's certificate pursuant to Condition 4(a)(iv)(D)(aa)(IV) and subject as provided below, the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any Benchmark Replacement Conforming Changes (including, *inter alia*, by the execution of a supplemental trust deed to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

The Calculation Agent or any Paying Agent is not obliged to concur with the Issuer in effecting any Benchmark Replacement Conforming Changes which, in the sole opinion of the Calculation Agent or the relevant Paying Agent, as the case may be, would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Calculation Agent or the relevant Paying Agent (as applicable) in the Agency Agreement.

None of the Trustee, the Calculation Agent or the Issuing and Paying Agent shall have any liability for any determination made by or on behalf of the Issuer or its designee in connection with a Benchmark Transition Event or a Benchmark Replacement. For the avoidance of doubt, unless otherwise agreed upon in writing, the Trustee, the Issuing and Paying Agent or the Calculation Agent shall in no event be the Issuer's designee.

(III) Decisions and Determinations

Any determination, decision or election that may be made by the Issuer or its designee pursuant to this Condition 4(a)(iv)(D)(aa), including (without limitation) any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will

be conclusive and binding absent manifest error, may be made in the Issuer's or its designee's sole discretion (as applicable), and, notwithstanding anything to the contrary in these Conditions or the Trust Deed, shall become effective without any requirement for the consent or approval of Noteholders or any other party.

In connection with any Benchmark Replacement Conforming Changes in accordance with this Condition 4(a)(iv)(D)(aa), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4(a)(iv)(D)(aa), no Benchmark Replacement will be adopted, nor will the applicable Benchmark Replacement Adjustment be applied, nor will any Benchmark Replacement Conforming Changes be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the then current or future qualification of the Notes as Tier 2 Capital.

(IV) Notice and Certification

Any Benchmark Replacement, Benchmark Replacement Adjustment and the specific terms of any Benchmark Replacement Conforming Changes determined under this Condition 4(a)(iv)(D)(aa) will be notified at least 10 business days prior to the relevant Interest Determination Date by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, promptly thereafter, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Replacement Conforming Changes, if any.

No later than notifying the Noteholders of the same, the Issuer shall deliver to the Trustee an officer's certificate:

- (A) confirming (a) that a Benchmark Transition Event has occurred, (b) the Benchmark Replacement, (c) the applicable Benchmark Replacement Adjustment and (d) the specific terms of the Benchmark Replacement Conforming Changes (if any), in each case as determined in accordance with the provisions of this Condition 4(a)(iv)(D)(aa); and
- (B) certifying that the Benchmark Replacement Conforming Changes (if any) are necessary to ensure the proper operation of such Benchmark Replacement and the applicable Benchmark Replacement Adjustment.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Benchmark Replacement, the Benchmark Replacement Adjustment and the Benchmark Replacement Conforming Changes (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Benchmark Replacement, the Benchmark Replacement Adjustment and the Benchmark Replacement Conforming Changes (if any) and without prejudice to the

Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

(V) Definitions

In this Condition 4(a)(iv)(D)(aa):

“Benchmark” means, initially, SOFR (provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR (or the published daily SOFR used in the calculation thereof) or any Benchmark which has replaced it in accordance with this Condition 4(a)(iv)(D)(aa), then the term “Benchmark” means the applicable Benchmark Replacement);

“Benchmark Replacement” means the first alternative set out in the order below that can be determined by the Issuer or its designee as at the Benchmark Replacement Date:

- (A) the sum of: (1) the alternative rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark and (2) the Benchmark Replacement Adjustment;
- (B) the sum of: (1) the ISDA Fallback Rate and (2) the Benchmark Replacement Adjustment; or
- (C) the sum of: (1) the alternative rate of interest that has been selected by the Issuer or its designee as the replacement for the then-current Benchmark giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar denominated floating rate notes at such time and (2) the Benchmark Replacement Adjustment;

“Benchmark Replacement Adjustment” means the first alternative set out in the order below that can be determined by the Issuer or its designee as at the Benchmark Replacement Date:

- (A) the spread adjustment (which may be a positive or negative value or zero), or method for calculating or determining such spread adjustment, that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (B) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; or
- (C) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer or its designee giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar denominated floating rate notes at such time;

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of Interest Period, timing and frequency of determining rates and making payments of interest, rounding amounts or tenors, and other administrative matters) that the Issuer or its designee decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer or its designee decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer or its designee determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or its designee determines is reasonably necessary);

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (A) in the case of paragraph (A) or (B) of the definition of “Benchmark Transition Event”, the later of (1) the date of the public statement or publication of information referenced therein and (2) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark (or such component); or
- (B) in the case of paragraph (C) of the definition of “Benchmark Transition Event”, the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time on the relevant Interest Determination Date, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination;

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (A) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the Benchmark (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);
- (B) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark

(or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark (or such component), which states that the administrator of the Benchmark (or such component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or

- (C) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative;

“designee” means an affiliate or any other agent of the Issuer;

“ISDA Definitions” has the meaning given to it in Condition 16;

“ISDA Fallback Adjustment” means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark;

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment;

“Reference Time” with respect to any determination of the Benchmark means (A) if the Benchmark is SOFR, 3:00 p.m. (New York City time) or such other time as is reasonably agreed between the Issuer or its designee and the Calculation Agent and (B) if the Benchmark is not SOFR, the time determined by the Issuer or its designee in accordance with the Benchmark Replacement Conforming Changes;

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto; and

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

(E) Linear Interpolation

Where Linear Interpolation is specified hereon as applicable in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant

Interest Period, provided however, that if there is no such rate available for the period of time next shorter or, as the case may be, next longer, then the Issuer shall determine such rate at such time and by reference to such sources as it determines appropriate.

(b) *Resettable Notes*

- (i) Each Resettable Note bears interest on its outstanding amount:
 - (A) from (and including) the Interest Commencement Date up to (but excluding) the First Resettable Note Reset Date at the Initial Rate of Interest;
 - (B) from (and including) the First Resettable Note Reset Date to (but excluding) the Second Resettable Note Reset Date or, if no such Second Resettable Note Reset Date is specified hereon, the Maturity Date, at the First Reset Rate of Interest; and
 - (C) for each Subsequent Reset Period thereafter (if any), at the relevant Subsequent Reset Rate of Interest.

Interest will be payable in arrear on each Resettable Note Interest Payment Date and on the date specified hereon as the Maturity Date.

(ii) *Fallback Provisions for Resettable Notes*

If on any Reset Determination Date the Relevant Screen Page is not available or the Mid-Swap Rate does not appear on the Relevant Screen Page, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its Mid-Market Swap Rate Quotation as at approximately 11.00 a.m. in the principal financial centre of the Specified Currency on the Reset Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with Mid-Market Swap Rate Quotations, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the arithmetic mean (rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards) of the relevant Mid-Market Swap Rate Quotations and the First Margin or Subsequent Margin (as applicable) with such sum converted as set out in the definition of First Reset Rate of Interest or Subsequent Reset Rate of Interest (as applicable), all as determined by the Calculation Agent.

If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with a Mid-Market Swap Rate Quotation as provided in the foregoing provisions of this Condition 4(b)(ii), the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) shall be determined to be the Rate of Interest as at the last preceding Resettable Note Reset Date or, in the case of the first Reset Determination Date, the First Reset Rate of Interest shall be the Initial Rate of Interest (though substituting, in each case, the Subsequent Margin or First Margin, as appropriate, if different for each Reset Period).

(c) *Zero Coupon Notes*

Where a Note the Interest Basis of which is specified to be zero coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 5(f)(i)).

(d) *Accrual of Interest*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 16).

(e) *Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding*

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Periods, in the case of (y), calculated in accordance with Condition 4(a) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin specified on the Notes, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Optional Redemption Amount is specified on the Notes, then such Rate of Interest or Optional Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) Unless otherwise stated hereon, the Rate of Interest in respect of any Interest Period shall not be less than zero.
- (iv) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 of a percentage point being rounded up), (y) all figures shall be rounded to seven significant figures (provided that if the eighth significant figure is a 5 or greater, the seventh significant figure shall be rounded up) and (z) all currency amounts which fall due and payable shall be rounded to the nearest unit of such currency (with half a unit being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes, “unit” means the lowest amount of such currency which is available as legal tender in the countries of such currency.

(f) *Calculations*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(g) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts*

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or (if applicable) Reset Determination Date or such other time on such date as it may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Period or Reset Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such

quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period or Reset Period and the relevant Interest Payment Date and/or Resetable Note Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Issuer, the Trustee, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period or Reset Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any date is subject to adjustment pursuant to Condition 4(a)(ii), the Interest Amounts and the Interest Payment Date or Resetable Note Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period or Reset Period. If the Notes become due and payable under Condition 9, the accrued interest and the Rate of Interest payable in respect of the Notes shall, subject in the case of each of the SONIA Compounded Index Rate, the SONIA Compounded Daily Reference Rate, the SOFR Compounded Index Rate and the SOFR Compounded Daily Reference Rate to Condition 4(a)(iv)(C) or 4(a)(iv)(D), as applicable, nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(h) Calculation Agents

The Issuer will procure that there shall at all times be one or more Calculation Agents if provision is made for them in the Conditions applicable to this Note and for so long as it is outstanding. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Reset Period or to calculate any Interest Amount, Early Redemption Amount, Final Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirements, the Issuer will appoint a leading bank or financial institution engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

(i) Benchmark Discontinuation

If (i) the Original Reference Rate is not SOFR and (ii) a Benchmark Event occurs in relation to the Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions shall apply (with effect from 30 days prior to the first date when such determination is necessary).

(i) Independent Adviser

The Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to consult with the Issuer in determining a Successor Rate, failing which

an Alternative Rate (in accordance with Condition 4(i)(ii)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4(i)(iv)).

In making such determination, the Independent Adviser appointed pursuant to this Condition 4(i) and the Issuer shall act in good faith and in a commercially reasonable manner. In the absence of bad faith or fraud, the Issuer and the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Calculation Agent, the Paying Agents, or the Noteholders, as applicable, for any determination made by the Issuer and/or for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4(i).

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Issuer fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4(i) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall (subject as provided below) be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the Initial Rate of Interest. Where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(i)(i).

For the purposes of this Condition 4(i) only, in respect of any Resettable Notes, references to (i) Interest Determination Date shall be read as references to Reset Determination Date, (ii) Interest Period shall be read as references to Reset Period and (iii) Interest Payment Date shall be read as references to Resettable Note Reset Date.

(ii) *Successor Rate or Alternative Rate*

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines that:

- (A) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(i)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(i)).

(iii) *Adjustment Spread*

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be).

(iv) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(i) and the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “Benchmark Amendments”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(i)(v) without any requirement for the consent or approval of Noteholders, vary these Conditions and/or of the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of an officer’s certificate pursuant to Condition 4(i)(v), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a supplemental trust deed to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

The Calculation Agent or any Paying Agent is not obliged to concur with the Issuer in effecting any Benchmark Amendments which, in the sole opinion of the Calculation Agent or the relevant Paying Agent, as the case may be, would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Calculation Agent or the relevant Paying Agent (as applicable) in the Agency Agreement.

In connection with any such variation in accordance with this Condition 4(i), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4(i), no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any Benchmark Amendments be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the then current or future qualification of the Notes as Tier 2 Capital.

(v) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4(i) will be notified at least 10 business days prior to the relevant Interest Determination Date by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, promptly thereafter, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Noteholders of the same, the Issuer shall deliver to the Trustee an officer’s certificate:

- (A) confirming (a) that a Benchmark Event has occurred, (b) the Successor Rate or, as the case may be, the Alternative Rate, (c) the applicable Adjustment Spread and (d) the specific

terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4(i); and

- (B) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

- (vi) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under Conditions 4(i)(i), 4(i)(ii), 4(i)(iii) and 4(i)(iv), the Original Reference Rate and the fallback provisions provided for in Condition 4(a)(iv) and Condition 4(b), as applicable, will continue to apply unless and until a Benchmark Event has occurred.

5 Redemption, Purchase and Options

(a) *Final redemption*

Unless previously redeemed, purchased and cancelled or (pursuant to Condition 5(i)) substituted, each Note will be redeemed at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) on the Maturity Date specified on each Note.

(b) *Redemption for taxation reasons*

If, as a result of any amendment to, or change in, the laws or regulations of Ireland or any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the officially published application or interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date, (i) the Issuer would, on the occasion of the next payment date in respect of the Notes, be required to pay additional amounts as provided in Condition 7, or (ii) any relief from tax in respect of interest paid on the Notes would be withdrawn by Ireland or (iii) any payment of interest would be treated as a distribution by Ireland (each, a "Tax Event"), the Issuer may, at its sole discretion, on any Interest Payment Date (if this Note is a Floating Rate Note) or at any time (if this Note is not a Floating Rate Note) on giving not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 13 and subject to Condition 5(h), redeem all, but not some only, of the Notes at their Early Redemption Amount as specified hereon together with interest accrued to the date fixed for redemption. Prior to the publication of any notice of redemption pursuant to this Condition 5(b), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Trustee shall be entitled to accept such certificate without further inquiry as sufficient evidence of the satisfaction of the conditions precedent referred to above, in which event it shall be conclusive and binding on the Trustee and the holders of the Notes and Coupons.

(c) ***Purchases***

Subject to Condition 5(h) and Applicable Regulatory Capital Requirements, the Issuer and any of its subsidiaries may purchase (or otherwise acquire), or procure others to purchase (or otherwise acquire) beneficially for its account, Notes (provided that, in the case of Bearer Notes, all unmatured Coupons and unexchanged Talons appertaining thereto are attached or surrendered therewith) in any manner and at any price.

(d) ***Redemption for Regulatory Reasons***

Subject to Condition 5(h), if a Capital Disqualification Event (as defined in Condition 16) has occurred and is continuing, the Issuer may, at its sole discretion, having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 13; and
- (ii) prior notice to the Trustee before the giving of the notice referred to in (i),

(which notices shall be irrevocable), redeem all (but not some only) of the Notes then outstanding at any time at the Early Redemption Amount(s) specified hereon together with interest accrued to (but excluding) the relevant date fixed for redemption.

(e) ***Redemption at the Option of the Issuer***

Subject to Condition 5(h), if Call Option is specified on the Notes as being applicable, the Issuer may, at its sole discretion, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified on the Notes) redeem all (or, if so provided, some) of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the serial numbers of the Bearer Notes or, in the case of Registered Notes, shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(f) ***Early Redemption***

(i) ***Zero Coupon Notes***

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Conditions 5(b) and 5(d) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised

Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.

- (C) If the Early Redemption Amount payable in respect of such Note upon its redemption pursuant to Conditions 5(b) and 5(d) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as described in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii) *Other Notes*

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 5(b) or Condition 5(d) or upon it becoming due and payable as provided in Condition 9, shall be the Final Redemption Amount unless otherwise specified hereon.

(g) ***Cancellation***

All Notes redeemed or substituted by the Issuer pursuant to this Condition 5 will forthwith be cancelled. All Notes purchased by or on behalf of the Issuer or any of its subsidiaries, subject to obtaining any Supervisory Permission therefor, may be held, reissued, resold or, at the option of the Issuer, surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note (together with all unmatured Coupons and all unexchanged Talons) to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together, in the case of Bearer Notes, with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(h) ***Conditions to Redemption or Purchase***

Any redemption or purchase of the Notes in accordance with Conditions 5(b), (c), (d) or (e) is subject to (in each case, if and to the extent then required under the Applicable Regulatory Capital Requirements) the following conditions:

- (i) the Issuer obtaining prior Supervisory Permission for such redemption or purchase (as the case may be);
- (ii) in the case of any redemption or purchase, save in the case of Condition 5(h)(v)(A) below, either: (A) the Issuer having replaced the Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; (B) the Issuer having demonstrated to the satisfaction of the Relevant Regulator that the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed its minimum applicable capital requirements (including any applicable buffer requirements) by a margin

(calculated in accordance with prevailing Applicable Regulatory Capital Requirements) that the Relevant Regulator considers necessary at such time; and

- (iii) in the case of any redemption prior to the fifth anniversary of the Issue Date, upon the occurrence of a Tax Event, the Issuer has demonstrated to the satisfaction of the Relevant Regulator that the change in tax treatment is material and was not reasonably foreseeable as at the Issue Date;
- (iv) in the case of any redemption prior to the fifth anniversary of the Issue Date upon the occurrence of a Capital Disqualification Event, the Issuer has demonstrated to the satisfaction of the Relevant Regulator that the relevant change in the regulatory classification of the Notes was not reasonably foreseeable as at the Issue Date; and
- (v) in the case of any purchase prior to the fifth anniversary of the Issue Date pursuant to Condition 5(c), either (A) the issuer having, before or at the same time as such purchase, replaced the Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer, and the Relevant Regulator having permitted such action on the basis of the determination that it would be beneficial from a prudential point of view and justified by exceptional circumstances or (B) the relevant Notes are being purchased for market-making purposes in accordance with the Applicable Regulatory Capital Requirements.

Any refusal by the Relevant Regulator to give its Supervisory Permission as contemplated above shall not constitute a default for any purpose.

Notwithstanding the above conditions, if, at the time of any redemption or purchase, the Applicable Regulatory Capital Requirements permit the repayment or purchase only after compliance with one or more alternative or additional pre-conditions to those set out above in this Condition 5(h), the Issuer shall comply with such alternative and/or, as appropriate, additional pre-condition(s).

In addition, in the case of a redemption occurring in respect of a Tax Event pursuant to Condition 5(b), the Issuer shall deliver to the Trustee a copy of an opinion of an independent nationally recognised law firm or other tax adviser in Ireland experienced in such matters that a Tax Event has occurred and is continuing.

Prior to the publication of any notice of early redemption pursuant to this Condition 5 (other than redemption pursuant to Condition 5(e)), the Issuer shall deliver to the Trustee a certificate signed by any two Authorised Signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Trustee shall be entitled to accept such certificate without further inquiry as sufficient evidence of the satisfaction of the conditions precedent referred to above, in which event it shall be conclusive and binding on the Trustee and the holders of the Notes and Coupons.

(i) *Substitution and Variation*

If “Substitution and Variation” is specified on this Note as being applicable, then:

(i) *Substitution and Variation*

If a Tax Event or a Capital Disqualification Event has occurred and is continuing, the Issuer (in its sole discretion but subject to the provisions of paragraph (ii) below), having given:

- (A) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 13; and

- (B) prior notice to the Trustee before the giving of the notice referred to in (A) and having delivered to the Trustee the certificate referred to in the definition of “Tier 2 Compliant Notes” in Condition 16,

(which notices shall be irrevocable), may, without any requirement for the consent or approval of the Noteholders, either substitute all (but not some only) of the Notes for, or vary the terms of the Notes so that they remain or, as appropriate, become, Tier 2 Compliant Notes. Upon the expiry of the notice referred to in (A) above, the Issuer shall either vary the terms of or, as the case may be, substitute the Notes in accordance with this Condition 5(i)(i) and, subject as set out in Conditions 5(i)(ii) and (iii), the Trustee shall agree to such substitution or variation. In connection with any substitution or variation in accordance with this Condition 5(i), the Issuer shall comply with the rules of any stock exchange on which such Notes are for the time being listed or admitted to trading.

(ii) *Conditions to Substitution and Variation*

Any substitution or variation in accordance with this Condition 5(i) is subject to the following conditions:

- (A) the Issuer shall have obtained prior Supervisory Permission therefor from the Relevant Regulator (if then required by the Relevant Regulator or by the Applicable Regulatory Capital Requirements);
- (B) such substitution or variation must be permitted by, and conducted in accordance with, any other applicable requirement of the Relevant Regulator or under the Applicable Regulatory Capital Requirements;
- (C) such substitution or variation shall not result in any event or circumstance which at or around that time gives the Issuer a redemption right in respect of the Notes; and
- (D) prior to the publication of any notice of substitution or variation pursuant to this Condition 5(i), the Issuer shall have delivered to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating that the Capital Disqualification Event or Tax Event giving rise to the right to substitute or vary the Notes has occurred and is continuing as at the date of the certificate, that all conditions set out in (A), (B) and (C) above have been satisfied and the Trustee shall be entitled to accept such certificate without any further inquiry as sufficient evidence thereof, in which event it shall be conclusive and binding on the Trustee, the Noteholders and, as applicable, the Couponholders.

(iii) *Role of the Trustee in Substitution and Variation*

The Trustee shall, subject to the Issuer’s compliance with Condition 5(i)(ii) and the provision of the certificates signed by two Authorised Signatories of the Issuer and at the expense and cost of the Issuer, use its reasonable endeavours to assist the Issuer in any substitution or variation of Notes pursuant to this Condition 5(i), except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Tier 2 Compliant Notes would impose, in the Trustee’s opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its satisfaction.

6 Payments and Talons

(a) *Bearer Notes*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 6(f)(v)) or Coupons (in the case of interest, save as specified in Condition 6(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. “Bank” means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) *Registered Notes*

- (i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the “Record Date”). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments subject to law etc.*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment, but without prejudice to the provisions of Condition 7. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and, in certain circumstances specified in the Agency Agreement, of the Trustee and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent,

the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated and (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case, as approved by the Trustee.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office will promptly be given to the Noteholders in accordance with Condition 13.

(f) *Unmatured Coupons and unexchanged Talons*

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes, those Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon which the sum of principal so paid bears to the total principal due) will be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note which provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provisions of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note which only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary

another Talon for a further Coupon sheet) (but excluding any Coupons which may have become void pursuant to Condition 8).

(h) *Non-Business Days*

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “Financial Centres” hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

7 Taxation

All payments of principal and interest in respect of the Notes and the Coupons by the Issuer shall be made free and clear of, and without deduction or withholding for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by Ireland or any authority therein or thereof having power to tax, unless such deduction or withholding is required by law. In such event, in respect of payments of interest (but not principal or any other amount), the Issuer shall pay such additional amounts as will result in receipt by the Noteholders or, as the case may be, the Couponholders of such amounts as would have been received by them had no such deduction or withholding been required, except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (i) presented (or in respect of which the Certificate representing it is presented) for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with Ireland, other than the mere holding of such Note or Coupon or the receipt of the relevant payment in respect thereof; or
- (ii) presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on such 30th day; or
- (iii) presented (or in respect of which the Certificate representing it is presented) by, or by a third party on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it) or Coupon is presented for payment.

References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “interest” shall be deemed to include any additional amounts which may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed.

For the avoidance of doubt, any amounts to be paid on the Notes will be subject in all cases to any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and Ireland, facilitating the implementation thereof (or any law implementing such an intergovernmental agreement). Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid on the Notes with respect to any such withholding or deduction.

8 Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect thereof.

9 Events of Default and Enforcement

(a) Events of Default

- (i) If the Issuer shall not make payment in respect of the Notes (in the case of any payment of principal and/or premium) for a period of seven days or more after the due date for the same or (in the case of any other amount in respect of the Notes) for a period of 15 days or more after a date upon which the payment of interest is due (other than where such non-payment is due solely to administrative error (whether by the Issuer or a bank involved in transferring funds to the Paying Agent) and payment is made within three business days in London after notice of that non-payment has been given to the Issuer by the Trustee), the Trustee may, subject as provided in Condition 9(b) below, at its discretion, institute proceedings in Ireland (but not elsewhere) for the winding-up of the Issuer but (save as provided in (ii) below) may take no further action in respect of such default.
- (ii) In the event of a Winding-Up, whether or not instituted by the Trustee pursuant to (i), the Trustee may, subject as provided in Condition 9(b) below, at its discretion, give written notice to the Issuer that the Notes are, and they shall accordingly thereby forthwith become, immediately due and repayable at their Early Redemption Amount as defined in Condition 5(f), plus accrued interest as provided in the Trust Deed.
- (iii) Without prejudice to paragraphs (i) and (ii) above, the Trustee may, subject as provided in Condition 9(b) below, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes, the Coupons or the Trust Deed (other than any obligation for the payment of any principal, premium or interest in respect of the Notes), provided that the Issuer shall not as a consequence of such proceedings be obliged to pay any sum or sums representing or measured by reference to principal or interest in respect of the Notes sooner than the same would otherwise have been payable by it or any damages.

(b) Enforcement

The Trustee shall be bound to take action as referred to in Condition 9(a)(i), (ii) or (iii) above if (i) it shall have been so requested by an Extraordinary Resolution of the Noteholders or in writing by the holders of at least one-fifth in nominal amount of the Notes then outstanding and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

No Noteholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails or is unable to do so within a reasonable period and such failure or inability shall be continuing, in which case the Noteholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise pursuant to this Condition 9.

No Noteholder shall be entitled to institute proceedings for the winding-up of the Issuer, or to prove in any Winding-Up of the Issuer, except that if the Trustee, having become bound to proceed against the Issuer as aforesaid, fails to do so within a reasonable period and the failure shall be continuing or, being able to prove in any Winding-Up of the Issuer, fails to do so, then any such holder may, on giving an indemnity satisfactory to the Trustee, institute proceedings for the winding-up in Ireland (but not elsewhere) of the Issuer and/or prove in any Winding-Up of the Issuer to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do in respect of his Notes.

No remedy against the Issuer, other than as referred to in this Condition 9, shall be available to the Trustee or the Noteholders whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its obligations under the Trust Deed or the Notes (other than for recovery of the Trustee's remuneration or expenses).

10 Meetings of Noteholders, Modifications, Waiver and Substitution

(a) *Meetings of Noteholders*

The Trust Deed contains provisions for convening meetings of Noteholders (including meetings held via an electronic platform (as defined in the Trust Deed)) to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee and shall be convened by the Issuer if required in writing by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, inter alia, (i) to amend the dates of maturity or redemption of the Notes, or any date for payment of interest or Interest Amounts thereon, (ii) to reduce or cancel the principal amount, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect thereof, (iv) if there is shown on the face of the Notes a Minimum Rate of Interest and/or a Maximum Rate of Interest, to reduce such Minimum Rate of Interest and/or such Maximum Rate of Interest, (v) to change any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount or the Amortised Face Amount of any Note, (vi) to change the currency or currencies of payment of the Notes (other than upon the country of such currency adopting the euro as its currency), (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or any adjournment thereof or the majority required to pass an Extraordinary Resolution or (viii) to alter the provisions as to subordination contained in Condition 3 and in the Trust Deed (except to the extent that such alteration would, in the opinion of the Trustee, not be materially prejudicial to the interests of the Noteholders), in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Notes for the time being outstanding.

The agreement or approval of the Noteholders shall not be required in the case of any variation of these Conditions and/or the Trust Deed required to be made in the circumstances described in Condition 4(i) or those described in Condition 5(i) in connection with the variation of the terms of the Notes and to which the Trustee has agreed pursuant to the relevant provisions of Condition 4(i) or, as applicable, Condition 5(i).

The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in principal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

(b) *Modification and Waiver*

The Trustee may agree, without the consent of the Noteholders or Couponholders but subject to Condition 10(f), to (i) any modification of any of these Conditions or the provisions of the Trust Deed which is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed which is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. In addition, the Trustee shall be obliged to effect such modifications to the Trust Deed and/or these Conditions as may be required in order to give effect to Condition 4(i) in connection with effecting any Benchmark Amendments or any Benchmark Replacement Conforming Changes, subject to the provisions thereof, without the requirement for the consent of the Noteholders or Couponholders.

Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

(c) *Substitution*

The Trust Deed contains provisions permitting the Trustee to agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require and Condition 10(f), but without the consent of the Noteholders or the Couponholders, to the substitution of a successor in business of the Issuer, a subsidiary of the Issuer or a successor in business thereof in place of the Issuer, or of any previous substituted company, as principal debtor under the Trust Deed and the Notes provided that, unless such substituted company is a successor in business of the Issuer, the Issuer unconditionally and irrevocably guarantees, on a subordinated basis, the payment of all moneys payable by the substituted company as principal debtor under the Trust Deed and the Notes, and subject to the Trustee being satisfied that the substitution is not materially prejudicial to the interests of the Noteholders. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or Couponholders, to a change of the law governing the Notes, the Coupons and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

(d) *Entitlement of the Trustee*

In connection with the exercise of its functions (including, but not limited to, any modification, waiver, authorisation, determination or substitution) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual

Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

(e) *Indemnification of the Trustee*

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any entity related to the Issuer. The Trustee is entitled to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

The Trustee may rely without liability to the Noteholders or Couponholders on a report, confirmation or certificate or any advice of any accountants, financial advisers, financial institution or any other expert, whether or not addressed to the Trustee and whether its liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation or certificate or advice and such report, confirmation or certificate or advice shall be binding on the Issuer, the Trustee and the Noteholders.

The Trustee shall not be liable for any consequences of any application of Irish Statutory Loss Absorption Powers (as provided in Condition 15(c) below) in respect of the Issuer or any of its affiliates or any Notes and shall not be required to take any action in connection therewith that would, in the Trustee's opinion, expose the Trustee to any liability or expense unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction; provided that nothing in this Condition shall prevent any application of Irish Statutory Loss Absorption Powers in respect of the Issuer or any of its affiliates or any Notes from taking effect, and each Noteholder or Couponholder, by its acquisition of any Note or Coupon, authorises and instructs the Trustee to take such steps as may be necessary or expedient in order to give effect to any such application of Irish Statutory Loss Absorption Powers.

(f) *Supervisory Permission*

Any substitution, variation or modification of the Notes or (to the extent such substitution, variation or modification relates to Notes which are outstanding) the Trust Deed in accordance with this Condition 10 is subject to the Issuer obtaining Supervisory Permission therefor, provided that at the relevant time such permission is required to be given.

11 Replacement of Notes, Certificates, Coupons and Talons

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed it may be replaced, subject to applicable laws and stock exchange regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders in accordance with Condition 13, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there will be paid to the Issuer on demand the amount payable by the Issuer in respect of

such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

12 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders, but subject to any Supervisory Permission required (if required), create and issue further notes having the same terms and conditions as the Notes or the same in all respects (or in all respects except for the first payment of interest thereon) and so that such further notes shall be consolidated and form a single series with such Notes, and references in these Conditions to “Notes” shall be construed accordingly. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

13 Notices

Notices required to be given to the holders of Registered Notes pursuant to the Conditions shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices required to be given to the holders of Bearer Notes pursuant to the Conditions shall be valid if published in a daily newspaper of general circulation in London and Dublin or, if in the opinion of the Trustee, such publication is not practicable, in another leading daily English language newspaper of general circulation in Europe approved by the Trustee. It is expected that such publication will be made in the Financial Times in London and in The Irish Times in Dublin. So long as the Notes are listed and/or admitted to trading, the Issuer shall ensure that notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading. Notices, will, if published more than once, be deemed to have been given on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

14 Rights of Third Parties

In the case of English law Notes, no person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

15 Governing Law, Jurisdiction and Acknowledgement of Irish Statutory Loss Absorption Powers

(a) *Governing Law*

The Trust Deed, the Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with (i) in the case of an English Law Note, English law (except that Conditions 3 and 15(c) and provisions of the Trust Deed relating to postponement of the claims of Noteholders and Couponholders on a Winding-Up of the Issuer shall be construed in accordance with the laws of Ireland) or (ii) in the case of an Irish Law Note, the laws of Ireland.

(b) *Jurisdiction*

- (i) In the case of English Law Notes, the Courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, any such Notes, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any such Notes, Coupons or Talons or the Trust Deed (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of such Notes, Coupons and Talons and, to the extent permitted by law, shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- (ii) In the case of Irish Law Notes, the Courts of Ireland are to have jurisdiction to settle any disputes which may arise out of or in connection with any such Notes, Coupons or Talons or the Trust Deed and accordingly any legal action or proceedings arising out of or in connection with any such Notes, Coupons or Talons or the Trust Deed (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Ireland and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of such Notes, Coupons and Talons and, to the extent permitted by law, shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) *Acknowledgement of Irish Statutory Loss Absorption Powers*

All references in this Schedule to a meeting are to a physical meeting or a virtual meeting of Noteholders of a single series of Notes and include, unless the context otherwise requires, any adjournment. All references in this Schedule to “**Notes**” and “**Noteholders**” shall be to the Notes of the relevant Series and the holders of those Notes, respectively. With respect to a virtual meeting, each such notice shall set out such other and further details as are required under paragraph 31.
- 5** A meeting that has been validly convened in accordance with paragraph 3 above, may be cancelled by the person who convened such meeting by giving at least 5 days’ notice (exclusive of the day on which the notice is given and of the day of the meeting) to the Noteholders (with a copy to the Trustee where such meeting was convened by the Issuer or to the Issuer where such meeting was convened by the Trustee). Any meeting cancelled in accordance with this paragraph 5 shall be deemed not to have been convened.

- 6** A person (who may, but need not, be a Noteholder) nominated in writing by the Trustee shall be entitled to take the chair at every such meeting but if no such nomination is made or if at any meeting the person nominated shall not be present within fifteen minutes after the time appointed for the holding of such meeting the Noteholders present shall choose one of their number to be chairperson, failing which the Issuer may appoint a chairperson. The chairperson of an adjourned meeting need not be the same person as was chairperson of the original meeting.
- 7** At any such meeting any two or more persons present in person holding Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than one-tenth in principal amount of the Notes for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a chairperson) shall be transacted at any meeting unless the requisite quorum be present at the commencement of business. In any other case it shall stand adjourned (unless the Issuer and the Trustee agree that it be dissolved) for such period, not being less than fourteen days nor more than forty-two days, as may be appointed by the chairperson. At such adjourned meeting two or more persons present in person holding Notes or voting certificates or being proxies or representatives (whatever the principal amount of the Notes so held or represented by them) shall form a quorum and shall have the power to pass any resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had a quorum been present at such meeting provided that the quorum at any adjourned meeting at which is to be proposed an Extraordinary Resolution for the purpose of effecting any of the modifications specified in the proviso to paragraph 21 hereof shall be two or more persons present in person holding Notes or being proxies or representatives and holding or representing in the aggregate at least one quarter in principal amount of the Notes for the time being outstanding.
- 9** The chairperson may with the consent of (and shall if directed by) any meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.
- 10** At least ten days' notice (exclusive of the day on which the notice is given and of the day of the adjourned meeting) of any meeting adjourned through want of a quorum shall be given in the same manner as of an original meeting and such notice shall state the quorum required at such adjourned meeting. Subject as aforesaid, it shall not be necessary to give any notice of an adjourned meeting.

- 11** At a meeting which is held only as a physical meeting, each question submitted to such meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairperson shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a holder of a voting certificate or as a proxy or as a representative.
- 12** At a virtual meeting, a resolution put to the vote of the meeting shall be decided on a poll in accordance with paragraph 33, and any such poll will be deemed to have been validly demanded at the time fixed for holding the meeting to which it relates.
- 13** At any meeting, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairperson, the Issuer, the Trustee or by one or more persons holding one or more Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than one-fiftieth part of the principal amount of the Notes for the time being outstanding, a declaration by the chairperson that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 14** If at any meeting a poll is so demanded, it shall be taken in such manner and (subject as hereinafter provided) either at once or after such an adjournment as the chairperson directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.
- 15** Any poll demanded at any meeting on the election of a chairperson or on any question of adjournment shall be taken at the meeting without adjournment.
- 16** The Issuer and the Trustee (through their respective representatives) and their respective financial and legal advisers shall be entitled to attend and speak at any meeting of the Noteholders. Without prejudice to the obligations of the proxies named in any form of proxy and subject to the obligations of the proxies named in any block voting instruction, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.
- 18** The proxy named in any block voting instruction or form of proxy need not be a Noteholder.
- 19** Each block voting instruction and each form of proxy, together (if so required by the Trustee) with proof satisfactory to the Trustee of its due execution, shall be deposited at the registered office of the Issuer, or at such other place as the Trustee shall designate or

approve, not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxy named in the block voting instruction or form of proxy proposes to vote and in default the block voting instruction or form of proxy shall not be treated as valid unless the chairperson of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A notarially certified copy of each such block voting instruction and form of proxy and satisfactory proof as aforesaid (if applicable) shall if required by the Trustee be produced by the proxy at the meeting or adjourned meeting but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of, or the authority of the proxy named in, any such block voting instruction or form of proxy.

- 20** Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the Noteholders' instructions pursuant to which it was executed, provided that no intimation in writing of such revocation or amendment shall have been received from the Issuing and Paying Agent or any Paying Agent or, as the case may be, the relevant Transfer Agent or Registrar by the Issuer at its registered office or by the chairperson of the meeting, in each case not less than 48 hours before the commencement of the meeting or adjourned meeting at which the block voting instruction or form of proxy is used.
- 21** A meeting of the Noteholders shall, subject to the provisions contained in the Conditions, in addition to the powers hereinbefore given, but without prejudice to any powers conferred on other persons by this Trust Deed, have the following powers exercisable only by Extraordinary Resolution namely:
- 21.1** power to sanction any proposal by the Issuer or the Trustee for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Noteholders and/or the Couponholders against the Issuer whether such rights shall arise under this Trust Deed, the Notes or otherwise;

- (ix) amends this proviso in any manner.

The agreement or approval of the Noteholders shall not be required in the case of any variation of the Conditions and/or the Trust Deed required to be made in the circumstances described in Conditions 4(a)(iv)(D)(aa), 4(i) and 5(i) of the Subordinated Notes or Conditions 4(a)(iv)(D)(aa), 4(i) and 5(j) of the Senior Notes in connection with the variation of the terms of the Notes and to which the Trustee has agreed pursuant to the relevant provisions of Conditions 4(a)(iv)(D)(aa), 4(i) and 5(i) of the Subordinated Notes and Conditions 4(a)(iv)(D)(aa), 4(i) and 5(j) of the Senior Notes.

- 22 An Extraordinary Resolution passed at a meeting of the Noteholders duly convened and held in accordance with this Trust Deed shall be binding upon all the Noteholders, whether present or not present at such meeting, and upon all the Couponholders and each of the Noteholders and Couponholders shall be bound to give effect thereto accordingly. The passing of any such resolution shall be conclusive evidence that the circumstances of such resolution justify the passing of it.
- 23 The expression “**Extraordinary Resolution**” when used in this Trust Deed means a resolution passed (a) at a meeting of the Noteholders duly convened and held in accordance with the provisions contained herein by a majority consisting of not less than three-quarters of the votes cast thereon, (b) by a Written Resolution or (c) by an Electronic Consent (as defined below). The expression “**Written Resolution**” when used in this Trust Deed means a resolution in writing signed by the holders of not less than three-quarters in principal amount of the Notes outstanding, who for the time being are entitled to receive notice of a meeting in accordance with the provisions herein.
- 24 Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders.
- 25 For so long as the Notes are in the form of a Global Note held on behalf of, or a Global Certificate registered in the name of any nominee for, one or more of Euroclear, Clearstream, Luxembourg or another clearing system, then, in respect of any resolution proposed by the Issuer or the Trustee:
- 25.1 *Electronic Consent:* where the terms of the resolution proposed by the Issuer or the Trustee (as the case may be) have been notified to the Noteholders through the relevant clearing system(s) as provided in sub-paragraphs (i) and/or (ii) below, each of the Issuer and the Trustee shall be entitled to rely upon approval of such resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of the holders of not less than three-quarters in nominal amount of the Notes outstanding (the “**Required Proportion**”) (“**Electronic Consent**”) by close of business on the Relevant Date. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. Neither the Issuer nor the Trustee shall be liable or responsible to anyone for such reliance;
- (i) When a proposal for a resolution to be passed as an Electronic Consent has been made, at least 10 days’ notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant clearing system(s). The notice shall specify, in sufficient detail to enable Noteholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant clearing system(s)) and the time and date (the “**Relevant Date**”) by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).
 - (ii) If, on the Relevant Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the “**Proposer**”) so

determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to the Trust Deed. Alternatively, the Proposer may give a further notice to Noteholders that the resolution will be proposed again on such date and for such period as shall be agreed with the Trustee (unless the Trustee is the Proposer). Such notice must inform Noteholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (i) above. For the purpose of such further notice, references to "Relevant Date" shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the Issuer or the Trustee which is not then the subject of a meeting that has been validly convened in accordance with paragraph 3 above, unless that meeting is or shall be cancelled or dissolved; and

- 25.2** *Written Resolution:* where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Issuer and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Issuer and/or the Trustee, as the case may be, (a) by accountholders in the clearing system(s) with entitlements to such Global Note or Global Certificate and/or (b), where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person identified by that accountholder as the person for whom such entitlement is held. For the purposes of establishing the entitlement to give any such consent or instruction, the Issuer and the Trustee shall be entitled to rely on any certificate or other document issued by, in the case of (a) above, Euroclear, Clearstream, Luxembourg or any other relevant alternative clearing system (the "relevant clearing system") and, in the case of (b) above, the relevant clearing system and the accountholder identified by the relevant clearing system for the purposes of (b) above. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. Neither the Issuer nor the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.
- 26** A Written Resolution and/or Electronic Consent shall take effect as an Extraordinary Resolution. A Written Resolution and/or Electronic Consent will be binding on all Noteholders and holders of Coupons, Talons and Receipts, whether or not they participated in such Written Resolution and/or Electronic Consent.
- 27** Minutes of all resolutions and proceedings at every such meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Issuer or the Trustee and any such minutes as aforesaid, if purporting to be signed by the chairperson of the meeting at which such resolutions were passed or proceedings transacted or by the chairperson of the next succeeding meeting of the Noteholders, shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made and signed as aforesaid shall be deemed to have been duly convened and held and all

resolutions passed or proceedings transacted thereat to have been duly passed and transacted.

- 28** Subject to all other provisions contained in this Trust Deed, the Trustee may without the consent of the Noteholders prescribe or approve such further regulations regarding the holding of meetings of Noteholders and attendance and voting at them as the Trustee may in its sole discretion determine or as proposed by the Issuer including particularly (but without prejudice to the generality of the foregoing) such regulations and requirements as the Trustee thinks reasonable:
- 28.1** so as to satisfy itself that persons who purport to requisition a meeting in accordance with paragraph 3 or who purport to make any requisition to the Trustee in accordance with this Trust Deed are in fact Noteholders; and
- 28.2** as to the form of voting certificates or block voting instructions to be issued pursuant to paragraph 1 so as to satisfy itself that persons who purport to attend or vote at any meeting of Noteholders are entitled to do so in accordance with this Trust Deed.
- 29** The foregoing provisions of this Schedule shall have effect subject to the following provisions:
- 29.1** Meetings of Noteholders of separate Series will normally be held separately. However, the Trustee may from time to time determine that meetings of Noteholders of separate Series may be held together;
- 29.2** A resolution which in the opinion of the Trustee affects one Series alone shall be deemed to have been duly passed if passed at a separate meeting of the Noteholders of the Series concerned;
- 29.3** A resolution which in the opinion of the Trustee affects the Noteholders of more than one Series but does not give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed if passed at a single meeting of the Noteholders of the relevant Series provided that for the purposes of determining the votes a Noteholder is entitled to cast pursuant to paragraph 17, each Noteholder shall have one vote in respect of each Minimum Specified Denomination of Notes held;
- 29.4** A resolution which in the opinion of the Trustee affects the Noteholders of more than one Series and gives or may give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed only if it shall be duly passed at separate meetings of the Noteholders of the relevant Series;
- 29.5** To all such meetings as aforesaid all the provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes and to Noteholders were references to the Notes and Noteholders of the Series concerned.
- 30** For so long as and to the extent that the Notes are represented by one or more Global Notes or a Global Certificate, the holder of a Global Note or Global Certificate shall, for the purposes of paragraph 7, be deemed to constitute a quorum and shall, for the purposes of paragraph 17, be entitled to two votes under sub-paragraph (a), as well as to the number of votes on a poll under sub-paragraph (b) as is equal to the nominal amount of the Global Note or Global Certificate divided by the minimum denomination of each Note represented by the Global Note or Global Certificate. Such holder need not use all his votes or cast all the votes to which he is entitled in the same way.

Additional provisions applicable to Virtual Meetings

- 33** All resolutions put to a virtual meeting shall be voted on by a poll in accordance with paragraphs 11, 14, 15 and 17 above and such poll votes may be cast by such means as the Issuer or the Trustee in its sole discretion considers appropriate for the purposes of the virtual meeting.
- 34** Persons seeking to attend or participate in a virtual meeting shall be responsible for ensuring that they have access to the facilities (including, without limitation, IT systems, equipment and connectivity) which are necessary to enable them to do so.
- 35** In determining whether persons are attending or participating in a virtual meeting, it is immaterial whether any two or more members attending it are in the same physical location as each other or how they are able to communicate with each other.
- 36** Two or more persons who are not in the same physical location as each other attend a virtual meeting if their circumstances are such that if they have (or were to have) rights to speak or vote at that meeting, they are (or would be) able to exercise them.
- 37** The Issuer or the Trustee in its sole discretion may make whatever arrangements they consider appropriate to enable those attending a virtual meeting to exercise their rights to speak or vote at it.
- 38** A person is able to exercise the right to speak at a virtual meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, as contemplated by the relevant provisions of this Schedule.
